Easter at Glosser's Robert Jeschonek,2012-05-22 Step back in time to Easter, 1935 at Glosser Bros. Department Store in Johnstown, Pennsylvania. The display windows bloom with brightly colored decorations, and the smell of roasting peanuts fills the air. Each child gets a free baby chick for the holiday, and a rabbit comes with the purchase of each boys' suit. When eight-year-old Owen Talisman gets his free (yet priceless) Easter pets, life with his special new bunny takes a surprising twist that changes everything. Decades later, Owen faces another turning point, one that could take away his hopes and dreams forever. But his great-grandson, and the magic of Easter at Glosser's, refuse to give up on him. Don't miss this new Easter classic by Robert Jeschonek, award-winning author of LONG LIVE GLOSSER'S and CHRISTMAS AT GLOSSER'S.

Simple and Free Jen Hatmaker,2022-03-29 Why do we pursue more when we'd be happier with less? In this updated edition of 7, New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence—and what they learned along the way about living a truly meaningful life. Simple and Free is the true story of how Jen Hatmaker (along with her family) identified seven areas of excess—food, clothes, spending, media, possessions, waste, and stress—and made seven simple choices to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life. In this new edition, written not just for readers of faith but for everyone who craves a gentler, simpler life, Hatmaker shares how sustainability and generosity still impact and challenge her today. Annotated throughout with new reflections from the author, this book offers thoughtful insights on the vastly different world of Simple and Free from back when it was first published as 7, and considers the dramatically different space Hatmaker occupies now. Simple and Free is funny, raw, and not a guilt trip in the making. Come along and discover what Jesus' version of rich, blessed, and generous might look like in your life.

The Secret Court Martial Records of the Easter Rising Brian Barton,2010-03-23 Until 1999 official British records of the fifteen trials that followed the Easter Rising of 1916 were kept a close secret. Further material released in 2001 included the trial of Countess Markievicz and important evidence about the 'shoot to kill' tactics used by the British Army. These records, the subject of heated speculation and propaganda for over eighty years, are clearly presented in this important new book. The complete transcripts are all here, together with fascinating photographs of the Rising, the fifteen leaders and the key British players. Brian Barton's incisive commentary explains the context of the trials and the motivations of the leaders, providing an invaluable insight into what went on behind a closed door at a defining moment in Irish history.

The First Easter James Hartwell Willard,2019-12-18 The First Easter by James Hartwell Willard is about the life of Jesus and his first Easter with his father Joseph and the Mother Mary. Excerpt: IN the story of The First Easter, as in the story of The First Christmas, there is much that is hard to understand, but if we review somewhat the Blessed Life of Jesus, we shall better appreciate the glorious significance of the day. Jesus had passed through His human life, everywhere uttering words of pity, and stretching out hands of mercy. To suffer was to have a claim upon Him. He had not used His supernatural powers for His own benefit, but for the good of others. He employed them freely, helping, comforting, healing, blessing, wherever He went.
