The Eater's Guide to Chinese Characters James D. McCawley,2004-05 Lauded by Calvin Trillin as a man who does not have to make do with translations like 'Shredded Three Kinds' in Chinese restaurants, in *The Eater's Guide to Chinese Characters*, James D. McCawley offers everyone a guide to deciphering the mysteries of Chinese menus and the opportunity to enjoy new eating experiences. An accessible primer as well as a handy reference, this book shows how Chinese characters are written and referred to, both in script and in type. McCawley provides a guide to pronunciation and includes helpful exercises so users can practice ordering. His novel system of arranging the extensive glossary--which ranges from basics such as rice and fish to exotica like Buddha Jumps Wall--enables even the beginner to find characters quickly and surely. He also includes the nonstandard forms of characters that often turn up on menus. With this

guide in hand, English speakers hold the key to a world of tantalizing-and otherwise unavailable-Chinese dishes.

**Language Hacking Mandarin** Benny Lewis, Dr. Licheng Gu, 2022-02-15 CRACK THE CODE AND GET FLUENT FASTER. I had to learn [a new language] in a handful of days for a TV interview. I asked Benny for help and his advice was invaluable. - Tim Ferriss Ten years ago, Lewis spoke only English. But constant travel, along with a buoyant attitude, has unmasked the polyglot within. - National Geographic What if you could skip the years of study and jump right to speaking Mandarin? Sound Crazy? No, it's language hacking. It's about learning what's indispensable, skipping what's not - and using what you've learned to have real conversations in Chinese - from day one! Unlike most traditional language courses that try to teach you the rules of a language, Language Hacking Mandarin shows you how to learn and speak Mandarin Chinese immediately through proven memory techniques, unconventional shortcuts and conversation strategies perfect by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. The Method Language Hacking takes a modern approach to language learning by focusing on the essential conversations that learners need to start speaking from day one. There's no need to study every word and grammar rule before you start using the language. Instead, Language Hacking applies the 80/20 principle to language learning, giving you the most versatile phrases and most effective shortcuts to help you get fluent faster. Through speaking, you get the practice you need to progress and the confidence to use the language. Each of the 10 units culminates with a speaking mission that you can choose to share on the italki#LanguageHacking learner community (www.italki.com/community) where you can submit your missions, give and get feedback and extend your learning beyond the pages of the book. The audio for this course is available for free on library.teachyourself.com or from the Teach Yourself Library app. You don't need to go abroad to learn a language any more.

**Portuguese** Cezar Abreu, 2020-12-08 If you would like a faster approach to learning the Portuguese language compared to more traditional methods, then keep reading... Two manuscripts in one book: Portuguese for Beginners: A Comprehensive Guide for Learning the Portuguese Language Fast Mastering Portuguese Words: Increase Your Vocabulary with Over 3,000 Portuguese Words in Context Are you quite busy and in need of a precise, but thorough, resource to learn Portuguese? Are you traveling to or working in a Portuguese-speaking country? Do you want to connect with people, while keeping your personality when speaking Portuguese, instead of just learning how to tourist-talk? Do you want to learn phrases that you can use to navigate social situations and help you make friends and new connections? If your answer to these questions is yes, then this book is here to help. Learning a new language is such an amazing tool that allows people from different parts of the world to connect more easily. That leads, more importantly, to deeper and more meaningful connections as well. In the case of the Portuguese language, several countries have it as the official language, making it the sixth most spoken idiom on Earth, with 170 million speakers worldwide. This means that learning it grants you the possibility of making friends or finding job opportunities in the most obscure places you can imagine. Part one of this book is divided into three parts: The Very Basics Grammar Conversation You'll also find many fun quizzes throughout the book that will allow you to practice your skills. Part two of this book will present you with over 3,000 Portuguese words, which are the most frequently used in Portuguese. But instead of making a plain list, the words will be allocated to different categories so that it is easier to organize them in your mind, as they are taught within a specific group of words. Each word will also be used in a sentence and then translated into English to make sure it is well understood. So if you want to learn Portuguese fast, then scroll up and click the add to cart button!
