Dun & Bradstreet/Gale Group Industry Handbook: Entertainment and hospitality, 2000 These volumes are compilations of data from select, commonly found titles, published by Gale in partnership with Dun & Bradstreet, on a small but important group of industries. For each industry, there is an overview; a compilation of business statistics from the federal government; performance indicators; financial norms and ratios; a directory of companies; rankings, recent mergers, and acquisitions; associations; consultants; trade information sources and trade show data; and a short bibliography of articles from trade magazines. Each volume has the usual fine set of Gale indexes. There are SIC (Standard Industry Classification) to NAICS (North American Industry Classification) and NAICS to SIC conversion guides, a geographic index, and a master index. The convenient organization by industry is certain to be appreciated by undergraduates, yet libraries should be aware that most of this material is repackaged from other sources, which include Million-Dollar Directory, Dun & Bradstreet's Industry Norms and Key Business Ratios, and Gale's excellent Encyclopedia of Associations, Consultants and Consulting Organizations Directory, Encyclopedia of Business Information Sources, and Trade Shows Worldwide. The new volumes are well documented, clearly citing the source for the original data and for the government statistics presented in Chapter 2. The merger and acquisition information is easy to read but not as complete as in Moody's manuals, and the industry overview is not quite as detailed as the Standard & Poor's Industry Surveys, but the introductory matter is more clearly written than in most business references. Libraries that own all or most of the titles listed here will find that this set duplicates and does not supersede the originals. Yet an undergraduate library with a small business collection will find these titles a good buy, and two-year

colleges, high schools, and small or medium-sized public libraries can use them to build up their business collections relatively inexpensively. -Library Journal.

Entertainment and Hospitality Gale Group, Jennifer Zielinski, 1999-12 Dun & Bradstreet and the Gale Group have teamed up to offer your library an unprecedented new line of industry references. These detailed, industry-specific sourcebooks eliminate the need to search through dozens of scattered sources to find background and directory information. Students and professionals now have a single source to access current and emerging industry trends, analyze industry overviews and forecasts and review key financial information.

Nuts! Kevin Freiberg, Jackie Freiberg, 1998-02-17 Twenty-five years ago, Herb Kelleher reinvented air travel when he founded Southwest Airlines, where the planes are painted like killer whales, a typical company maxim is Hire people with a sense of humor, and in-flight meals are never served--just sixty million bags of peanuts a year. By sidestepping reengineering, total quality management, and other management philosophies and employing its own brand of business success, Kelleher's airline has turned a profit for twenty-four consecutive years and seen its stock soar 300 percent since 1990. Today, Southwest is the safest airline in the world and ranks number one in the industry for service, on-time performance, and lowest employee turnover rate; and Fortune magazine has twice ranked Southwest one of the ten best companies to work for in America. How do they do it? With unlimited access to the people and inside documents of Southwest Airlines, authors Kevin and Jackie Freiberg share the secrets behind the greatest success story in commercial aviation. Read it and discover how to transfer the Southwest inspiration to your own business and personal life.
