*Reading the Easy Way* Salman Elawad,2015-08-07 The book Reading The Easy Way is composed of short articles intended to educate the public in an easy-to-read way. The articles cover a variety of topics such as nutrition and healthy eating, biology of human diseases, environmental concerns, raising our children, good leadership, effective college teaching, religion and evolution, tributes to outstanding individuals, and many more. The book contains short articles written as a result of my daily readings and Internet searches. The articles are written in simple, easy to read format. There is no greatness where there is no simplicity. The main objective behind writing the articles is to educate the community in an easy way about day-to-day issues. The writer who does the most, gives the reader the most information, and takes from him/her the least time.
