Bachata and Dominican Identity / La bachata y la identidad dominicana Julie A. Sellers, 2014-10-02

Bachata--a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s--is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race, and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. La bachata--una musica de guitarra que se estreno en los barrios populares de Santo Domingo en los anos 60--hoy, es uno de los generos latinos mas populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevo por decadas. Este libro entreteje la historia y el desarrollo de la bachata con el contexto socio-politico de la identidad dominicana. La autora plantea que su desaprobacion temprana resulto del clima politico en que nacio y los vinculos entre raza y clase social. Propone que su aceptacion final como simbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

Conservation Issues in Modern and Contemporary Murals Tom Learner, Mercedes Sanchez-Pons, Will Shank, 2015-09-04 This volume represents a forum for conservators, conservation scientists, artists and heritage managers. It includes the voices of many of the different partners involved in the complex task of preserving

artworks; • The vital experience of artists who create murals and are sometimes asked to treat their creations; • Theoretical reflections on how to deal methodologically with conservation; • Scientific studies on the identification of constituent materials and/or on the development of procedures for their preservation; • The opinion of cultural managers; • The specific experiences of conservators. All of the above must have a voice in the difficult task of preserving such a challenging and changing heritage. Este volumen se plantea como un foro de encuentro entre conservadores restauradores, científicos, artistas y gestores del patrimonio. En él se incluye el trabajo de los diferentes interlocutores que participan en la compleja tarea de conservar una obra de arte: • La experiencia vital del artista creador de murales, que a veces es llamado para restaurar lo que ya hizo; • Las reflexiones teóricas sobre el modo de enfrentarnos metodológicamente a su conservación y restauración; • Los estudios científicos destinados a la identificación de materiales constitutivos o la puesta a punto de procedimientos para su conservación; • La opinión de quienes se encargan de su gestión; • Las experiencias concretas de conservadores restauradores. Todos ellos deben tener voz en la difícil tarea de conservar un patrimonio complejo y cambiante.

Modern Brazilian Portuguese Grammar Workbook John Whitlam, 2017-03-16 The second edition of *Modern Brazilian Portuguese Grammar Workbook* is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: • Part A provides exercises based on essential grammatical structures • Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs). A comprehensive answer key at the back of the book enables you to check on your progress. The Modern

Brazilian Portuguese Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with *Modern Brazilian Portuguese Grammar: A Practical Guide*, it can also serve as an independent resource.

Conflicting Missions Piero Gleijeses, 2011-03-01 This is a compelling and dramatic account of Cuban policy in Africa from 1959 to 1976 and of its escalating clash with U.S. policy toward the continent. Piero Gleijeses's fast-paced narrative takes the reader from Cuba's first steps to assist Algerian rebels fighting France in 1961, to the secret war between Havana and Washington in Zaire in 1964-65--where 100 Cubans led by Che Guevara clashed with 1,000 mercenaries controlled by the CIA--and, finally, to the dramatic dispatch of 30,000 Cubans to Angola in 1975-76, which stopped the South African advance on Luanda and doomed Henry Kissinger's major covert operation there. Based on unprecedented archival research and firsthand interviews in virtually all of the countries involved--Gleijeses was even able to gain extensive access to closed Cuban archives--this comprehensive and balanced work sheds new light on U.S. foreign policy and CIA covert operations. It revolutionizes our view of Cuba's international role, challenges conventional U.S. beliefs about the influence of the Soviet Union in directing Cuba's actions in Africa, and provides, for the first time ever, a look from the inside at Cuba's foreign policy during the Cold War. Fascinating . . . and often downright entertaining. . . . Gleijeses recounts the Cuban story with

considerable flair, taking good advantage of rich material.-- Washington Post Book World Gleijeses's research . . . bluntly contradicts the Congressional testimony of the era and the memoirs of Henry A. Kissinger. . . . After reviewing Dr. Gleijeses's work, several former senior United States diplomats who were involved in making policy toward Angola broadly endorsed its conclusions.--New York Times With the publication of *Conflicting Missions*, Piero Gleijeses establishes his reputation as the most impressive historian of the Cold War in the Third World. Drawing on previously unavailable Cuban and African as well as American sources, he tells a story that's full of fresh and surprising information. And best of all, he does this with a remarkable sensitivity to the perspectives of the protagonists. This book will become an instant classic.-- John Lewis Gaddis, author of *We Now Know: Rethinking Cold War History* Based on unprecedented research in Cuban, American, and European archives, this is the compelling story of Cuban policy in Africa from 1959 to 1976 and of its escalating clash with U.S. policy toward the continent. Piero Gleijeses sheds new light on U.S. foreign policy and CIA covert operations, revolutionizes our view of Cuba's international role, and provides the first look from the inside at Cuba's foreign policy during the Cold War. -->

Discourse and Mental Health Juan Eduardo

Bonnin, 2018-07-06 This book is the result of years of fieldwork at a public hospital located in an immigrant neighborhood in Buenos Aires, Argentina. It focuses on the relationships between diversity and inequality in access to mental healthcare through the discourse practices, tactics and strategies deployed by patients with widely varying cultural, linguistic and social backgrounds. As an action-research process, it helped change communicative practices at the Hospital's outpatient mental healthcare

service. The book focuses on the entire process and its outcomes, arguing in favor of a critical, situated perspective on discourse analysis, theoretically and practically oriented to social change. It also proposes a different approach to doctor-patient communication, usually conducted from an ethnocentric perspective which does not take into account cultural, social and economic diversity. It reviews many topics that are somehow classical in doctor-patient communication analysis, but from a different point of view: issues such as the sequential organization of primary care encounters, diagnostic formulations, asymmetry and accommodation, etc., are now examined from a locally grounded ethnographic perspective. This change is not only theoretical but also political, as it helps understand patient practices of resistance, identity-making and solidarity in contexts of inequality.

Alejandro Amenábar Barry Jordan, 2019-01-04 Since the release of his first feature in 1996, Alejandro Amenábar has become the 'golden boy' of Spanish filmmaking, a bankable star director whose brand virtually guarantees quality, big audiences and domestic box office success. He has directed three of the highest-grossing movies in Spanish film history and has enjoyed enormous international and critical acclaim, including an Oscar for Best Foreign Film for *Mar Adentro/The Sea Inside*, 2004. This book is the first full-length study in English of Amenábar's shorts and feature films. It provides detailed analysis of his engagement with popular film genres as the basis for an auteur cinema and incorporates a reappraisal of his auteurism as fundamentally decentred and shared. An essential resource for students, scholars and fans of Amenábar, the book will also appeal to a wider readership, including professionals in the film, media and culture

industries as well as those who have a general interest in the best of Spanish, European and world cinema.

Eudised Jean Viet, Georges van Slype, 2019-12-02 No detailed description available for Eudised.

Enciclopedia de Lingüística Hispánica Javier Gutiérrez-Rexach, 2016-01-29 The Enciclopedia de Linguistica Hispánica provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics. Entries are extensively cross-referenced and arranged alphabetically within three main sections: Part 1 covers linguistic disciplines, approaches and methodologies. Part 2 brings together the grammar of Spanish, including subsections on phonology, morphology, syntax and semantics. Part 3 brings together the historical, social and geographical factors in the evolution of Spanish. Drawing on the expertise of a wide range of contributors from across the Spanish-speaking world the Enciclopedia de Linguistica Hispánica is an indispensable reference for undergraduate and postgraduate students of Spanish, and for anyone with an academic or professional interest in the Spanish language/Spanish linguistics.

Latin American Relations with the Middle East Marta Tawil Kuri, Élodie Brun, 2022-03-29 Latin American Relations with the Middle East surveys the dealings of ten Latin American and Caribbean states – Argentina, Brazil, Chile, Colombia, Costa Rica, Cuba, Peru, Mexico, Uruguay, and Venezuela – with the Middle East. This volume examines these states' external behavior at both an empirical and conceptual level. Empirically, authors seek to examine Latin American and Caribbean foreign policies towards the Middle East in four dimensions: diplomatic attention; trade and investment (including the energy issue); development cooperation; security matters/intelligence, and relationship with multilateralism

(Iran, Palestine, and Syria). Case studies are selectively deployed to observe the influence of unfavorable circumstances that have increased since 2015, such as domestic turmoil, wars, economic crisis, ideological bias, and international constraints. Conceptually, the book enhances the theoretical framework for understanding Southern countries' foreign policies, through fomenting dialogue with Latin American and Caribbean regional literature on foreign policy. Authors inquire about how decision-making processes occur, and uncover how influential actors help to test the main hypotheses of Foreign Policy Analysis (FPA). Forging essential new paths of inquiry, this book is a must read for researchers of International Relations, Foreign Policy, South-South Relations, Latin American Politics, and Middle Eastern Politics.

El Ascenso de Marco Rubio Manuel Roig-Franzia, 2012-08-07 Now in a Spanish-language edition: the definitive biography of Senator Marco Rubio, the youngest Speaker of the Florida Statehouse and the biggest rising star in the Republican Party. SENATOR MARCO RUBIO has been called the Michael Jordan of Republican politics and a crown prince of the Tea Party. He is a political figure who inspires fierce passions among his supporters—and his detractors. From his family's immigrant roots to his ascent from small-town commissioner to the heights of the United States Senate, *The Rise of Marco Rubio* traces a classic American odyssey. Rubio's grandfather was born in a humble thatched-palm dwelling in a sugar cane-growing region of Cuba, more than fifty years before Rubio's parents left the island for a better life in Miami. His father worked as a bartender, his mother as a maid and stock clerk at Kmart. Rubio was quick on his high school football field, and even quicker in becoming a major voice on

everything from immigration to the role of faith in public life and one of the great hopes of the Republican Party. Drawing on hundreds of interviews and documents, Washington Post reporter Manuel Roig-Franzia shows how Rubio cultivated a knack for apprenticing himself to the right mentor, learning the issues, and volunteering for tough political jobs that made him shine. He also has a way with words and the instinct to seize opportunities that others don't see. As Mike Huckabee says, Rubio "is our Barack Obama with substance." The Rise of Marco Rubio elegantly tells us why. *** THE RISE OF MARCO RUBIO A POLITICIAN IN THE RIGHT PLACE AT THE RIGHT TIME A slender, delicate right shoulder knifed downward; a cane flipped sideways. Nancy Reagan was crashing. But before the crowd's applause gave way to gasps, Marco Rubio, his hair parted just so, a valedictorian's smile on his face, tugged the aging icon toward him. He caught the ninety-year-old almost parallel to the floor and bound for a bone-chipping thud. Extraordinary political careers can build momentum from an accretion of perfect moments, and this was just one more for Marco Rubio. Rubio's reflexes had only sharpened the impression that a party looking for heroes had found a figure with great promise. American politics had never seen anything like him. A FAMILY THAT FACED THE CHALLENGES OF IMMIGRATION In the summer of 1962 Rubio's Cuban grandfather Pedro Víctor asked his bosses for a vacation, and this time they granted it. And so it was that on August 31, 1962, he took an incredibly risky step. He boarded Pan American Airlines Flight 2422 bound for Miami. His troubles began not long after the plane landed. A LEGISLATOR FULL OF AMBITION In Marco Rubio's second year at the Florida capital, a committee was formed to redraw voting district lines. As usual, Rubio's timing was good and his instincts

were spot-on. Redistricting was a once-in-a-decade ritual, and it presented him with a once-in-a-decade opportunity. Not yet thirty, he volunteered to help. In doing so he took the same route he had traveled before, making himself an apprentice in a good position to impress the older generation. Volunteering for the task meant substantial face time with the leaders of the state house. And the leaders noticed him.

Human Resource Management R. Wayne Mondy, Robert M. Noe, 2005 A balance of practical and applied material which also underpins the crucial theoretical concepts that are being applied in today's human resources. For undergraduate/graduate courses in Human Resource Management.

Advanced Spanish Grammar Marcial Prado, 1997-01-18 Contiene metodos para aprender los puntos claves del espa?ol con rapidez y facilidad (The fast, easy way to master the finer points of Spanish) Unsure about conjugating irregular Spanish verbs? Using the subjunctive? Determining the appropriate definite article? This complete, accessible guide clarifies grammatical structure and explains vocabulary usage to help you master Spanish. Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 14 (1998)

Inter-American Commission on Human Rights, Inter-American Court of Human Rights, 2022-11-07

Dictionary of Mexican Literature Eladio

Cortes, 1992-11-24 This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material--placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works, the length of each entry determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works, a supplementary bibliography, and, when appropriate, critical notes. Authors are listed alphabetically and cross-referenced both within the text and the index to facilitate easy access to information. Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation, publisher, date and place of publication, and number of pages.

Britain and the Spanish Anti-Franco Opposition D. Dunthorn, 2000-10-06 After fascism's defeat in 1945 Britain did not co-operate with Franco's Spanish opponents to end his dictatorship. This study demonstrates how divisions in the Spanish opposition were one factor but argues that Britain's strategic and commercial interests in Spain also acted as a disincentive. Only when international pressure for sanctions threatened Iberian stability in 1947 did the

British government turn to the Spanish opposition. With the advent of the Cold War, however, the opposition became irrelevant to British needs and Franco's survival was guaranteed.

Juan Goytisolo and the Poetics of Contagion Stanley Black, 2001-01-01 Juan Goytisolo is arguably Spain's foremost contemporary novelist. This book is one of the few major studies in English to examine all of his mature works, from *Señas de identidad* in 1966 to *Las semanas del jardín*, published in 1997. It focuses on the interface between the thematic content of the novels and its formal expression, viewing this as the crucial nexus of their meaning. Goytisolo's writing is, in his own words, a commitment of myself ... for a transformation of the world. *The Poetics of Contagion* dissects the nature of the relationship between writer and reader to show how Goytisolo's political commitment is reflected in his work.

Juan Goytisolo and the Politics of Contagion Stanley Black, 2001-09-01 Juan Goytisolo is arguably Spain's foremost contemporary novelist. This book is one of the few major studies in English to examine all of his mature works, from *Señas de identidad* in 1966 to *Las semanas del jardín*, published in 1997. It focuses on the interface between the thematic content of the novels and its formal expression, viewing this as the crucial nexus of their meaning. Goytisolo's writing is, in his own words, a 'commitment of myself ... for a transformation of the world'. *The Poetics of Contagion* dissects the nature of the relationship between writer and reader to show how Goytisolo's political commitment is reflected in his work.

Boletín Internacional de Bibliografíe Sobre Educação, 1985

José Antonio Torres Martino José Antonio Torres Martínó, 2006 An art book, a memoir and a critical

appraisal, of its subject, artist Torres Martino (b. Puerto Rico). Includes selected bibliographies of works by and about the author and indexes of names and illustrations. Ponce native humanist, Jos Antonio Torres Martino is a personage of many hats, a wizard that has handled many herbs with intelligence, talent and social commitment. He is presented to us as a contemporary renaissance man: painter, serigraphist, engraver, columnist, union leader, talk-radio host, television anchorman, professor of the university, journalist and art intellectual- Mario E. Roche Morales.

- Emrevista 16 Introduction**
- In today's digital age, the availability of Emrevista 16 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from

the comfort of our own homes or on the go. This article will explore the advantages of Emrevista 16 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Emrevista 16 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Emrevista 16 versions, you

eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Emrevista 16 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-

specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated,

bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Emrevista 16 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of

classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Emrevista 16 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a

limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Emrevista 16 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational

institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Emrevista 16 books and manuals for download and embark on your journey of knowledge?
