Andrey Taranov

*Latvian-English, English-Latvian Dictionary* M. Sosāre, Irēna Birzvalka, 1993 16,000 entries includes phrases and idiomatic expressions. Phonetic transcription is given in the English-Latvian section.--Back cover.

Latvian-English Dictionary Leonard Zusne, 2008-07-30 This unabridged work includes a previously distributed DICTIONARY OF LATVIAN PROVERBS, making it unique and more attractive than similar publications. A translating dictionary, like this one, is a practical dictionary that translates words in existing texts. It does not, as a rule, provide descriptions or explanations, nor does it set norms of how words should be spelled. The aim of dictionary users can be either to understand the source language (the language of the headwords) or to translate it into the target language (the language of the translation equivalents). The user's first language can be either the source language or the target language. This makes for four possible types of interlingual dictionaries (descriptive, prescriptive, or translating). Existing Latvian-English dictionaries indicate that they are intended for users whose first language is Latvian and whose purpose is to translate it into English. This dictionary is intended primarily for users whose first language is English and who wish to understand texts written in Latvian. This, of course, does not preclude Latvian speakers from using it to translate from Latvian into English, i.e., to produce English texts. English-speaking Latvians

may, in fact, find it helpful for accurate and natural translation. Other features of this dictionary are: the number of entries(over 106,000), which is more than double that of any other Latvian-English dictionary; the use of American rather than British English; an extensive coverage of technical terms from all fields of science and technology; the comprehensive inclusion of spelling variants; and the inclusion of colloquialisms, common speech words, vulgar terms, slang, barbarisms, selected regionalisms, and terms found in folkloric language. [A dictionary of Latvian proverbs is included in the back. The entries of this dictionary were collected from various extant monolingual and bilingual Latvian dictionaries, general and specialized: spelling dictionaries, technical dictionaries, etymological dictionaries, general encyclopedias, periodical literature, and many Latvian speakers. Of the latter, I want to single out the contribution of the late sea captain, Inats Lejnieks. In his time, the captain had commanded full-rigged sailing ships with Latvian crews, and he supplied the Latvian equivalents of the names of sails and principal ropes, spars, and part of the hull. I was fortunate to have captain Lejnieks share his expertise with me as this material was not available anywhere else.

**Latvian-English, English-Latvian Dictionary & Phrasebook** Amanda Zaeska Jātniece, 2004 About two million people speak Latvian worldwide, most of whom reside in the Republic of Latvia. This two-way dictionary furnishes travelers, businesspersons, students, and diplomats with

essential vocabulary.

**English-Latvian Learner's Dictionary (Arranged by Themes, Elementary - Pre-Intermediate Levels)**

Multi Linguis,2024-01-03 Multi Linguis offers you a frequency-thematic dictionary of the Latvian language. It includes up to 3'000 essential lemmas belonging to the levels from Elementary to Pre-Intermediate. The entries are divided into 300 vocabulary themes as well as 2 importance levels. They are arranged by themes, not by the alphabet. The book is intended to help you learn this language or revise your vocabulary in a thematic way, but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. You can find full version of this and other dictionaries of the Latvian language on <https://multilinguis.com/languages/latvian-l/>.

Languages, 2019-05-14 Latvian vocabulary book + Latvian dictionary This Latvian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Latvian-English as well as English-Latvian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Latvian learning resource is a combination of Latvian vocabulary book and a two-way basic Latvian dictionary: Part 1 - Topic based Latvian vocabulary book: This is the main part of the book and represents a list of chapters each containing Latvian vocabularies for a certain topic. The Latvian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Latvian dictionary: The index in the second half of the book can be used as a basic Latvian dictionary to look up words you have learned but can't remember or learn

new words you need. Part 3 - Basic Latvian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Latvian words and directly find the English translation. How to use this Latvian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Latvian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Latvian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Latvian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Latvian and comes in particularly handy at times when there is no internet to look up words and phrases.
