Fluent in 3 Months Benny Lewis,2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Learn Languages:How To Learn Any Language Fast In Just 168 Hours (7 Days) Scott Green,2015-06-19 Learning a foreign language is just as beautiful as it is challenging. Learning a language is different from learning other disciplines, such as mathematics, geography, or poetry writing. You cannot simply sit down and memorize hundreds of pages and formulas and then stand up and speak the language fluently and confidently. It takes time, patience, resourcefulness, creativity, and hard work. In the next 7 days, this book will guide you through a very special and effective process in language learning.

Spoken Vietnamese for Beginners Nguyen Long,Marybeth Clark,Nguyen Thuan,2011-11 This textbook is designed for English-speaking students wishing to acquire a basic working ability in conversational Vietnamese. The twenty lessons in this volume are centered around short conversations based on common topics--introductions, friends and family members, work--as well as other everyday situations. Each set of conversations builds on previously studied material and introduces new sentence structures. *Spoken Vietnamese for Beginners* also contains exercise sections that allow students to practice new and old vocabulary. Every fifth lesson in the book reviews previously covered material with written exercises, narrative readings, and suggested conversations so students can practice the Vietnamese they have learned. Self-tests are also included so students can individually review their understanding of the language. The conversations and exercises in this textbook will be made available online as audio files. The book and accompanying audio-- an integral component to *Spoken Vietnamese for Beginners*--can be used either with a teacher or for self-study. Language professors and their students--or those learning Vietnamese on their own--will appreciate the accessible approach and manageable size of this very practical textbook.

Learn Vietnamese - Quick / Easy / Efficient Pinhok Languages,2022-05-01 A curated Vietnamese word frequency list Are you looking for

unconventional ways to speed up the process of learning Vietnamese? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Vietnamese words and phrases ordered by their frequency of use. Who this Vietnamese learning book is for: This book is for beginners and intermediate learners of Vietnamese who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Vietnamese frequency list is not for: This book is not for you if you are an advanced learner of Vietnamese. In this case, please go to our website or search for our Vietnamese vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Vietnamese learning book that guides you through the various steps of learning Vietnamese, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Vietnamese workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
