**God Has Promised** Ellen G. White,1982 Excerpts from the writings of one of the principal founders of Seventh-Day Adventism offer guidance on such problems as loneliness, temptation, discouragement, and loss of faith.

*Power of Prayer* Ellen G. White,2011-05-04 What is more important in this life than prayer? Prayer is our connection with God--our strength, our bridge to heaven!It is when men begin to call upon the name of the Lord that they find Him. We are told that He hearest prayer. What a promise the is! As we pray, the Holy Spirit Himself unites in our petition s and maketh intercession for us. We are not alone in the battle of life; all heaven is on our side!Each of these 80 sections (containing one to three pages each) are compiled from Ellen G. White's writings. Her quotes bring together in one book all that she had to say on prayer. Topics include: The Privilege of Prayer, The Early and Latter Rain, Goals for Prayer, and Prayer Defeats Satan.

**Lift Him Up** Ellen G. White,2011 This collection of selected works by master Bible commentator Ellen G. White will recalibrate and revive your spirit, helping you to reconnect intimately with Jesus in new ways and bringing you peace, hope, and joy that will last for an eternity.

**Living the Life of Enoch** Ellen Gould Harmon White,2012-04 People tell us it is too late to warn of dangers, too late to give the final message to the world, too late to expect others to respond to the pleadings of the Word of God as are presented to them. Oh my friends, it is not too late. We must strive and urge and plead and warn until the very day that probation ends for mankind. We are to live the Enoch life! This is our commission. And this is a twofold work-to develop a character of righteousness by living a life of personal purity and pleading with God; to teach a lesson of godliness by kindly acts and warning and pleading with men.

**True Revival** Ellen G. White,2010 Calls for a revival -- Conversions: fake or real -- How to be a born-again Christian -- God has rules, too -- The balance in faith and works -- Saved only in Christ--Beware the counterfeits -- It's still a fight --Safeguarding the new experience -- Special appeals in public ministry.

**Seventh-Day Adventists, Ellen G. White, and Salvation** R. Van Orden,2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh-Day Adventist Church. Why is it that so many Seventh-Day Adventists do not have the assurance of salvation? What criteria in the Bible and what specifically in Ellen G. White's writings might lead someone to believe they were not fit for heaven, that they did not qualify to be there, that God would not forgive them, and there was more required than just relying on Jesus's sacrifice to cover their sins? If they did not meet a strict set of rules, would God cast them aside in the end? In this book, you will find out just who are the saved, who are the lost, and what happens to them in the end and what end-times will look like according to Ellen G. White and the SDA Church. The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven-year period in the preparation of this book. It is the author's hope and prayer that this book will make the reader question, not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace.

**The Ellen G. White Encyclopedia** Denis Fortin,Jerry Moon,2014-04-08 Everything About Ellen G. White in One Resource This masterwork brings together hundreds of articles that describe the people and events in the life of Ellen White, as well as her stand on numerous topics. Ellen G. White A Psychobiography Steve Daily,2020-12-16 This explosive work contains a great deal of highly documented material on the life and movement of Ellen G. White that Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and psychology are the primary disciplines employed. It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet’s mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers will feel that you are writing to them, and makes the book of increased value. There is the same question with Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, Inside the Mind of Joseph Smith: Psychobiography and the Book of Mormon I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of History, University of Wisconsin-Madison, author, Prophetess of Health

This Was Hollywood Carla Valderrama,2020-11-17 In this one-of-a-kind Hollywood history, the creator of Instagram's celebrated @ThisWasHollywood reveals the forgotten past of the film world in a dazzling visual package modeled on the classic fan magazines of yesteryear. From former screen legends who have faded into obscurity to new revelations about the biggest movie stars, Valderrama unearths the most fascinating little-known tales from the birth of Hollywood through its Golden Age. The shocking fate of the world's first movie star. Clark Gable's secret love child. The film that nearly ended Paul Newman's career. A former child star who, at ninety-three, reveals her #metoo story for the first time. Valderrama unfolds these stories, and many more, in a volume that is by turns riveting, maddening, hilarious, and shocking. Drawing on new interviews, archival research, and an exhaustive library of photographs, This Was Hollywood is a compelling and visually stunning catalogue of the lost history of the movies.

A Physician Explains Ellen White's Counsel on Drugs, Herbs, and Natural Remedies Mervyn G. Hardinge,2001

Healthful Living Ellen G. White,1994-10 Healthful Living was originally published by the Medical Missionary Board, Battle Creek, Michigan, under the title Instruction Relating to the Principles of Healthful Living.So popular when it first came out that it became necessary to come out with a second and then a third edition the first year.We have reproduced this 1898 third edition which also contained two additional chapters, God in Nature and The Spirit Filled Life.In the third edition an appendix of parallel Scripture references was included. This Scripture referenced appendix will be found exceedingly helpful in making clear to the mind of the reader the fact that the principles presented in this work are not mere human inventions; but are a part of the divine order appointed for the human family at the beginning, and which is to be restored when all things are made new.Wherever it has been received, this book has been recognized as a veritable storehouse of seed thoughts relating to the great practical themes with which it deals.

**Stories of My Grandmother** Ella M. Robinson,1995 A granddaughter's reminiscences of life with her grandmother, Ellen G. White.

**Ministry to the Cities** Ellen Gould White,2012 Jesus' admonition to go and make disciples of all nations (Matthew 28:19, NIV) resonates in the hearts of those who love Him supremely. Every individual must be given the opportunity to choose between life and death. This volume is a call to action-a plea for believers to work for their Savior by bringing the gospel to the millions of people in the city, strategies, methods, selecting and training workers, and lessons from Scripture. Yes, the work will require much effort, especially in our day and age. But Ellen G. White doesn't mince words: "Do not hover over the churches to repeat over and over again the same truths to the people, while the cities are left in ignorance and sin, unwarned and unlabored for" (The Upward Look, p. 274). Book jacket.

*Fear Not, Little Flock* Ellen Gould Harmon White,2004-01-01 The Eastern shepherd does not drive his sheep. He depends upon force or fear; but going before, he calls them. They know his voice, and obey the call. So does the Saviour-Shepherd with His sheep...It is not the fear of punishment, or the hope of everlasting reward, that leads the disciples of Christ to follow Him. They behold the Saviour's matchless love, revealed throughout His pilgrimage on earth, from the manger of Bethlehem to Calvary's cross, and the sight of Him attracts, it softens and subdues the soul. Love awakens in the heart of the beholders. They hear His voice, and they follow Him. -The Desire of Ages, p. 480This lovely new devotional book compiled from the writings of E. G. White is a wonderful overview of key points in the New Testament - full of challenge and encouragement to aspire to higher ground in your walk to Jesus.
