Steven Mosher, Thomas W. Fuller

Climategate Steven Mosher, Thomas W. Fuller, 2010 The Climategate scandal covered from beginning to end--from 'Hide the Decline' to the current day. Written by two authors who were on the scene--Steven Mosher and Tom Fuller--Climategate takes you behind that scene and shows what happened and why. For those who have heard that the emails were taken out of context--we provide that context and show it is worse when context is provided. For those who have heard that this is a tempest in a teacup--we show why it will swamp the conventional wisdom on climate change. And for those who have heard that this scandal is just 'boys being boys'--well, boy. It's as seamy as what happened on Wall Street.
