HELL-th SCARE Marilyn Ivy Zerbey,2009-11-13 HELL-th SCARE deals with the Jerry Springer like reality of healthcare. Fringe lunatic nurses, cheating co-workers, incompetent doctors, and management who act like mob bosses. The grim truth of dying patients with no quality of life left, whose Living Wills have been hijacked and nullified by relatives for purely selfish, greedy, or guilt driven reasons. Micro-managed policies that actually put patients at risk and the abuse found in nursing homes - of staff members. HELL-th SCARE presents a frank picture of what really takes place behind the scenes in the healthcare profession without sugar coated self-righteousness. Supervisors from hell, impaired co-workers (RNs, BSNs, MSN, LPNs, CNAs, etc.), impostors masquerading as registered nurses, along with dangerous nurses who nearly kill their patients but are not fired due to hospital politics &/or policies.
