**G R Narasimhan**

**Durga Mantra Magick** Baal Kadmon, 2017-08-31 Durga is a very special goddess. When I first encountered her, I was a little hesitant, but I knew deep down I needed to work with her. From 2014-2015, she has guided me. Ever so often, I am guided to work with one specific deity for a prolonged period of time. It was Durga's turn then. She is by far one of the most beloved of the Hindu Goddess. She is fiercely loyal and will pull out all the stops when she is protecting her own. She is, in many ways, a gentler version of Kali, but not quite as gentle as Parvati or Lakshmi. Durga's name means Impassable and invincible. The name is derived from the Sanskrit word for fortress, Durg. She has several forms. In this book, we will deal with her nine forms, also known as Navadurga or literally 'Nine Forms of Goddess Durga. Each one has a purpose and we will perform nine rituals, one for each form. Her essence is very much immanent in the world. She has a transcendent and limitless quality, yet she is very present and accessible. Although milder than Kali, Durga will still challenge you in ways that are just right for you to get the lesson and learn. When I worked with her, there were times when I was stubborn, she was able to push me to get me back on track. Seldom will she push you too hard, but it can be uncomfortable. Kali on the other hand will shove you right into the fire. Her mantras are often recited when people need protection and security. In this book we will tap into her nine names for the following purposes:

Durga Form 1 - In this form, she is associated with the Root Chakra and therefore, we will use her to attain more grounding in this world. This will impact your finances and other related issues.

Durga Form 2 - In this form, we will use her to attain occult and spiritual knowledge.

Durga Form 3 - Devi Chandraghanta - In this form, we will call upon her for protection.

Durga Form 4 - In this form we will call upon her to bestow upon us supernatural and occult powers.

Durga Form 5 - In this form, we will use her to conquer our enemies.

Durga Form 6 - In this form, we will use her to get

rid of negative spiritual entities that may be haunting you. Durga Form 7 - This is similar to Katyayani, but much more fierce in her energy. We will use her to eradicate demonic energies in your abode. Durga Form 8 - We will use her to attain good health and renewed vigor. You can also use her for love as well. The ritual for her can be used for either of those. I will get into that when we discuss her more in-depth. Durga Form 9 - We will use her to enhance our magickal practice, no matter what tradition. Reciting her mantra in this form, is of immense value to your entire magickal practice. Each of these rituals will have special mantras associated with them. I will transliterate them as we go. We have a lot to cover, now let us proceed.

**Goddess Durga Devi Upasana! a Simple Guide to Durga Devi Worship!** G R Narasimhan,2019-08-16 GODDESS DURGA DEVI UPASANA! A SIMPLE GUIDE TO DURGA DEVI WORSHIP!GODDESS DURGA DEVI ANGELIC ASSISTANCE & WORSHIP! DEVI DURGA POOJA/KAALI MATHA POOJA/ NAVA DURGA POOJA/ YAGAM/YAGNAM!Upasana is known as continuous worship of an angelic presence or god. If you follow a particular god or goddess / a deity to help you in all your personal and complete life cycle then you have to follow certain protocols on which a particular deity will be satisfied and helps by speaking, appearing in dreams and giving some message, making success in business/ career, marriage, service to others etc.For example if you choose Durga Devi as your favourite deity and you need his full help then, you have to pray her everyday more than the other deities.You can start with Ganapathy pooja daily after taking bath (at least Om Maha Ganapathye' Namaha - 32 or 54 or 108 times) or follow the Ganapathy mantras given in this book and then start worship Durga with Moola mantra, Gayatri mantra, Astothram (108 names), Sahasranama (1000 names), Sukthams, Chalisa, Kavacham or Ashtagam mantras - where Goddess Durga will be pleased and start helping you. This may be continued for 40 to 48 days to take effect where a particular deity or angelic

presence to help depending on our mind, body and soul balance. But don't worry as it happens automatically over the period of time. Durga Devi or Matha Durga-significance (something hard to defeat or pass) recognized as Parashakti, is a major and common Hindu Goddess type. She is the warrior goddess whose mythology focuses on fighting evil and alien forces that threaten the good with peace, prosperity, and dharma. She is the protective mother goddess ' fierce form, ready to unleash her wrath against wrong, freedom violence, and destruction to empower creation. In the Hindu pantheon, Durga is portrayed as a goddess riding a lion or tiger, each carrying a weapon with many weapons, often defeating Mahishasura (lit. buffalo demon). Durga's three main worshiped forms are Maha Durga, Chandika, and Aparajita. Of these, Chandika has two types called Chandi, of the combined strength and shape of Saraswati, Lakshmi and Parvati, and Chamunda, a type of Kali produced by the goddess to kill Chanda and Munda demons. There are three types of Maha Durga: Ugrachanda, Bhadrakali, Katyayani. In the shape of her nine epithets called Navadurga, Bhadrakali Durga is also worshiped. This book majorly covers the following chapters for Durga Devi pooja/ worship. Anyone can use this for doing matha pooja and Yagnam easily. Most of the slogams are given in English/ Sanskrit/ Tamil. But mainly you need basic English knowledge to understand fully.

**Creating Durga** Smrita Jain S,2013-01-01 In India, Durga  
one of the deities, is considered most powerful one, who can save  
people from the clutches of evil. The creation of Durga and  
veneration to her is no different. Over the years, the legend of  
Durga has garnered several interpretations. The immensity of the  
mythology is so complex that the accuracy of the actual story is  
now left to mere existence and significance. Durga Puja, a festival  
spanning four days (once in a year in the month of October),  
celebrates Durga's return after killing Mahishasura. She is  
welcomed to the homes of thousands along with her family, Lord  
Ganesha, Goddess Lakshmi, Lord Karthik and Goddess Saraswati  
who are believed to be Durga's sons and daughters. It is one of  
the most widely celebrated festivals in India that brings together  
many skills that have survived generations. This project throws  
light on the talents, efforts and creativity of the kumbhars—the  
artisans, who craft realistic looking idols depicting the epic of  
Durga. The images will take you on a journey of the several  
stages of making the idols. Artists hard work brings life to the  
marathon of idol making that is invigorated by the power of  
mantras...majestic, mystic, and bustling!

*Durga Saptashloki* Koushik K., 2017-02-10 Durga saptashlokee is a collection of seven important slokas from the sacred text Devi Maahaathmyam. The text Devi Maahaatmyam praises the glories of mother Durgaa and elaborately narrates the great deeds of mother goddess. The text Durga Saptashlokee is a collection of the most important shlokas (mantras) from Durgaa patha for use in daily prayers and chants. Each of the seven shlokas praise the goddess Durgaa and pray to her for different fruits. All of these verses are found in different chapters of the Devi Maahaatmya. Each of these shlokas is a mantra which can also be chanted separately to please the mother and to attain a particular benefit, pray for protection, wealth, good fortune and the mother's (Ambaa's) grace. This hymn starts with a conversation between lord Shiva and Devi. One who chants this hymn with true devotion for goddess Durgaa shall be blessed with all fortunes of life and will also attain self realization by the grace of the goddess. In this book I will explain the meaning of those seven shlokas according to the commentaries of great shaakta scholars (devotees of mother goddess) like Bhaaskara raaya maakhin, Naagoji bhatta and other scholars of the shakta tradition

**The Curious Trajectory of Caste in West Bengal Politics**

Ayan Guha, 2022-09-26 The Curious Trajectory of Caste in West Bengal Politics: Chronicling Continuity and Change critically engages with the political dynamics of caste in West Bengal and explores the reasons for the relative insignificance of caste as a political category in the state.

**Durga Puja** Pratapachandra Ghosha, 2017-11-24 Excerpt from Durga Puja: With Notes and Illustrations About a week before the Durga 'puja holidays ensued I requested the author to write a paper on this chief national festival of the Hindus of Bengal, giving an account of the rites and ceremonies connected with it. He readily complied with my request, and although written at the spur of the moment and necessarily in great hurry, the paper has proved so interesting and has been so favorably received by the public that I have thought it proper to reprint it in the present form, chiefly with a view to circulate it among oriental scholars and others, who take interest in the religious institutions of the Hindus. The difficulties, which the author has met with in rendering into English the peculiar forms and expressions of Sanskrit Mantras and Slokas, may be easily imagined by those who have an experience of such work, and it is I think sufficient to mention that he has paid more attention to matter than to manner.
