Berard L. Marthaler

**Transformational Church** Ed Stetzer, Thom S. Rainer, 2010 It is time to take heart and rework the scorecard. --

Questioning Evangelism, Second Edition Randy Newman, 2017-04-25 You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself! --D. A. Carson, Trinity Evangelical Divinity School

Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day. --Mitch Glaser, Chosen People Ministries

**Mere Creation** William A. Dembski, 1998-09-28 In this book a team of expert academics trained in mathematics, engineering, philosophy, physical anthropology, physics, astrophysics, biology and more investigate the prospects for intelligent design. Edited by William Dembski.

*The Holy Spirit in Mission* Gary Tyra, 2011-10-19 The church has been called

to participate in God's mission in the world. But without a robust, biblical sense of the Spirit's action, how can we be sure we're fulfilling that call? In this innovative work of missional pneumatology, Gary Tyra synthesizes charismatic and evangelical perspectives to flesh out the nature and purpose of the church's preaching, proclamation and service.

**Business as Mission** C. Neal Johnson, 2011-10-10 Business as mission (BAM) is a mission strategy whose time has come. As global economics become increasingly interconnected, Christian business people and entrepreneurs have unanticipated opportunities to build kingdom-strategic business ventures. But Christian companies and business leaders do not automatically accomplish missional purposes. BAM requires mastery of both the world of business and the world of missions, merging and contextualizing both into something significantly different than either alone. C. Neal Johnson offers the first comprehensive guide to business as mission for practitioners. He provides conceptual foundations for understanding BAM's unique place in global mission and prerequisites for engaging in it. Then he offers practical resources for how to do BAM, including strategic planning and step-by-step operational implementation. Drawing on a wide variety of BAM models, Johnson works through details of both mission and business realities, with an eye to such issues as management, sustainability and accountability. Business as mission is a movement with enormous potential. This book breaks new ground in how faith and work intersect and are lived out in crosscultural contexts, where job creation and community transformation go hand in hand. Come, participate in what may well be one of the most strategic mission paradigms of the 21st century.

*Polycentric Missiology* Allen Yeh, 2016-11-10 The Edinburgh 1910 World

Missionary Conference was the most famous missions conference in modern church history. A century later, five conferences on five continents displayed the landscape of global mission at the dawn of the third millennium: Tokyo 2010, Edinburgh 2010, Cape Town 2010, 2010Boston, and CLADE V (San José, 2012). These five events provide a window into the state of world Christianity and contemporary missiology. Missiologist Allen Yeh, the only person to attend all five conferences, chronicles the recent history of world mission through the lenses of these landmark events. He assesses the legacy of Edinburgh 1910 and the development of world Christianity in the following century. Whereas Edinburgh 1910 symbolized Christendom's mission from the West to the rest, the conferences of 2010-12 demonstrate the new realities of polycentric and polydirectional mission—from everyone to everywhere. Yeh's accounts of the conferences highlight the crucial missiological issues of our era: evangelism, frontier missions, ecumenism, unengaged and post-Christian populations, reconciliation, postmodernities, contextualization, postcolonialism, migration, and more. What emerges is a portrait of a contemporary global Christian mission that encompasses every continent, embodying good news for all nations.

**Ministry in the Digital Age** David T. Bourgeois, 2013-04-03 David Bourgeois offers a step-by-step guide for discerning and implementing a digital strategy in your ministry. Presenting Christianity itself as a grand communication event, he helps Christians see that the advent of electronic media is truly good news for the world.

**The Presence of God** J. Ryan Lister, 2014-11-30 God is with us. We say this in our sermons, prayers, and songs, but what does it really mean? For many Christians, the whole notion of God's presence remains vague and hard to

define. Exploring both the Old and New Testaments, professor J. Ryan Lister seeks to recover the centrality of the presence of God in the whole storyline of Scripture—a theme that is too often neglected and therefore misunderstood. In a world that longs for—yet struggles to find—intimacy with the Almighty, this book will help you discover the truth about God's presence with his people and what his drawing near means for the Christian life.

**Family-Based Youth Ministry** Mark DeVries, 2010-08-20 Have you tried all the new youth programs? Have you planned one too many wacky activities? Are you frustrated about the size of the youth group? Here's an approach to ministry that takes youth work seriously. Family-based youth ministry is about adults discipling teens one-on-one and in groups. It is about involving not just the nuclear family but the whole church family—from singles to older adults. More important, it's about incorporating youth into the life of your church. So stop worrying about the size of your youth group or your budget. Mark DeVries's refreshing approach to youth ministry will show you how your church can reach today's teens and how you can keep them involved in the life of the church. Whether you are a parent, a youth pastor or a church member who cares about teens, you will find in this book an entirely different approach to youth ministry that will build mature Christian believers.

Christian Scholarship in the Twenty-First Century Thomas M. Crisp, Steve L. Porter, Gregg Ten Elshof, 2014-09-19 The Christian tradition provides a wealth of insight into perennial human questions about the shape of the good life, human happiness, virtue, justice, wealth and poverty, spiritual growth, and much else besides -- and Christian scholars can do great good by bringing that rich tradition into conversation with the broader culture. But what is the nature and purpose of distinctively Christian scholarship, and what does

that imply for the life and calling of the Christian scholar? What is it about Christian scholarship that makes it Christian? Ten eminent scholars grapple with such questions in this volume. They offer deep and thought-provoking discussions of the habits and commitments of the Christian scholar, the methodology and pedagogy of Christian scholarship, the role of the Holy Spirit in education, Christian approaches to art and literature, and more. *Intergenerational Christian Formation* Holly Catterton Allen, Christine Lawton, Cory L. Seibel, 2023-06-13 One generation commends your works to another; they tell of your mighty acts. -Psalm 145:4 Most churches and faith communities segment their ministries by age and generation. In some congregations, people may never interact with those of other ages. But it was not always so. Throughout biblical tradition and the majority of history, communities of faith included people of all ages together in corporate worship, education, and ministry. The church was not just multigenerational; it was intergenerational, with the whole church together as one family and people of all ages learning from one another in common life. The process of becoming Christlike does not happen alone, and intergenerational faith communities are designed for Christian formation. All generations are gifted parts of the body, and churches need all the parts. In this comprehensive text, Holly Allen, Christine Lawton, and Cory Seibel offer a complete framework for intentional intergenerational Christian formation. They provide the theoretical foundations for intergenerationality, showing how learning and spiritual formation are better accomplished through intergenerational

contexts. Then the authors give concrete guidance for intergenerational praxis on how worship, learning, community, and service can all be achieved intergenerationally. Case studies of intergenerational congregations provide models for how a culture of intergenerationality can be created in local churches. This second edition has been revised and updated throughout with new empirical research, intergenerational spiritual practices, and Gen Z realities, with fresh stories of intergenerational formation both in the US and around the world. Discover the riches of intergenerational ministry, and let all generations commend the works of God to one another.

Global Diasporas and Mission Chandler H. Im, Amos Yong, 2014 The movement of people from their homelands is increasing exponentially. Such waves of both immigration and migration triggered by various factors have created new opportunities for the church and its mission. This volume explores such global diasporas from both ecclesiological and missiological perspectives. Its various case studies invite reconsideration of the missionary and evangelistic task of the church in response to contemporary global dynamics. The image of the dandelion on the front cover symbolizes diverse people groups dispersed around the globe, even as the Christian imagination views such dispersal as being carried by the winds of the Holy Spirit. For decades now, ethnic diasporas have played a critical role in spreading Christianity to new regions, while reshaping the faith in traditional centers of belief. It is extremely valuable, then, to have such an impressive and wide-ranging collection of essays on this epochal phenomenon. The book impresses by its truly global diversity of expertise, and the uniformly high quality of contributions. Indispensable. Dr. Philip Jenkins, Distinguished Professor of History, Institute for Studies of Religion, Baylor University This book makes

a valuable contribution to our understanding of a complex global phenomenon. Written by leading thinkers in the burgeoning field of 'diaspora missiology', these essays offer collectively an informed and interdisciplinary view of the world through the lens of the global diasporas. The editors have achieved in this book a balance and breadth that suits the subject at hand and situates the reader for further study of this vital aspect of human flourishing in the twenty-first century. Dr. Michael Oh, Chief Executive Officer, The Lausanne Movement In an era of unprecedented global migratory flows, the extraordinary potential of migrant movement for missionary action has emerged as a fascinating and fruitful area of research and theological reflection. In *Global Diasporas & Mission* readers are presented with bold missiological assessments of the phenomenon by an impressive global cast of scholars whose approaches encompass the theological, biblical, and historical. This rich compendium of analyses and insights covers tremendous ground and showcases the multidisciplinary nature of the growing discourse on migration and mission. Dr. Jehu J. Hanciles, Associate Professor, Brooks Chair of World Christianity, Candler School of Theology, Emory University Chandler H. Im (PhD, Fuller Theological Seminary) is Director of Ethnic America Network and Director of Ethnic Ministries at the Billy Graham Center at Wheaton College (Wheaton, Illinois, USA), and Adjunct Professor of Mission at Faith Evangelical Seminary (Tacoma, Washington, USA). Amos Yong is professor of Theology and Mission, and director of the Center for Missiological Research at Fuller Theological Seminary in Pasadena, CA.

**The Creed** Berard L. Marthaler, 1993 Newly revised and expanded, this is the perfect introduction to the beliefs of Catholicism and a unique and invaluable guide for studying the Catechism of the Catholic Church. This

revised and expanded edition of *The Creed* is highly recommended for students of Ecclesiology, Christology, Church History, and Catechetical Theology. Unique among the many commentaries on the classic formulas of Christian faith, this book does not simply relate the Nicene-Constantinopolitan Creed and the Apostle's Creed to the apostolic faith of the New Testament, but presents them in light of contemporary theological issues. The revised edition features updated, expanded text, a glossary, and enhanced bibliographic resources.

*Praying for Your Pastor* Eddie Byun, 2016-07-29 Pastors face demands and pressures on every side, but you can make a difference. Eddie Byun offers a handy, practical guide to praying for pastors, with stories of how congregational intercession changes things. When we pray for our leaders, their ministry is strengthened, the kingdom is advanced and lives and communities are transformed.

An Introduction to Biblical Ethics Robertson McQuilkin, Paul Copan, 2014-06-05 What should we do or not do? This comprehensive text on biblical ethics is completely revised, focusing on how we fulfill the purposes of God for our lives. New content includes discussions of living virtuously, ethical alternatives, bioethical issues, technology, helping the poor, animal rights, sexual ethics, and the media.

**Church Planting Movements** V. David Garrison, 2007 David Garrison, PhD University of Chicago, defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment. Garrison's *Church Planting Movements: How God Is Redeeming a Lost World* signaled a breakthrough in missionary church planting. After the publication of Garrison's book in 2004 it became impossible to talk

about missions without referencing Church Planting Movements. Church Planting Movements examines more than two-dozen movements of multiplying churches on five continents. After presenting these case studies, Garrison identifies ten universal elements present in each movement. He then broadens the circle of examination to identify a further ten common characteristics, factors identified in most, but not all, of the movements. He concludes his examination with a list of Seven Deadly Sins, i.e. harmful practices that stifle or impede Church Planting Movements. Important for evangelical readers, the author returns to his findings to see how they stand up to the light of Scripture. What he discovers is that Church Planting Movements are much more consistent with the New Testament lay-led house-church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary professional institutionalized Christianity. *So Long, Status Quo* Susy Flory, 2009 Susy Flory's Life was a Lot Like Her Couch-comfortable, inviting, and safe. Then she discovered the fascinating stories of nine extraordinary women who willingly sacrificed personal comfort and convenience for a cause greater than themselves. Their inspiring and selfless lives challenged Susy to get off her couch and embark on a quest for something more. Fueled by the desire to shape her life with passion, service, and significance, she ventured into unusual and even dangerous place and found herself working alongside local immigrant farm workers, serving needy children on a secret humanitarian mission to Cuba, feeding the homeless at midnight, and selling her jewelry to fund freshwater wells in Darfur, Sudan. Now, thanks to Rosie, Eleanor, Elizabeth, and Jane, Susy's life will never be

the same. These fascinating accounts will challenge you to examine your own life and inspire you to ask, What can I do to get God's work done in the world? Book jacket.

**Pursuing God's Will Together** Ruth Haley Barton, 2012-04-25 Logos Book of the Year Meetings can sap our energy, rupture community and thoroughly demoralize us. They can go on forever with no resolution. Or they can rush along without consensus just to get through the agenda. What if there was another way? Church boards and other Christian leadership teams have long relied on models adapted from the business world. Ruth Haley Barton, president of the Transforming Center, helps teams transition to a much more suitable model—the spiritual community that discerns God's will together. In these pages you will discover personal and group practices that will lead you into a new way of experiencing community and listening to God together.

Make It Home Before Dark Crawford W. Loritts, Jr., 2000-06-01 God calls us to live lives of holiness. But that is impossible without a close walk with Christ. **The Book of James** Derek A. Tong, 2024-04-18 Like a flash of lightning, their twenty-one-year-old son, James', life changed. Crumpled by a flat-bed truck, he barely survived. In spite of his brain injury, he was an overcomer. His children loved him dearly and did not notice his deficits. They adapted well.

They were caring and loving. James' parents, also, exhibited so much love and devotion, helping in any way they could. Benny and Daphne Carson were the model family. They had two brilliant children: an attorney and mortgage broker. Both were succeeding in their lives and families.....until one was not. Benny and Daphne's ten grandchildren added to the vibrancy and happiness in their lives. Never had things been better. October 23, 2020. Hello, tragedy. Goodbye, James. Their son had left. Death had overtaken him. May you experience God's peace and comfort as you read this memoir, *The Book of James: The Brain Injury, Life, and Legacy of James Carson*. We hope your personal feelings and experiences with grief and loss will be lessened. This memoir showcases the love and power and comfort of Christ in the face of death. It highlights the opportunities that can unfold in your lives because of obedience, even in the midst of heart-wrenching pain. God is not finished with James' parents, nor is He you. May *The Book of James* point you to the cross and help you live a life of gratitude.
