The NIV Revolution Bible ebook equips you to be a revolutionary—living your faith on the edge, challenging things that need to be challenged, discovering new possibilities, and helping others to discover them as well. Like no other Bible ebook you have ever read, NIV Revolution is for today's teen guy living in a messy world. God knows all about this world—he is the authority when it comes to understanding relationships, communication, sex, parents, popularity, peer pressure, drugs, divorce, and everything else teenagers face. He also knows what makes you tick, loves you more than you can ever imagine, and wants you to experience a life of purpose, responsibility, and impact. A revolution of the heart isn't about how confident, strong, or popular you are. It's about what God can do in you and through you. He can revolutionize your relationships, your opportunities, and the whole course of your life. He can use you to change the world around you. Are you ready to find out how? Then look inside, and let the revolution begin. This Bible ebook strengthens you and hones your spiritual revolutionary edge: Battlelines show you how other teen guys deal with relationships, sex, drug abuse, and other real-life issues; Match-Ups pit the good guys against the bad guys of the Bible to uncover winning—and losing—approaches to life; Live the Revolution notes show you how to change your life and revolutionize your impact on others. And there's plenty more—enough to help you make a kingdom-difference in the world around you. Fill your hands with Revolution. It will open your eyes, strengthen your courage, and guide you like a compass toward a life worth living.

How to Be a Bad Boy Kent Lamarc,2017-06-06 There are many guys out there suffering with the nice guy syndrome, really lots of men. And the reason why so many men suffer from this disease, which brainwashes them with totally false ideas on women, is related to the media, falsehoods spread, fundamentally, by feminists, and even bad parenthood. Many men actually believe that women will love them more if they're friendly and nice. And well, while being a total douchebag isn't socially acceptable, there's more gold into it than anyone would ever like to make you believe. And even though I don't consider myself a douchebag, I did have to interview the best ones I ever met to get further information on how to be a bad boy. This book is based on a compilation of interviews made to three of the greatest douchebags I ever met. All of the interviewed players were dating multiple women at the same time, had a fulfilling sex life, and were able to pull in super hot women, and mostly super models. Now, none of them looks very impressive or even super handsome, and that's exactly what makes them interesting. They seem like any regular guy you could meet out there, and yet, they know things that nobody does. Two of them are married and were married at the time of this interview, and cheated on their gorgeous wives. That's precisely what makes them such interesting characters. Their thoughts on women are so unique that this book will make you think quite a lot about their conclusions. But foremost, what you will read here will change you for life, and make you understand what it really means to be a bad boy, what it means not to be nice but be wanted and loved by every women at the same time. You will finally find here the biggest secret to why women love bad boys so much and why they're so addicted to them.

The Guide to the Regular Guy Jim Martens,1997-01-01

Confessions of a Middle-Aged Short Guy with No Game Vince Guaglione,2018-08-05 Dating in 2018 is difficult for many singles, but if you're a short, average looking middle-aged guy with no real game, it's even harder to get the attention of single women. The average Joe is considered to be vanilla, or bland, and doesn't stand out in a crowd. He doesn't have any outwardly discerning high-value qualities, and that makes it difficult for him to thrive in a competitive dating world; one where his opportunities are sometimes limited. It's difficult for average guys to figure out why they aren't having the success they desire, but when taking that hard look in the mirror, they can't help give more than a passing thought to what they have always suspected to be the truth: It has to be me. If you've ever heard a woman say: I'm sorry but I don't date anyone shorter than me. I need a really strong guy. I mean, you're not jerk and all, and that's a good thing, but... You aren't the type of guy I'd normally go out with. You're such a nice guy but I think we'd be better as friends. then this is a must read. As men, we are not expected to feel or show emotion, especially when it comes to dating and handling rejection. But deep inside, we worry just as much as women about how we are perceived. After repeated rejections, our emotions overwhelm us. We feel upset, hurt, frustrated, dejected, helpless, and have many times asked ourselves silently, Is it really me? It most certainly is. But there is hope. In this book, Vince Guaglione authentically shares his less-than-optimal, real-world dating experiences as a short, average-looking guy with no real game, goes on a fact-finding mission to learn what qualities truly matter to single women, and investigates both the social aspects of the singles world and the dynamics between the sexes, in an effort to learn what they reveal about dating as a whole. It's a book that empathizes with the plight of the average Joe. It lends an ear, provides support, offers encouragement, and dispenses concrete advice. But most of all, it gives this problem context for guys who have always suspected that their height, looks, and lack of game has negatively impacted their dating lives. Written primarily for the average Joe who struggles to attract dates, it also is relevant for those who are interested in understanding the real issues faced by these guys while navigating the sometimes turbulent and uncharted waters of the dating pool.

Golden Fool Robin Hobb,2003-12-09 “Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons.”—George R. R. Martin Prince Dutiful has been rescued from his Piebald kidnappers and the court has resumed its normal rhythms. There FitzChivalry Farseer, gutted by the loss of his wolf bondmate, must take up residence at Buckkeep as a journeyman assassin. Posing as a bodyguard, Fitz becomes the eyes and ears behind the walls, guiding a kingdom straying closer to civil strife each day. Amid a multitude of problems, Fitz must ensure that no one betrays the Prince's secret—one that could topple the throne: that he, like Fitz, possesses the dread “beast magic.” Only Fitz's friendship with the Fool brings him solace. But even that is shattered when devastating revelations from the Fool's past are exposed. Bereft of support and adrift in intrigue, Fitz finds that his biggest challenge may be simply to survive. Praise for Robin Hobb and Golden Fool “[Robin Hobb] ranks near the top of the high fantasy field. . . . [She] juggles all the balls with aplomb, besides providing spot-on characterizations.”—Publishers Weekly “Solid storytelling with warmth and heart.”—The Kansas City Star
