*Elvis at 21 [Limited Edition]* Alfred Wertheimer,2006-11-14 In 1956, a twenty-one-year-old Elvis Presley was at the beginning of his remarkable and unparalleled career and photographer Alfred Wertheimer was asked by Presley's new label, RCA Victor, to photograph the rising star. With unimpeded access to the young performer, Wertheimer was able to capture the unguarded and everyday moments in Elvis' life during that crucial year, a year that took him from Tupelo, Mississippi to the silver screen, and to the verge of international stardom and his crowning as The King of Rock 'n' Roll." As Alfred Wertheimer photographed Elvis during 1956, and again in 1958, he created classic images that are spontaneous, unrehearsed and completely without artifice. Wertheimer's photographs of Elvis are extraordinary and he appears almost ethereal, whether reading a newspaper while waiting for a cab, or washing his hands during one of his many train trips. After 1958 and Elvis' induction into the army, the world seemingly forgot about Wertheimer's magical photographs- for nineteen years- until Aug 16, 1977, the day Elvis died and Time Magazine called. "The phone hasn't really stopped ringing in the last thirty years," observes Wertheimer. Many of the photographs in this visual treasury are previously unpublished and some have become almost as famous as the man himself. Limited edition features: 1,500 copies, comes in a clamshell box with a signed photograph and contact sheet, clothbound portfolio case containing four limited edition photographic prints (11 x 14), and an exclusive edition of Elvis Ships Out (a 48 page, cloth bound, 8 x 10, keepsake archive of Elvis' stint in the US Army).

*Fad Mania!* Cynthia Overbeck Bix,2014-10-01 College students crammed into phone booths. Couples dancing until they drop. Daredevils swallowing one live goldfish after another. Streakers dashing naked down the street. Planking and flash mobs and robotic pets. These are just some of the crazy fads that have caught hold in the United States over the last century. Where do these ideas come from and why do they catch people's imagination? Fads reflect the mood and spirit of a particular time, and they offer insight into a nation's culture. The 1950s, for example, was a time of economic prosperity and technological development. Americans expressed their delight in new inventions in many creative ways. One popular craze on college campuses was to stuff as many people as possible into a phone booth. On one campus, twenty-five people managed to squeeze into a single booth! In earlier decades, marked by the Depression and World War II, dance marathon frenzy caught on. Promoters lured couples with promises of fame and monetary prizes for those who could dance for hundreds, sometimes thousands, of hours. And great ideas never die. Almost one hundred years later, dance marathons came back. One creative variation, the flash mob dance, attracts spontaneous performances that range from flash mob wedding dances to "Gangnam Style K-Pop flash mobs in cities all over the world. Fad Mania! explores a century of American crazes, offering an entertaining and informative look at the major historical events of each decade and the fads that defined them. As you learn more about smiley buttons and Webkinz, you may just be able to predict this decade's next craze!
