Winter in Paradise Elin Hilderbrand, 2018-10-09 A husband's secret life, a wife's new beginning: escape to the Caribbean with #1 New York Times bestselling author Elin Hilderbrand. Irene Steele shares her idyllic life in a beautiful Iowa City Victorian house with a husband who loves her to sky-writing, sentimental extremes. But as she rings in the new year one cold and snowy night, everything she thought she knew falls to pieces with a shocking phone call: her beloved husband, away on business, has been killed in a helicopter crash. Before Irene can even process the news, she must first confront the perplexing details of her husband's death on the distant Caribbean island of St. John. After Irene and her sons arrive at this faraway paradise, they make yet another shocking discovery: her husband had been living a secret life. As Irene untangles a web of intrigue and deceit, and as she and her sons find themselves drawn into the vibrant island culture, they have to face the truth about their family, and about their own futures. Rich with the lush beauty of the tropics and the drama, romance, and intrigue only Elin Hilderbrand can deliver, *Winter in Paradise* is a truly transporting novel, and the exciting start to a new series. I will just say that, 24 hours after I started this book, I purchased its sequel, *What Happens in Paradise*, and I did not leave either book to be enjoyed by strangers at the end of my vacation. -Elisabeth Egan, New York Times

Dristlemore Brian Moniz, 2006-11 Throughout the world of Gandril, there are dozens of small, peaceful villages like Geddington. Tucked away in the countryside, far from the affairs of kings, queens, and politics, the people of Geddington are safe from the dangers and hostilities of the world-or so they believe. Soldiers serving the Twilight Union come to Geddington in search of a mysterious man named Dristlemore, keeping their reasons private. But Dristlemore is sought by the powerful sorcerer Lord Mydoc for a far more sinister purpose-to be eliminated by whatever means necessary. In a vicious raid, Geddington is burned to the ground, and its people are butchered like livestock. When the horror finally ends, only three survivors and one cryptic letter remain. Alone and with nowhere to go, the three survivors follow their only clue in the mysterious letter, hoping to find answers and learn the identity of Dristlemore.

Let's Misbehave Lisa Plumley, 2014-12-01 * named one of Booklist magazine's Top 10 Romances * awarded 4½ stars Top Pick! from Romantic Times magazine * selected as a finalist for the Booksellers Best Award in the single title/mainstream category Plumley not only delivers a fun-filled premise, clever dialogue and a delightfully sexy sports-loving hero, she brings to life a memorable, hilarious and utterly unique heroine readers will adore. This is pure romantic fantasy and an absolutely entertaining novel from start to finish. -Romantic Times (4½ stars Top Pick!) With no skills besides scoring the perfect stilettos, maxing out her credit card, and partying till dawn, Marisol Winston is about to get a lesson in the real world-and in

love... After years of perfecting her party-girl image, Marisol wants to open an L.A.-based deluxe boutique. Unfortunately her father refuses to foot the bill until she agrees to do a stint in shopaholic rehab. Surely she can survive a few weeks without Dior, right? But part of Marisol's anti-retail remedy entails getting a real job as a nanny/housekeeper in Podunkville, Arizona. Suddenly she's knee-deep in PB&Js and dirty laundry, surprised to find herself just a teensy bit smitten with her three sticky-fingered charges—and their deliciously distracting Dad (even if he does wear discount denim). Quarterback Cash Connelly has one last shot at being re-signed to the pros, which means he needs a nanny who runs a tight ship. Marisol seems to know way more about Tiffany's than T-ball, and she has more miniskirted sex appeal than is strictly necessary for laundering jockey shorts. But his kids seem positively smitten. Well, who wouldn't love a woman who serves up ice cream for breakfast? Now if only Cash can find a way to stick to his strict hands-off-the-nanny policy... Once again, Plumley shows her fine flair for comedy as Marisol learns that there is life beyond Rodeo Drive, and the Connelly triplets discover that they can't scare away every nanny. Full of witty dialogue and hilarious situations, this romp with a heart is certain to please readers. —Booklist (starred review; named one of the Top 10 Romances of 2007) A domestically challenged but inventive heroine who rises to the occasion and a father desperate for someone to take his family in hand unsuccessfully fight their attraction to each other in this funny, heartwarming story that is all the richer for the three endearing sprites who keep things hopping. —Library Journal Lisa Plumley always gifts her readers with delightful stories that are so much fun to read. But I have to admit, Let's Misbehave is one of my favorites. It's the most charming story, brimming with characters with warm hearts and bright spirits. It's a keeper. Enjoy! —Fresh Fiction Let's Misbehave is a most delightful story! Marisol and Cash go about sorting out the real things in life that matter, making this a delicious page-turner. —Coffee Time Romance Let's Misbehave is funny, romantic, heart warming, and sexy. It's fantastic! —Joyfully Reviewed (recommended read) Let's Misbehave is fast-paced, funny and full of heart...a sexy, fun romp that is highly entertaining! —Romance Reader at Heart (Four-Rose Read!) An entertaining story I couldn't put down. I highly recommend Let's Misbehave! —Romance Junkies (4½ blue ribbons rating) Ms. Plumley brings together two people who couldn't be more opposite and has sexual tension fogging up the windows—really! Let's Misbehave is aptly titled as this couple does just that. It's a laugh out loud tale, but also has a tender side. It's a joy to read, and one you do not want to miss! —Romance Reviews Today Lisa Plumley always delivers smart, sassy and fun filled stories but her latest lighthearted romantic comedy is one of her best. Let's Misbehave is another clever and captivating confection created by an author who knows how to spin a charming tale. —Bookloons Let's Misbehave is a funny, whimsical, light-hearted romance that reels you in from page one. Each character is charming, realistic, and very likeable! —Roundtable Romance Reviews
