**50 Things To Know About the International Space Station** Read, John  
A.,2021-06-01 This book tells young readers everything they want to know about life in  
space. With a focus on international collaboration, it details how men and women in space  
celebrate the holidays, watch the latest movies, go to sleep, call home, eat and drink, use  
the toilet and so much more. Featured astronauts include Canadians Chris Hadfield and  
Julie Payette — the only Canadian woman to visit the ISS. Each page of this book is heavily  
illustrated with photos showing the space station and the astronauts in action. Short texts  
and cutlines engage readers and make this book fun to browse. Author John Read has  
extensive experience as a space educator and as a bestselling author of books for young  
people on astronomy. In this book he provides an up-to-date account of the most exciting  
ongoing example of space exploration today

**Black Baseball** Kyle McNary,2006-03-28 From the first Black amateur players before  
the Civil War through to the last barnstorming Negro League teams in the 1960s, here is  
the complete and utterly fascinating history of segregated baseball in the United States.  
Thanks to photographs of the major players and many first-hand accounts, baseball fans  
will get the full story of this tumultuous time, behind the scenes and out in the ballparks.  
Every detail is revealed, starting with that sad day in 1911 when the governing body of the  
National Association of Baseball Players voted unanimously to bar any club that signed an  
African-American. Meet the many players, including George Stovey, Sol White, and  
Welday Walker, who blazed the way for Jackie Robinson to integrate major league baseball

in 1947. Feel the frustration felt by the players when they were denied hotel rooms and restaurant service while on the road. Every image and tale also conveys the joy of the game and the pride these men felt in playing professional baseball.
