Throughout IRS Publication 17 are examples showing how the tax law applies in typical situations. Also, throughout IRS Publication 17 are flowcharts and tables that present tax information in an easy-to-understand manner. Additionally, the IRS has included a What's New section to summarize important federal income tax changes that took effect in 2015. IRS provides information about the Affordable Care Act (ACA), Achieving a Better Life Experience (ABLE) act, tax credits, and expired tax benefits in this section. There are additional resources at the end of the publication for tax questions not covered in this publication. Individual U.S. taxpayers, high school aged through adult, corporate tax accountants assisting individuals with preparations for annual Federal income tax submissions, and public library reference resource centers may be interested in this official IRS Publication.
