Finding Ultimate Reality David W. Gooding, John C. Lennox, 2018-11-16 We need a coherent picture of our world. Life's realities won't let us ignore its fundamental questions, but with so many opposing views, how will we choose answers that are reliable? In this series of books, David Gooding and John Lennox offer a fair analysis of religious and philosophical attempts to find the truth about the world and our place in it. By listening to the Bible alongside other leading voices, they show that it is not only answering life's biggest questions—it is asking better questions than we ever thought to ask. In Book 2 - Finding Ultimate Reality, they remind us that the authority behind ethics cannot be separated from the truth about ultimate reality. Is there a Creator who stands behind his moral law? Are we the product of amoral forces, left to create moral consensus? Gooding and Lennox compare ultimate reality as understood in: Indian Pantheistic Monism, Greek Philosophy and Mysticism, Naturalism and Atheism, and Christian Theism.

**Being Truly Human** David W. Gooding, John C. Lennox, 2018-07-06 We need a coherent picture of our world. Life's realities won't let us ignore its fundamental questions, but with so many opposing views, how will we choose answers that are reliable? In this series of books, David Gooding and John Lennox offer a fair analysis of religious and philosophical attempts to find the truth about the world and our place in it. By listening to the Bible alongside other leading voices, they show that it is not only answering life's biggest questions—it is asking better questions than we ever thought to ask. In Book 1 - Being Truly Human, Gooding and Lennox address issues surrounding the value of humans. They consider the nature and basis of morality, compare what morality means in different systems, and assess the dangerous way freedom is often devalued. What should guide our use of power? What should limit our choices? And to what extent can our choices keep us from fulfilling our potential?

*Savannah in History* Rodney Carlisle, Loretta Carlisle, 2019-05-01 Savannah in History features over 90 sites in Savannah, Georgia, presented organized by historical era, with over 100 color photos. This presentation is especially important for a city with a long and varied history like Savannah, where colonial sites are virtually next door to antebellum, Civil War, and important modern sites. This guidebook conveys a clear picture of the evolution of the city from its beginnings to the present and helps the tourist, and even the resident, unravel and understand the dozens of historic buildings and monuments and several excellent museums. Like the others in this series on St. Augustine, Key West, Charleston, and Tampa, it serves as both a guidebook and keepsake.

**100 Things to Do in Savannah Before You Die, All New** Lynn and Cele Seldon, 2020-03-15 With tree-lined squares dripping with Spanish moss, cobblestoned streets down by the river, and popular trolley tours, Savannah has become a darling of the Southeast United States. International Financial Statistics, December 2014 International Monetary Fund. Statistics Dept.,2014-12-01 The IMF's principal statistical publication, International Financial Statistics (IFS) Online, is the standard source of international statistics on all aspects of international and domestic finance. For most countries, IFS Online reports data on balance of payments, international investment position, international liquidity, monetary and financial statistics, exchange rates, interest rates, prices, production, government accounts, national accounts, and population. Updated monthly.

*International Financial Statistics, January 2015* International Monetary Fund. Statistics Dept.,2015-01-05 This monthly issue of International Financial Statistics (IFS) contains country tables for most IMF members, as well as for Anguilla, Aruba, the Central African Economic and Monetary Community, Curaçao, the currency union of Curaçao and Sint Maarten, the Eastern Caribbean Currency Union, the euro area, Montserrat, the former Netherlands Antilles, Sint Maarten, the West African Economic Monetary Union, West Bank and Gaza, and some non-sovereign territorial entities for which statistics are provided internationally on a separate basis. Exchange rates in IFS are classified into three broad categories, reflecting the role of the authorities in determining the rates and/or the multiplicity of the exchange rates in a country. The three categories are the market rate, describing an exchange rate determined largely by market forces; the official rate, describing an exchange rate determined by the authorities—sometimes in a flexible manner; and the principal, secondary, or tertiary rate, for countries maintaining multiple exchange arrangements.

*Romancing the Roads* Gerry Hempel Davis,2015-11-15 This newly updated compendium of facts, observations, discoveries, reviews, serendipities, humor, experiences, and more is not only for the road traveler, but the armchair traveler as well. It reads not as a phone directory but more as a shared diary of discoveries along America's highways and byways. Unless otherwise noted, the author has visited every place mentioned, from Bud's Discount Center in Jasper, Alabama to the Waldorf Astoria hotel in New York. Even if you never get in the car and discover such wonders for yourself, you will enjoy this vicarious journey to places both sublime and ordinary as the author makes her way from Maine to Florida and west to the Mississippi River.

*Unique Eats and Eateries of Savannah* Rebekah Faulk Lingenfelser,2024-04-01 Hailed as one of the South's best food cities, Savannah, Georgia, is renowned as one of the nation's most popular destinations to celebrate St. Patrick's Day, the oldest and most haunted city in the state, the only city General William T. Sherman didn't burn on his March to the Sea during the Civil War, and is the birthplace of Juliette Gordon Low, founder of the Girl Scouts of the USA. It's where Forrest Gump and countless other movies have been filmed. But did you know, Savannah is also home to the original chicken finger and Georgia's smallest pie house and pub? With breathtaking coastal landscapes marked by ancient oaks, sweeping Spanish moss, cobblestone streets, and horse-drawn carriages, the Hostess City of the South is the third-busiest port in the nation, with a charming reputation for Southern hospitality and an eclectic personality as deep and wide as the Savannah River. Just as unique as founder James Oglethorpe's original downtown design of 24 squares, Savannah's ever-evolving food scene will surprise and delight, challenge and inspire, and most assuredly leave you hungry and thirsty for more. Which Irish pub do you visit to dance the night away and sing karaoke at the top of your lungs? What Mexican restaurant has the best Cinco de Mayo party and the largest tequila selection? Just how did the Olde Pink House become pink?

Where do you go to eat truly local Savannah seafood or to find Savannah-style barbecue? In *Unique Eats and Eateries of Savannah*, get the answers to these questions and meet the friendly faces behind the food with local author and Georgia native Rebekah Faulk Lingenfelser as your personal guide.
