Grammar Express : for self-study and classroom use Marjorie Fuchs,2002

Grammar Express Basic Marjorie Fuchs,Margaret Bonner,2004-09 Now there's a Grammar Express designed just for beginning and low-intermediate students! Appropriate for self-study or classroom use, Grammar Express Basic uses highly controlled vocabulary, abundant illustrations, and slower pacing to quickly bring students up to speed. The program's concise, four-page units present and practice grammar points in context, using topics of interest and relevance to learners. Clear grammar charts with explanations, examples, and usage notes illustrate how English speakers use each grammar point. A variety of contextualized exercises progress from simple to more challenging, while frequent opportunities for assessment keep readers on track for success. Additional support includes Appendices with helpful lists and information, an Answer Key, and a Glossary of grammar terms. Interactive CD-ROM provides additional practice including listening and speaking. Workbook extends the Student Book practice with two pages of additional exercises per unit. This two-volume series combines a concise, easy-to-follow format- two pages of presentation followed by two pages to practice – to quickly bring English language learners up to speed.

Grammar Express Basic Without Answer Key Marjorie Fuchs,Margo Bonner,2004 Grammar Express Basic uses highly controlled vocabulary, abundant illustrations, and slower pacing to quickly bring students up to speed. The program's concise, four-page units present and practice grammar points in context, using topics of interest and relevance to learners ... Interactive CD-ROM provides additional practice including listening and speaking; Amazon.com viewed 8/20/2020

Analyzing the Grammar of English Richard V. Teschner,2007-04-19 Analyzing the Grammar of English offers a descriptive analysis of the indispensable elements of English grammar. Designed to be covered in one semester, this textbook starts from scratch and takes nothing for granted beyond a reading and speaking knowledge of English. Extensively revised to function better in skills-building classes, it includes more interspersed exercises that promptly test what is taught, simplified and clarified explanations, greatly expanded and more diverse activities, and a new glossary of over 200 technical terms. Analyzing the Grammar of English is the only English grammar to view the sentence as a strictly punctuational construct—anything that begins with a capital letter and ends with a period, a question mark, an exclamation mark, or three dots—rather than a syntactic

one, and to load, in consequence, all the necessary syntactic analysis onto the clause and its constituents. It is also one of the very few English grammars to include—alongside multiple examples of canonical or standard language—occasional samples of stigmatized speech to illustrate grammar points. Students and teachers in courses of English grammatical analysis, English teaching methods, TESOL methods, and developmental English will all benefit from this new edition.

Grammar Express Basic Marjorie Fuchs,Irene E. Schoenberg,Margo Bonner,2004 Grammar Express Basic is designed just for beginning and low-intermediate students! Appropriate for self-study or classroom use, Grammar Express Basic uses highly controlled vocabulary, abundant illustrations, and slower pacing to quickly bring students up to speed. Concise, four-page units present and practice grammar points in context, using topics of interest and relevance to learners.

Revised Edition of Bullions' Analytical and Practical Grammar of the English Language Peter Bullions,1866

English Grammar Essentials For Dummies Wendy M. Anderson,Geraldine Woods,Lesley J. Ward,2020-03-30 The fun and easy way to learn essential grammar rules, common usage errors, and other key concepts in the English language - written specifically for the Australian audience Understanding the rules of English is key to being an effective communicator—at work, at school, or anywhere else. If you struggle with the rules—and who hasn't—English Grammar Essentials For Dummies, Australian Edition is the book for you. Covering just the basics you need, the book boils the rules of grammar down to the core concepts that will make you a better communicator in any and every aspect of your life. Ideal for students, job hunters, adult learners, those who speak English as a second language, and anyone who wants to make a good impression Covers the vital essentials needed for better written communication Serves as an excellent refresher course for professionals whose primary mode of communication is increasingly electronic and written Clear and understandable writing can be the key to success in almost any professional field. With English Grammar Essentials For Dummies, Australian Edition, you'll master the basics with ease!

Mastering the American Accent with Online Audio Lisa Mojsin,2016-09-15 Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users

speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up pull and pool. Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product.

Grammar Express with Answers Marjorie Fuchs, Margaret Bonner, Kenna Bourke, 2003 'Grammar Express' is a practical tool for intermediate students who wish to learn or review English grammar . It offers a balance of grammar reference and practice , can be used in class or for self-study , provides a range of clear explanatory charts and presents language in real-life contexts. Self-check activities and tests help students monitor their understanding and progress , 'Be careful' notes warn of common errors and 32 appendices provide useful information on a range of subjects from the obvious (irregular verbs) to the less obvious (common time word changes in indirect speech).

A Short Guide to Learning English for Study and Professional Purposes Damian Johnstone, 2020-07-30 Is English a second or foreign language for you? Do you need to improve your English language skills for your current studies or work? Or do you wish to develop your knowledge of English in order to enhance your future academic or career opportunities? Perhaps you are keen to work on your English independently but are not sure how best

to do this. Or maybe you lead a busy life, and therefore need to ensure that you target your learning time and efforts carefully and effectively. This booklet, written by an experienced teacher of English as a second language, has been produced to help you. It will show you how by following some easy to understand principles and implementing a small number of practices and habits you will be able to see sustained improvement in your English skills. It will show you how your vision to become a more competent and confident user of English can become a reality. 'A Short Guide to Learning English for Study and Professional Purposes' is suitable for all readers with a current level of English of Intermediate or above. Written with readers who want or need to work on their English independently especially in mind, it will also be useful to those who are attending English classes. Another intended use of this booklet is as a training tool for people who are not English language specialists but work with students or employees who want or need to develop their English Language skills. Thus, it would be of interest to a wide range of personnel who work in a multilingual context where English is used as a link language or language of instruction. This would include, for example: lecturers, tutors, in-company trainers and their managers. Topics covered include: § What there is to learn § How to make principles of language learning and memory work for you § How to achieve balance in your learning § How to exploit texts most effectively § How to handle vocabulary, phrases and grammar § How to use word frequency information to help you prioritise § How to use web-based tools to enhance your learning § How to set motivating and realistic plans and goals § What habits to develop in order to make sustained progress toward your goals If you are serious about developing your English skills for study or work purposes, or helping other people to do so, buying and using this book would be a good investment of your time and money. Damian Johnstone has a background in ESOL teaching in the UK. He now works primarily in training and teacher education, with a particular focus on language awareness for teachers and the learning of English as a second language.

Converging Horizons: Excelling in English Communication, Science and Strategic Management for Professional Success Dr. Reetu Singh¹, Dr. Ajit Kumar² & Dr. Kritika³, 2024-04-08 Converging horizons in the sector of education is one of the most emerging topic now a days. As the trend and requirements of education sector is changing, it is also changing the academic environment, level of competition, aspects of education. There are different factors which bring a drastic change in the demand for change in education, needs & wants and requirements. The study includes the detailed verification and determination of all those factors which are related to improve the English communication skills and the study also covers different

strategies for learning English communication.

Exploring Japanese University English Teachers' Professional Identity Diane Nagatomo, 2012 This book examines the professional identities of a highly influential group of English language teachers in Japan: Japanese university English teachers. It focuses on how relatively new teachers develop their professional identities, how gender impacts the professional identities of female professors, and how teaching practices and beliefs reflect personal and professional identity.

The Discipline of Organizing: Professional Edition Robert J. Glushko, 2014-08-25 Note about this ebook: This ebook exploits many advanced capabilities with images, hypertext, and interactivity and is optimized for EPUB3-compliant book readers, especially Apple's iBooks and browser plugins. These features may not work on all ebook readers. We organize things. We organize information, information about things, and information about information. Organizing is a fundamental issue in many professional fields, but these fields have only limited agreement in how they approach problems of organizing and in what they seek as their solutions. The Discipline of Organizing synthesizes insights from library science, information science, computer science, cognitive science, systems analysis, business, and other disciplines to create an Organizing System for understanding organizing. This framework is robust and forward-looking, enabling effective sharing of insights and design patterns between disciplines that weren't possible before.

The Professional Edition includes new and revised content about the active resources of the Internet of Things, and how the field of Information Architecture can be viewed as a subset of the discipline of organizing. You'll find: 600 tagged endnotes that connect to one or more of the contributing disciplines Nearly 60 new pictures and illustrations Links to cross-references and external citations Interactive study guides to test on key points The Professional Edition is ideal for practitioners and as a primary or supplemental text for graduate courses on information organization, content and knowledge management, and digital collections. FOR INSTRUCTORS: Supplemental materials (lecture notes, assignments, exams, etc.) are available at <http://disciplineoforganizing.org>. FOR STUDENTS: Make sure this is the edition you want to buy. There's a newer one and maybe your instructor has adopted that one instead.
