Dark Dude Oscar Hijuelos,2009-03-12 He didn't say good-bye. He didn't leave a phone number. And he didn't plan on coming back - ever. In Wisconsin, Rico could blend in. His light hair and lighter skin wouldn't make him the dark dude or the punching bag for the whole neighborhood. The Midwest is the land of milk and honey, but for Rico Fuentes, it's really a last resort. Trading Harlem for Wisconsin, though, means giving up on a big part of his identity. And when Rico no longer has to prove that he's Latino, he almost stops being one. Except he can never have an ordinary white kid's life, because there are some things that can't be left behind, that can't be cut loose or forgotten. These are the things that will be with you forever.... These are the things that will follow you a thousand miles away. For anyone who loved The Outsiders -- and for anyone who's ever felt like one -- Pulitzer Prize-winning novelist Oscar Hijuelos brings to life a haunting choice and an unforgettable journey about identity, misidentity, and all that we take with us when we run away.

Politics and Politicians in Contemporary US Television Betty Kaklamanidou,Margaret Tally,2016-10-04 Bringing together well-established scholars of media, political science, sociology, and film to investigate the representation of Washington politics on U.S. television from the mid-2000s to the present, this volume offers stimulating perspectives on the status of representations of contemporary US politics, the role of government and the machinations and intrigue often associated with politicians and governmental institutions. The authors help to locate these representations both in the context of the history of earlier television shows that portrayed the political culture of Washington as well as within the current political culture transpiring both inside and outside of The Beltway. With close attention to issues of gender, race and class and offering studies from contemporary quality television, including popular programmes such as The West Wing, Veep, House of Cards, The Americans, The Good Wife and Scandal, the authors examine the ways in which televisual representations reveal changing attitudes towards Washington culture, shedding light on the role of the media in framing the public’s changing perception of politics and politicians. Exploring the new era in which television finds itself, with new production practices and the possible emergence of a new ‘political genre’ emerging, Politics and Politicians in Contemporary U.S. Television also considers the ‘humanizing’ of political characters on television, asking what that representation of politicians as human beings says about the national political culture. A fascinating study that sits at the intersection of politics and television, this book will appeal to scholars of popular culture, sociology, cultural and media studies.

George Farquhar David Roberts,2018-07-26 George Farquhar (1677-1707) is one of the most successful and enduringly popular Restoration playwrights. His two masterpieces, The Recruiting Officer and The Beaux' Stratagem, are still regularly performed today. Yet aspects of Farquhar's biography, and in particular his Irish roots and family life, have remained obscure. This is the first study to treat Farquhar's works as documents of migration and the fragmented identity that resulted. Told in reverse chronological order, beginning with Farquhar's last and best-known works, it reveals previously undiscovered material about his life and connections. Born in Londonderry, Farquhar arrived in London at the end of the 1690s but struggled throughout his life to find acceptance in the English literary culture. David Roberts explores how Farquhar used comedy to negotiate his Anglo-Irish Protestant identity while perpetually being treated as an outsider. George Farquhar: A Migrant Life Reversed challenges traditional critical thinking on historiographic approaches to scholarly biography and offers a complex but highly readable account of the interpenetrating pasts, presents and futures of the migrant writer.
