My Daily Walk with Jesus Bernd Weimer,2014-09-11 Time, time, time. In this fast moving world of modern, ever changing technology we all struggle with time to do the things we know we need to do. One of those "need to" disciplines is the daily reading of God's Word in a way that is life-changing and mind renewing. When Bernd Weimer told me that he was going to write a book on how to systematically read and study the entire Bible in a year, it was all I could do to keep from saying "Oh no, not another read-the-Bible-in-a-year book." Although I was inwardly skeptical, I encouraged him as he started the project. There were so many books already written from a Bible devotional nature that Bernd's book would have to be very unique to be accepted and widely used. But Bernd has pulled it off. He has developed a method whereby the reader can work his or her way through the Word of God without guilt of failure. This book is more than just a Bible reading plan. When used, this book can become a lifelong journal filled with your impressions from the Lord, special quotes from people that have touched your heart and spirit, and your own personal Bible study notes. To the casual reader, this book will be impressive because of its sheer simplicity, and yet many will be astonished by the book's depth of allowing the reader to make it his or her own life history with the Lord. It is a single, bright sword, cut across three different books in one: a Bible reading guide, a person journal, and a Biblical insight on key passages. Pastor Charles Morris, Founder and Senior Pastor, RSI Ministries

The One Year Praying in Faith Devotional Chris Tiegreen, 2021-11 The faith journey can be hard, but it doesn't have to be. Abraham, Joseph, David, Paul, and even Jesus himself—all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear. And yet, even in the darkest times, God was working, writing an unseen story of redemption that would save the world. When we pray, how do we see beyond the immediate and into the eternal? How do we know when to keep praying and when to give up; when to consider something a promise from God and when to recognize that it was from our own imagination? Why does silence from God rarely mean no and almost always mean come closer? *The One Year Praying in Faith Devotional* answers these questions and many more, taking you through a 365-day journey that will help you experience a prayerful relationship with God like never before.
