Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison

Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Project Censored's State of the Free Press 2022* Andy Lee Roth, Mickey Huff, 2022-01-25 As the United States grapples with the ongoing COVID-19 pandemic, the nation's living legacy of systemic racism, and partisan threats to the foundations of democracy, the integrity of news and Project Censored's survey of underreported news stories has never been more important. This 2022 edition of Project Censored's State of the Free Press offers a comprehensive survey of the most important but underreported news stories of 2021 and a comparative analysis of the current state of corporate and independent news media, and its effect on democracy. The establishment media sustains a decrepit post-truth era, as examined the lowlight features: Junk Food News-frivolous stories that distract the public from actual news-and-News Abuse-important stories covered in ways that undermine public understanding. The alternative media provokes a burgeoning critical media literacy age, as evaluated in the highlight feature: Media Democracy in Action-relevant stories responsibly reported on by independent organizations. Finally, in an homage to the history of the annual report, the editors reinstate the Déjà vu News feature-revisited stories from previous editions. State of the Free Press 2022 endows readers with the critical thinking and media literacy skills required to hold the corporate media to account for distorting or

censoring news coverage, and thus, to revitalize our democracy. State of the Free Press 2022 is a joint production of The Censored Press and Seven Stories Press.
