Easton: City of Resources Bruce Fackenthal,2021-08-31 Easton City of Resources is a stunningly photographed and designed history of the city of Easton, Pennsylvania, focusing on Easton at the height of the Industrial Revolution. It's a romantic reflection of a bygone era.

Historic Easton Marie Summa, Frank Summa, Leonard S. Buscemi,2000 Easton is located in the Lehigh Valley, which was known long ago as the Entrance to the Grand Valley. It is the seat of Northampton County, which contains part of Bethlehem and many nearby boroughs and townships. Its location at the confluence of two rivers and various creeks made it a prized position for commerce and early settlement. An early Native American camping site for council, war, and hunting and fishing parties, it later became a major hub of government, industry, and culture. Historic Easton traces the evolution of a small frontier village to a large industrial center, spanning the years from the earliest settlements to the 1940s. At the dawn of its creation, Easton played a major role in the Walking Purchase of 1737. Later, Easton was the location of talks to end the French and Indian and the Revolutionary Wars. Notable figures, such as Benjamin Franklin, Teedyuscung, William Parsons, John Sullivan, and George Taylor, met to discuss the politics of these wars. By the early nineteenth century, Easton had become one of the first industrial centers in the region. By the time the city was incorporated in 1887, nearly eleven thousand people called Easton home.

The History of Easton, Penn'a From the Earliest Times to the Present, 1739 1885 (Classic Reprint) Uzal W. Condit,2016-09-09 Excerpt from The History of Easton, Penn'a From the Earliest Times to the Present, 1739 1885 Before 1739, when David Martin built his ferry house at the foot of Ferry street, the whole scene was covered with a growth of bushes. These beautiful rivers rolled along with their gurgling music under the forests overhanging their banks. There was little to disturb the profound quiet, which reigned supreme, except the sighing of the winds, the rustling storm, the singing of birds, the loud-crashing thunder, or the war dance, or the loud war-whoop of the savages. On Mount Lafayette, on the heights where South Easton stands, or on the banks of the Lehigh, could be seen the smoke curling through the tree tops from the fires of Indian camps; or one might have caught a glimpse of a eet of canoes descending the Delaware and Lehigh, filled with the dusky children of the forests. This was the garden of the Lenni Lenape, chosen for its beauty, * the convenience of its rivers, which afforded easy communication with the interior of the country, and as they came down either river they found a landing-place for their canoes on a long point extend ing far out toward the right bank of the Lehigh. This point has long since been washed away, though the name still remains - The Point. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Easton in the Valley Rebecca Price Janney,2017-06-24 Erin Miles has reached a personal and professional milestone-she's Doctor Miles at last! Expecting teaching offers to fill her inbox, she's soon trolling through The Chronicle of Higher Education for a position, any position. Somehow, though, what few jobs there are would take the recent widow away from her family and friends. As she considers what to do next, she's thrust into the role of caregiver when her parents both face health emergencies. Her real passion lies with researching her Easton-based ancestry, especially her intriguing six times great-grandfather, Sheriff Peter Kichline. Just when she thinks no doors will open to teach, she's faced with some unusual offers, a promising romance with an Easton historian, and decisions that will impact her young son and family. In 1774 Peter Kichline is about to retire from serving his second term as Northampton County's sheriff. He's looking forward to settling into the quieter rhythms of home life, running his mills, and helping oversee the building of Easton's first church building. Unfortunately, the rest of the country isn't in the same mindset. Trouble has been brewing in Massachusetts, culminating in the Boston Tea Party, followed by the first shots of the American Revolution at Lexington and Concord. Peter's mother always taught him, To whom much is given much is required. The question he's facing is-just how much is enough?

Join Peter and Erin in their valleys of decision with this second book in Rebecca Price Janney's engaging Easton Series!
