Building Big Profits in Real Estate Wade Timmerson,Suzanne Caplan,2004-07-20 Everyday, people just like you have a real chance to make serious money in real estate. All it requires is the discipline to purchase good property and the motivation to make new purchases that will create growing equity. Filled with in-depth insights and practical advice, Building Big Profits in Real Estate will show you the right way to invest in real estate. A successful stock market investor may need to perform extensive research to make a profit, but becoming a successful real estate investor can be more complex and far more hands-on, especially when you're just getting started. The good thing about real estate is that it offers more security as well as greater upside potential than any other investment--mainly because the value of property never goes to zero (unlike some recent stocks) and real estate prices often continue to go up even when general economic conditions are soft. Building Big Profits in Real Estate focuses on the sound strategies that everyone needs to understand before they invest in real estate. It covers important topics, such as analyzing markets, financing your projects, purchasing rental property, managing a real estate portfolio, finding new ways to invest, and understanding wholesale markets. It also reveals some of the most overlooked opportunities in the real estate market, including Section 8 rentals, wholesaling properties, and selling houses on a rent-to-own basis.

How to Buy and Manage Rental Properties Irene Milin,Mike Milin,1988-06-15 Mike and Irene Milin are the world's most successful couple in real estate education, the Dynamic Duo whose amazing sellout seminars in real estate management have shown thousands across the country how to find, purchase, and rent properties -- and let their tenants do the work! Now the Milins have put their practical, time-tested techniques into a book, How to Buy and Manage Rental Properties. They show you how to use the Milin Method to avoid problems and expenses while keeping the money coming in -- the Milin promise is financial freedom in two to three years! How to Buy and Manage Rental Properties will show you how you can get tenants involved in the maintenance of your rental properties -- the remarkable hands-off strategies that put your properties on auto pilot, leaving you the time to achieve more as a real estate entrepreneur. Their program covers in detail all aspects of buying, financing, maintaining, and renting properties, including: * Managing people, not property * Buying right to manage right * Rental interviews

and agreements * Keeping good tenants, and getting rid of bad ones * Bookkeeping, taxes, and property tracking * Real estate agents and property sales * Equity sharing and partnerships It's all here in a guide you can easily read and refer to -- the best, most comprehensive program of buying and rental techniques ever developed, detailing sound and sensible ways to protect your investments and get the most out of your properties with the least trouble.
