

Empires Wrath

Robert Venditti

Wrath of Empire Brian McClellan, 2018-05-15 As war rages, both sides are in a race to find the one thing that could turn the tides to their favor -- a stone with the power to turn humans into gods -- in the second book of Brian McClellan's epic fantasy tale of magic and gunpowder. The country is in turmoil. With the capital city occupied, half a million refugees are on the march, looking for safety on the frontier, accompanied by Lady Flint's soldiers. But escaping war is never easy, and soon the battle may find them, whether they are prepared or not. Back in the capital, Michel Bravis smuggles even more refugees out of the city. But internal forces are working against him. With enemies on all sides, Michel may be forced to find help with the very occupiers he's trying to undermine. Meanwhile, Ben Styke is building his own army. He and his mad lancers are gathering every able body they can find and searching for an ancient artifact that may have the power to turn the tides of war in their favor. But what they find may not be what they're looking for. Continue the pistol-packing fantasy series by the author whose debut novel Brandon Sanderson called just plain awesome! The Wrath of Nations: Civilizations and the Furies of Nationalism William Pfaff, 1994-11-10 In this refreshing antidote to the swell of books about the end of modernity (Ivan Sanders, Commonweal), William Pfaff writes an enthralling narrative of the fall of empires and the rise of nations-- and with them, of modern nationalism, the most important of all political forces as we enter the next century. Rooted in the human need for secure place, communal loyalty, and individual identification, nationalism has both created nations and ruined them. It paved the way for Nazism but eventually destroyed it. It brought down the European colonial empires, but has left Africa confronting anarchy, and much of Asia dominated by ambitious and authoritarian new nations. It forced Soviet armies out of Afghanistan and Eastern Europe, and eventually led to the downfall of Communism. Writing with both urgency and sobriety, William Pfaff shows that without understanding this ineradicable factor in our political life, we cannot reckon with the realities that may await us.

Wrath of Kings Glen Cook, 2018-07-03 An omnibus edition of the final three Dread Empire novels (Reap the East Wind, An Ill Fate Marshalling, and A Path to Coldness of Heart) from a pioneer of gritty and realistic epic fantasy, Glen Cook. The Dread Empire spans a continent: from the highest peaks of the Dragon's Teeth to the endless desert lands of Hammad al Nakir; from besieged Kavelin to mighty Shinsan . . . The time of the wrath of kings is close at hand. Bragi Ragnarson, now the king of Kavelin, has decided to join forces with Chatelain Mist, the exiled princess of Shinshan looking to usurp her throne. But in the deserts on the outskirts of the empire, a young victim of the Great Eastern Wars becomes the Deliverer of an eons-forgotten god, chosen to lead the legions of the dead. Wrath of Kings collects the final Dread Empire trilogy into a single volume. This epic narrative had been put on hold when the original manuscript to the final volume was stolen. Glen returned to the Dread Empire twenty years later, completely rewriting the concluding novel, A Path to Coldness of Heart. From the author of The Black Company comes an elaborate tale of nation-shattering conflict, maddening magic, strange creatures, and raw, flawed heroes, all shown through the filter of the author's inimitable war-correspondent prose.

The Blind King's Wrath Ashok Banker, 2022-04-26 The Blind King's Wrath brings the tumultuous Burnt Empire Trilogy to a thrilling end. Krushni, the prophesied Dark Queen, has risen in the East, determined to have her vengeance on Jarsun, her father in her past life and murderer of her mother and grandfather. She is joined in her quest by the five children of Shvate, Karni and Mayla, now grown to young adulthood, and a host of other champions all burning with righteous rage against the God Emperor. As old foes emerge and new allies reveal themselves, the stage is set for the greatest clash of all. A great war. On one side are the valiant but hopelessly outnumbered forces of justice and righteous vengeance led by Krushni and the Shvate Five. Looming against them are the brutal, demonic forces of their enemies led by Jarsun and the tyrant king Dronas. In a shocking turn, Emperor Adri despatches the vast armies of the Burnt Empire, countless tens of millions of brutally efficient killing hordes, against the brave champions. On this bloodsoaked field, the fate of the Burnt Empire will be decided once and for all.

Wrath of Kings Glen Cook, 2018-07-03 An omnibus edition of the final three Dread Empire novels (Reap the East Wind, An Ill Fate Marshalling, and A Path to Coldness of Heart) from a pioneer of gritty and realistic epic fantasy, Glen Cook. The Dread Empire spans a continent: from the highest peaks of the Dragon's Teeth to the endless desert lands of Hammad al Nakir; from besieged Kavelin to mighty Shinsan . . . The time of the wrath of kings is close at hand. Bragi Ragnarson, now the king of Kavelin, has decided to join forces with Chatelain Mist, the exiled princess of Shinshan looking to usurp her throne. But in the deserts on the outskirts of the empire, a young victim of the Great Eastern Wars becomes the Deliverer of an eons-forgotten god, chosen to lead the legions of the dead. Wrath of Kings collects the final Dread Empire trilogy into a single volume. This epic narrative had been put on hold when the original manuscript to the final volume was stolen. From the author of The Black Company comes an elaborate tale of nation-shattering conflict, maddening magic, strange creatures, and raw, flawed heroes, all shown through the filter of the author's inimitable war-correspondent prose.

Blood of Empire Brian McClellan, 2019-12-03 As their final battle approaches, a sellsword, a spy, and a general must find unlikely and dangerous allies in order to turn the tides of war in the final book of Brian McClellan's epic fantasy trilogy. The Dynize have unlocked the Landfall Godstone, and Michel Bravis is tasked with returning to Greenfire Depths to do whatever he can to prevent them from using its power; from sewing dissension among the enemy ranks to rallying the Palo population. Ben Styke's invasion of Dynize is curtailed when a storm scatters his fleet. Coming ashore with just twenty lancers, he is forced to rely on brains rather than brawn -- gaining new allies in a strange land on the cusp of its own internal violence. Bereft of her sorcery and physically and emotionally broken, Lady Vloria Flint now marches on Landfall at the head of an Adran army seeking vengeance against those who have conspired against her. While allied politicians seek to undo her from within, she faces insurmountable odds and Dynize's greatest general. Tiamat's Wrath James S. A. Corey, 2019-03-26 The eighth book in the NYT bestselling Expanse series, Tiamat's Wrath finds the crew of the Rocinante fighting an underground war against a nearly invulnerable authoritarian empire, with James Holden a prisoner of the enemy. Now a Prime Original series. HUGO AWARD WINNER FOR BEST SERIES Thirteen hundred gates have opened to solar systems around the galaxy. But as humanity builds its interstellar

empire in the alien ruins, the mysteries and threats grow deeper. In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. But the price of that knowledge may be higher than she can pay. At the heart of the empire, Teresa Duarte prepares to take on the burden of her father's godlike ambition. The sociopathic scientist Paolo Cordozar and the Mephistophelian prisoner James Holden are only two of the dangers in a palace thick with intrigue, but Teresa has a mind of her own and secrets even her father the emperor doesn't guess. And throughout the wide human empire, the scattered crew of the Rocinante fights a brave rear-guard action against Duarte's authoritarian regime. Memory of the old order falls away, and a future under Laconia's eternal rule -- and with it, a battle that humanity can only lose -- seems more and more certain. Because against the terrors that lie between worlds, courage and ambition will not be enough. . . The Wrath of God Satisfied? Tom Stuckey,2012-08-22 What do Robben Island, Colonel Gadaffi, the earthquake in Haiti, the riots in London, credit crunch, child abuse, and the death of Christ have in common? They are all linked by the common thread of violence. Tom Stuckey reexamines the traditional theories of atonement, which he argues are contextual and utilitarian, as he searches for meaning and hope in these contemporary events. In *The Wrath of God Satisfied?*, Tom Stuckey argues that because we live in a violent world, we should not dismiss the idea of the wrath of God or the disturbing metaphors of blood, debt, satisfaction, and sacrifice. While not subscribing to the theory of penal substitution, he does not dismiss it. Within a dynamic interpretation of the Trinity, the author draws on the insights of Athanasius, Anselm, Abelard, Luther, Calvin, Julian, Girard, Augustine, Barth, and contemporary theologians to show how divine wrath being satisfied poses the question of God in its most acute form. Stuckey sees God's wrath as a necessary shadow cast by the powerful light of hope and argues that wrath cannot be dismissed if justice is to be restored.

Wrath of Empire Ian Bott,2023-06-10 The Emperor wants peace between warring Families on rival worlds. His brother sees peace treaties as weakness; he aims to seize the throne and rule by strength. And then there's Chalwen, bodyguard to the Emperor's nine-year-old son, heir to the throne. Chalwen takes professional paranoia to extremes, so when she suspects treachery inside the palace her superiors dismiss her warnings. Then the Emperor is assassinated. People are angry, looking for a villain, and all evidence points to one of the rival Families. Amid riots and military clashes, the young heir and his ambitious uncle fight for the throne. Chalwen must protect the youngster while solving the Emperor's murder to defuse the conflict. But the uncle has powerful supporters opposing Chalwen's every move. Throw in a deranged arms dealer keen to profit from the chaos, and full scale interstellar war seems unavoidable.

The Winepress of God's Wrath Steve A. Hamilton,2021-06-29 Without exception, this is the most revealing commentary of the book of Revelation in decades! This fresh and historically researched commentary reveals what early Christians had known so many years ago about the apocalypse. After 1,900 years, present-day Christians finally have a reliable document that explains Christ's prophetic book. This commentary contains amazing insights. One of the main adversaries in the book of Revelation was a prominent historical figure. He was known as the savior of the church. People looked up to him and worshipped him. The apostle Paul called him the man of sin and the son of perdition (2 Thessalonians 2:3). The apostle John, in one of his earlier writings, called him the Antichrist (1 John 2:18). Those who failed to get their names written in the Book of Life marveled at his presence in eternal punishment (Revelation 17:8). That person is identified by name in this commentary. Armageddon is more than a great battle in the book of Revelation. It is the one defining event that will affect everyone's life. The number of combatants "is as the sand of the sea." Yet the battle will be over before it ever begins (Revelation 20:8-9). The bowls of God's wrath were poured out on a wicked and unsuspecting world. Historically, "a foul and loathsome sore came upon the men who had the mark of the beast and those who worshipped his image" (Revelation 16:2). This plague was described in detail by writers who lived as it occurred. This commentary includes their firsthand accounts. The Winepress of God's Wrath depicts God's anger at a wicked society while providing hope and comfort to believers. The theme in the book of Revelation is clear--the wicked will not escape destruction. Only obedient Christians will avoid the winepress of God's wrath.

The Wrath of Nations William Pfaff,1995

Wrath of a Mad God Raymond E. Feist,2009-10-13 The master fantasist's thrilling conclusion to The Darkwar Saga To save the future of both empires, the powerful sorcerer Pug and the Conclave of Shadows have journeyed into the darkest of terrain: the Dasati home world. There, traveling undercover among the bloodthirsty and ruthless Dasati, they have encountered Bek, a disturbing young stranger whose secrets may prove more important than Pug knows. And back in the realm of Midkemia, as the young warriors Tad, Zane, and their friends protect the Kingdom from raiders, Miranda finds herself a prisoner of the Dasati, and, even more ominously, of Pug's nemesis, the evil sorcerer Leso Varen. And Pug finds himself allied with a friend thought long dead, a friend whose remarkable powers will be sorely needed in the battle to come . . . a battle that will bring them all together in one great struggle for the future and very soul of Midkemia.

The Tiger's Wrath Marc Alan Edelheit,2020-02-15 .Finalist for Best Series: 2019 Next Generation Indie Book AwardsThe fifth installment of the award-winning Chronicles of an Imperial Legionary Officer series is finally here!Ben Stiger, Legate of the Lost Thirteenth Legion, a nobleman from an infamous family and born fighter, has defeated the servants of the evil god Castor and crushed the dark deity's orc-led army. Having repaired the damage wrought by Castor and fixed the timeline, Stiger has returned to the present, bringing with him the entire Thirteenth Legion and her auxiliary cohorts. If he thought the road behind him was a difficult path to travel, the one ahead will prove even more challenging. A rebel army is besieging the Vrell Valley. Hundreds of miles away, the Cyphan Confederacy's armies are driving into the heart of the empire, leaving a swath of destruction in their wake. Stiger, with his dwarven and gnome allies, must break out of Vrell and then, if successful, march to the aid of the emperor. Should the empire fall, everything Stiger has worked toward will be lost, and darkness, like a shadowy veil, will forever fall over the world of Istros. Stiger has finally accepted the mantle of Champion for his god, the High Father. He is seen by his men as gods blessed. But has he truly been blessed? Or has Stiger been cursed to a terrible destiny, one even the elves dread? Stiger intends to see his purpose through to the bitter end, no matter where it leads. Along that lonely road, all those who stand in his way will feel his mighty

wrath. The final battle to save the empire and the world has begun! Scroll up and one-click now!

Wrath of the Empire Ben Harris, 2022-02-24 Set in a dark vision of a different time, on a distant planet. Where people are under the rule of the emperor. One woman and her friends are forced to rebel against the regime. In search of her missing mum and aiming to free the people. Kleopatra Risk must battle against the soldiers, free-roaming beasts, and the emperor's assassins. Looking to overcome their stronghold and take back the people's freedom. Inexperienced in battle she seeks the support of her friend Akila and mentor Mr Zain. For without them survival would be hopeless.

Wrath of the Storm (Mark of the Thief, Book 3) Jennifer A. Nielsen, 2017-01-31 NYT and USA Today bestselling author Jennifer A. Nielsen delivers the action-packed conclusion to her magical Mark of the Thief trilogy! Trouble has a way of seeking out Nicolas Calva, and it's not likely to leave him alone any time soon. With Caesar's magic bulla, the Malice of Mars, and the possibility of a Jupiter Stone in play, all the powers of Rome are circling Nic. He'll have to maneuver his way through scheming government officials and reawakened magical beasts to save the Empire. Can he manage to keep his friends and family safe, claim his own freedom once and for all, and rescue the Empire -- before the magic gets the better of him? With twists and turns on every page, critically acclaimed author Jennifer Nielsen weaves an epic, action-packed conclusion to her extraordinary Mark of the Thief trilogy.

Heaven's Wrath D. L. Noorlander, 2019-09-15 Heaven's Wrath explores the religious thought and religious rites of the early Dutch Atlantic world. D. L. Noorlander argues that the Reformed Church and the West India Company forged and maintained a close union, with considerable consequences across the seventeenth century. Dutch merchants, officers, sailors, and soldiers found in their faith an ideology and justification for mercantile and martial activities. The West India Company supported the Reformed Church financially in Europe and helped spread Calvinism to other continents, while Calvinist employees and colonists benefitted from the familiar aspects of religious instruction and public worship. Yet, Noorlander argues, the church-company union also encouraged destructive military operations against Catholic enemies abroad and divisive campaigns against sinners and religious nonconformers in colonial courts. Religious fervor, violence, and intolerance imposed financial and demographic costs that the small Dutch Republic and its people-strapped colonies could not afford. At the same time, the Reformed Church in the Netherlands undermined its own religious mission by trying to control colonial hires, publications, and organization from afar. Noorlander's argument in Heaven's Wrath questions the core assumptions about why the Dutch failed to establish a durable empire in America. He downplays the usual commercial explanations and places the focus instead on the tremendous expenses incurred in the Calvinist-backed war and the Reformed Church's meticulous, worried management of colonial affairs. By pinpointing the issues that hampered the size and import of the Dutch Atlantic world, Noorlander is poised to revise core notions about the organization and aims of the Dutch empire, the culture of the West India Company, and the very shape of Dutch society....

Elijah the Reformer George Lansing Taylor, 1885

Wrath of the North Isac Björnström, 2023-12-19 For three hundred years, the country of Skavia has lived under the rule of the Armloth Empire, the dominant power in Aestar. Though centuries have passed, resentment still lingers in the heart of many Skavians. They clamor for freedom, for independence once more. They may soon get their wish, for unseen forces prowl in the shadow of the Armloth Empire, their motives unknown but their determination to see the mighty empire fall is without rival. War is brewing, lines are being drawn, and the world holds its breath. Meanwhile, in these troubling times, a group of bandits ply their less than honest trade out in the Skavian wilderness. They prey on all who enters their hunting grounds, unconcerned about matters of states or nationalism, and motivated purely by their lust for riches. None more so than Wulfrik, the leader of this band of misfits. A man of avarice and selfishness, with no ties to anyone but himself, he was destined for a life on the run from the law. But destiny has a funny way of ensnaring even the most unwilling of victims, and this lowly bandit will soon find himself swept up in events far beyond what he has ever imagined.

WRATH of The Eternal Warrior Vol. 1: Risen TPB Robert Venditti, 2016-04-13 New York Times best-selling writer Robert Venditti (BOOK OF DEATH, X-0 MANOWAR) and visionary artist Ra'l All'n (NINJAK, Hawkeye) forge a new legend for Valiant's master of war! For five millennia, the Eternal Warrior has shaped history at the end of his sword. He's razed empires, toppled civilizations, and broken armies as an immortal soldier in service to the Earth. But now, the Eternal Warrior has been torn from the world he once protected and finds himself stranded in a hostile alien landscape unlike any he's faced before. Separated from his earthly environs, can history's deadliest soldier survive a realm far older, far deadlier, and far more ruinous than anything he's ever encountered? Beyond Earth lies eternity... Collecting?WRATH OF THE ETERNAL WARRIOR #1-#4
