**Joy's Cooking In Montana** Joy Langstaff,2011-10-13 Joy's Cooking In Montana was composed, as so many recipes are, out of need. I had no experience cooking wild game. I learned as I went along, experimenting and keeping track of what worked and what did not work. I wrote everything down and slowly compiled quite a list of recipes. The result is this book that I would like to share with you. Each recipe has been tried and tested and is truly a wonderful meal when followed as written. I hope you and your family will enjoy these recipes as much as my family and I have. Enjoy!

*If Only They Could Talk* Bonnie Jones Reynolds,Dawn E. Hayman,2010-03-04 Welcome to Spring Farm, where animals and people come together -- to explore their own natural ability to communicate with each other.... Something magical is happening on a small farm in upstate New York. Animals of all shapes and sizes are living side by side -- talking, listening, learning, and loving -- along with caring people who have come to learn the secrets of interspecies communication. It's a gift that all of us are born with, as long as we're willing to open our hearts and minds to the gentle creatures who share our world. This is what happened at Spring Farm when two very special women gave shelter to animals that were sick or abandoned. As trust and affection grew between them, so did their capacity to exchange feelings and thoughts. Today, the miracle of Spring Farm CARES is shared through communication workshops for visitors, students, and animal lovers. So come discover the magic of Spring Farm. Humans are more than welcome.... You'll meet Ricardo the duck, who explains that he won't leave his warm nest in a nearby chimney even if the house owners disapprove...Chubby the horse, who shares her feelings of despair when her barn catches fire...Elvis the kitten, who wiggles like a rock star...Sugar the Shetland pony, who dedicates a poem to her long-lost herd...and a whole menagerie of mouse-friendly cats, loving llamas, gregarious guinea pigs, delightful dogs, and other amazing critters.

*Take the Slow Road: Spain and Portugal* Martin Dorey,2023-06-08 The ultimate guide to the very best scenic and fun routes for camper vans and motorhomes around the mountains, coastlines and winding roads of beautiful Spain and Portugal. Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer (whatever that is). Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a motorhome, of course. In this book we define the best driving routes around Spain and Portugal for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around Spain and Portugal on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers; for walkers, culture-buffs, sea-swimmers and sun-worshippers. We include the steepest, the bendiest, the most picturesque and most interesting. And you don't even have to own a camper van or motorhome – we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through on a cold day and plan your next outing, you'll be transported (albeit slowly) to cobbled streets, beaches, mountains and winding roads that make you want to turn the key and go, go, go!
