Mastering Emacs Mickey Petersen,2015-05-26

The Semiotics of Emoji Marcel Danesi,2016-11-17 Shortlisted for the BAAL Book Prize 2017 Emoji have gone from being virtually unknown to being a central topic in internet communication. What is behind the rise and rise of these winky faces, clinking glasses and smiling poos? Given the sheer variety of verbal communication on the internet and English's still-controversial role as lingua mundi for the web, these icons have emerged as a compensatory universal language. The Semiotics of Emoji looks at what is officially the world's fastest-growing form of communication. Emoji, the colourful symbols and glyphs that represent everything from frowning disapproval to red-faced shame, are fast becoming embedded into digital communication. Controlled by a centralized body and regulated across the web, emoji seems to be a language: but is it? The rapid adoption of emoji in such a short span of time makes it a rich study in exploring the functions of language. Professor Marcel Danesi, an internationally-known expert in semiotics, branding and communication, answers the pertinent questions. Are emoji making us dumber? Can they ultimately replace language? Will people grow up emoji literate as well as digitally native? Can there be such a thing as a Universal Visual Language? Read this book for the answers.

How to Speak Emoji Fred Benenson,2016-09-06 Text the pizza emoji with a question mark, and you've got dinner sorted out. Don't know what to use when you're running late, or when you want to organize a fun night out? How to Speak Emoji will help you win at texting. Featuring everyday greetings, pickup lines, workplace expressions, and tried-and-true insults, this book is perfect for the novice user or those looking to test their knowledge. With a collection of useful and hilarious phrases and a handy dictionary to demonstrate what the emojis really mean, you'll never feel out of your depth again - or make the embarrassing mistake of putting an eggplant symbol next to a peach. Includes sections such as everyday greetings, in the workplace, in relationships and asking for help and directions, as well as how to translate song titles and film quotes, this is your complete guide to the bright new world of the emoji.

The Ultimate Emoji Sticker Activity Book Malcolm Croft,2016-12-06 See the world as you've never seen it before...emojified! The perfect gift for any emoji-mad member in your family, which, last time we looked up from our smartphones, was everyone. Packed with 450 stickers and over 50 creative activities - from emoji paperdolls to design your own emoji, cut-out emoji masks to emoji sudoku - this book is sure to make you scream OMH -MOG!

My First Emojis Melissa Kay Moore,2020-11-10

Emojis Dog 'n' Bone Books,2015-10-08 Emojis—we've all seen them and we've all most likely used them at one time or another, but in reality we know very little about them... until now! Emojis are everywhere, from Facebook and Twitter to the desperate texts from your mom asking again how to log into her Netflix account. We're all familiar with the smiley face laughing hysterically, the grinning cat, and the guy with the dodgy 'stache, but what's the story behind these ubiquitous pictograms? Over the following pages, Emojis reveals all with a series of hilarious interviews and exposés with some of the most popular icons from the social media scene. Did you know, for example, that the dancing girl emoji despises the Macarena? Or that the happy devil smiley face has an unhealthy obsession with eating plenty of fiber? You do now! Along with these eye-opening tales, you will also meet the pictograms that the developers never wanted you to see, like the emoji nerd who is making a fortune through internet start-ups, the punk with the Mohican or the bearded hipster who is way cooler than you. And if that's not enough, there's a hilarious section on misunderstanding emojis plus fun quizzes on the best films, books, TV shows, and more described for you only in the language of emoji.

Emoji Art Kris Hirschmann,2018-10 Emoji-fy your life! It's easy it do, and you can do it all year long! This great kit is filled with awesome ideas for Emoji Art for every season. Emoji Notebook - Thinking Face Emoji Notebook Staff,2016-06-28 Emoji Notebook | thinking faceBy EmojilNotebook. Emoji art supplied by EmojiOne.

The Story of Emoji Gavin Lucas,2016 This is the first book to explain the genesis and cultural significance of emoji, the world's cutest and most popular form of shorthand. If you have a Twitter account or regularly send text messages, it's highly likely that you've used or received emoji. These characters include symbols and pictograms that represent a host of everyday objects and activities plus, crucially, a selection of faces that denote a range of emotions from happy to sad, angry, confused, surprised, or tired. The word emoji literally translates from Japanese as picture (e) and character (moji). The Story of Emoji traces emoji from their origin as a symbol typeface created specifically for on-screen use by a Japanese mobile phone provider in the late 1990s to an international communication phenomenon. As well as a history of emoji and an interview with their creator, Shigetaka Kurita, the book includes an exploration of non-text typefaces, from the decorative fleurons of the early days of the printing press to the innumerable digital typefaces available today, to the use of emoticons, ASCII art, and kaomoji in typed messages. It also looks at an array of artworks, fashion lines, special character sets, advertisements, and projects that convey emoji's widespread impact on contemporary culture. Finally, the book concludes with a section for which a group of illustrators, artists, and graphic designers have created original emoji characters they wish existed, including bacon, a vinyl record, and even a stabbed-in-the-back emoji.
