**Caffè Lena** Jocelyn Arem,2013-10-15 In 1960, burgeoning actress and defiant dreamer Lena Spencer opened a small, grassroots coffeehouse in the quaint upstate New York town of Saratoga Springs. Within her then-husband's plan to start the Caffè as a means for the couple to artistically flourish while "making enough money to retire in Europe" lay the seed of a more impactful cultural contribution that would change music history forever. It was a time in America when a coffeehouse could be something more—a focal point for a different sort of people, radical new ideas, and notably, emerging artists. Caffè Lena's humble stage regularly welcomed musicians such as a young Bob Dylan in 1961, the singer/activist Bernice Johnson Reagon in 1962, and a pre-"American Pie" Don McLean in 1965. Quickly, Caffè Lena took its place among the nation's foremost incubators of an American folk movement that inspired a generation of musicians, artists, and thinkers and a country in need of a new vision of equality, freedom, and understanding. Fortunately for posterity, camera shutters were often snapping in time to the music, and so an intimate visual record of Caffè Lena's early years exists. Now, thanks to years of dedicated digging by the Caffè Lena History Project—to unearth Lena's secret memoirs, collaborating with photographers to identify and rescue mysterious negatives, and collecting stories from the original artists to highlight these materials—the time has come to share this treasure trove of authentic and rare Americana with the world. Caffè Lena: Inside

America's Legendary Folk Music Coffeehouse brings more than 200 never before seen, evocative images and stories to the public. Early 1960s photographs of Bob Dylan and Pete Seeger and modern-day images of Rufus Wainwright and Patty Larkin blend with rare memorabilia and an oral history derived from more than 100 original interviews of artists who have graced Caffè Lena's stage over the decades, including Ani DiFranco, Utah Phillips, Dave Van Ronk, Spalding Gray, and other luminaries of the folk, blues, jazz, and theater worlds. This exclusive time capsule chronicling the heyday of Caffè Lena—now the country's oldest continuously operational folk music coffeehouse—provides an insightful look at the many artists whose poetic lyrics cast a mesmerizing spell over a generation, and who remain beloved today. Alongside the release of Caffè Lena: Inside America's Legendary Folk Music Coffeehouse, San Francisco's Tompkins Square label will release the 3-CD box set, 'Live at Caffè Lena: Music From America's Legendary Coffeehouse, 1967–2013' on September 24, 2013. "Caffè Lena holds an important place in the folk and traditional music communities. For me it was the gateway to so many things I hold dear about music." —Scott Goldman, The GRAMMY Foundation "The story of Caffè Lena is the secret history of the folk-music scene. Lena was a pioneering woman in a man's world and her story needs to be told." —Holly George-Warren, The Road to Woodstock "Lena Spencer was a rare person with a shining spirit who created a small world of her own. The magic of her Caffè cannot be analyzed, computerized, or explained." —David Amram, Musician

The Versatile Vocalist Rachel L. Lebon, 2006-07-20 The book discusses the musical considerations, vocal production, and kinesthetic feedback inherent to performing persuasively in a variety of styles and idioms, with observations of professional vocalists, instrumentalists, and voice teachers who have successfully crossed over into contrasting idioms.

**'Tell Me about the Holy Spirit'** Gerald O'Mahony, 2011-12 The author writes: 'If someone asked me to tell them all about the Holy Spirit, and if they had time to listen, this book tells what I would say. Here will be found what the Catholic Church and tradition have held about the Holy Spirit, in simple language which aims to be both enlightening and uplifting. In 2004 I wrote A Way in to the Trinity (also published by Gracewing), and I have often in the past written about God the Father and about Jesus; so it seemed to be high time to write about the

Spirit who brings God's love to us, and who takes our love back to God. An unusual feature of this book is the attention paid to the phrase from the Creed: ... who proceeds from the Father and from the Son. What seems to first to be mere words turns out to a key to spiritual freedom, reappearing in many areas of our faith and Christian life.' Gerald O'Mahony was born in Wigan, Lancashire. He joined the Society of Jesus at the age of 18, and was ordained priest at age 30. He was a school teacher for four years, before being invited to join the team of advisers in religious education for the Archdiocese of Liverpool. Ten years on he joined another team, as retreat giver and writer in Loyola Hall Jesuit Spirituality Centre near Liverpool, where he has lived and worked happily ever since.

Being Musically Attuned Erik Wallrup,2016-04-15 Listening according to mood is likely to be what most people do when they listen to music. We want to take part in, or even be part of, the emerging world of the musical work. Using the sources of musical history and philosophy, Erik Wallrup explores this extremely vague and elusive phenomenon, which is held to be fundamental to musical hearing. Wallrup unfolds the untold musical history of the German word for 'mood', Stimmung, which in the 19th century was abundant in the musical aesthetics of the German-Austrian sphere. Martin Heidegger's much-discussed philosophy of Stimmung is introduced into the field of music, allowing Wallrup to realise fully the potential of the concept. Mood in music, or, to be more precise, musical attunement, should not be seen as a peculiar kind of emotionality, but that which constitutes fundamentally the relationship between listener and music. Exploring mood, or attunement, is indispensable for a thorough understanding of the act of listening to music.

*The First Ghosts* Irving Finkel,2021-11-11 'It's enthralling stuff, mixing the scholarly with the accessible and placing storytelling right at the heart of the human experience.' - History Revealed 'A fascinating journey' - Yorkshire Post 'Marvellous...Finkel is an expert in Mesopotamian cultures at the British Museum, and is one of the most clever, and nicest, of people it has ever been my pleasure to encounter...A fascinating journey' - The Scotsman There are few things more in common across cultures than the belief in ghosts. Ghosts inhabit something of the very essence of what it is to be human. Whether we personally 'believe' or not, we are all aware of ghosts and the rich mythologies and rituals surrounding them. They have inspired, fascinated and frightened us for

centuries - yet most of us are only familiar with the vengeful apparitions of Shakespeare, or the ghastly spectres haunting the pages of 19th century gothic literature. But their origins are much, much older... The First Ghosts: Most Ancient of Legacies takes us back to the very beginning. A world-renowned authority on cuneiform, the form of writing on clay tablets which dates back to 3400BC, Irving Finkel has embarked upon an ancient ghost hunt, scouring these tablets to unlock the secrets of the Sumerians, Babylonians and Assyrians to breathe new life into the first ghost stories ever written. In The First Ghosts, he uncovers an extraordinarily rich seam of ancient spirit wisdom which has remained hidden for nearly 4000 years, covering practical details of how to live with ghosts, how to get rid of them and bring them back, and how to avoid becoming one, as well as exploring more philosophical questions: what are ghosts, why does the idea of them remain so powerful despite the lack of concrete evidence, and what do they tell us about being human?

**Strange Knowledge** Alison Lea Reichle, Ph.D, 2014-01-31 Rosi Talavera was abused, pregnant, angry, and poor. Then she registered for Alison Reichle's "Women And Power" class at Desert Flower, a wonderful small school for pregnant and parenting teens. Many of the young women were quite intelligent but generally had not been academic achievers. Reichle had seen a pervasive, almost crippling lack of self-esteem in the girls she taught, chaining them to a cycle of poverty not only for themselves but for their children. In an attempt to reform these dismal prospects and raise aspirations, Reichle researched and developed a women's studies class tailored to meet the needs of the students. Rosi joined with 40 remarkable others in what they called the WAP class. This is their story.

*Leaning on Thin Air* Charles Rubin, 2017-07-04 It's not easy being Bon Bronson. Constantly refusing to compromise his work, causing controversies, walking out, being fired. He's a Clio Award-winning ad writer during the Vietnam War and the bloody riots and the police violence and all the madness of 1969. Dealing with a nightmare of a client, he sparks disaster for himself and everyone around him. Now without friends, support or income, he feels like he is leaning on thin air. And then, just when his life has gone all to hell, it happens, something he never saw coming. You won't, either

Art and Nationalism in Colonial India, 1850-1922 Partha Mitter, 1994 Partha Mitter's book is a pioneering study of the history of modern art on the Indian subcontinent from 1850 to 1922. The author tells the story of Indian art during the Raj, set against the interplay of colonialism and nationalism. The work addresses the tensions and contradictions that attended the advent of European naturalism in India, as part of the imperial design for the westernisation of the elite, and traces the artistic evolution from unquestioning westernisation to the construction of Hindu national identity. Through a wide range of literary and pictorial sources, Art and Nationalism in Colonial India balances the study of colonial cultural institutions and networks with the ideologies of the nationalist and intellectual movements which followed. The result is a book of immense significance, both in the context of South Asian history and in the wider context of art history.

*The Travel Diaries of Peter Pears, 1936-1978* Peter Pears, 1995 PETER PEARS's reputation as an outstanding and

distinctive tenor is grounded in his interpretations of Benjamin Britten's works; their partnership of thirty years significantly shaped and defined musical developments not only in England but on a broader plane. Throughout their busy professional lives they travelled extensively, on concert tours and on holiday, finding fresh stimulus in change. Pear's twelve travel diaries, brought together in this volume, record much of that travel and provide valuable contextual material on the musical development of both Pears and Britten. The first diary dates from 1936, the year before his friendship with Britten began, when he went on tour to North America with the New English Singers. Other diaries record the five-month tour to the Far East and the important encounters (especially for Britten) with the gamelan music of Bali and the Japanese Noh theatre; visits to Russia as guests of Mstislav Rostropovich and his wife Galina Vishnevskaya, where they met significant figures from Russian musical life; and attendance at the Ansbach Bach Festival when Pears was at the height of his career. Also recorded are holidays in the Caribbean and Italy, a concert tour through the north of England, and accounts of the rehearsals and performances of the New York premieres of Billy Budd and Death in Venice.
