Haunted Garfield County, Oklahoma Tammy Wilson, Jeff Provine, 2022-08-22 Explore more than a century of Garfield County's ghostly lore. Garfield County is seemingly a quiet span of rural Oklahoma, but its history is steeped with strange legends. Enid (originally known as Skeleton for chilling reasons) has served as the major center since winning out in the violent railroad war of 1894. Early settlers were startled when a mysterious stranger claimed to be John Wilkes Booth in a deathbed confession thirty years after Lincoln's assassination. The intervening decades only added to the county's haunted heritage, from the phantom staff still in the Broadway Tower to the glowing headstone at Imo. Join Jeff Provine and Tammy Wilson in the shadows that stalk the countryside and the spillways beneath town.

Oklahoma Tall Tales Uncovered Joe M. Cummings, 2022-11-07 From Amelia Earhart's arrest to the croquet mallet that foiled Bonnie and Clyde, Joe M. Cummings reveals the hidden depths of Oklahoma's tall tales. Oklahoma has no shortage of tall tales chock full of truth, however unlikely it might seem. Puzzle over Geronimo's three skulls. Examine the beer bottle that suckered town leaders on April Fools' Day or join the mad rush of a hundred thousand person race. Accompany the governor who went to the White House and boxed the President. Untangle the hideouts and shootouts of notorious outlaws like the Dalton Gang. Retrieve the kind of lore that is buried alongside Oklahoma's legends.

Chasing Ghosts, Texas Style Brad Klinge, Barry Klinge, Kathy Passero, 2011-09-27 Part high-adventure tale, part autobiography, this page-turner recounts the eerie experiences that convinced brothers Brad and Barry Klinge, founders of Everyday Paranormal and stars of the TV series *Ghost Lab* on Discovery Channel, that ghosts really do walk among us. Brad and Barry Klinge have been investigating paranormal occurrences for the last twenty years, and in *Chasing Ghosts, Texas Style*, they divulge some of their most exciting ghost encounters and analyze the science behind their paranormal hunts. Each chapter of this fascinating book focuses on the Klinge brothers' investigations into the creepiest of places, and explains how they have been able to capture both audio and video of paranormal occurrences using their high tech tools, and a healthy dose of common sense. Even when faced with mysterious slamming doors and haunting pleas for help, these brothers never shy away from a bone-chilling encounter or another chance to investigate a centuries-old haunting. Whether they are simply looking for a frightening ghost story or are more interested

in the science behind ghost hunting, readers will not be able to put this gripping book down. In fact, they may even be inspired to take up ghosthunting themselves.

There's More to Life Than This Theresa Caputo, 2013-10-01 For fans of TLC's Long Island Medium and anyone interested in the big questions of life, death, and finding out what's important in between, New York Times bestselling author and medium Theresa Caputo shares how she discovered her gift and her many

encounters with Spirit. Beloved medium Theresa Caputo, star of the hit television show *Long Island Medium*, opens the door to her world and invites you to experience her exceptional gift of communicating with those who've crossed over to the Other Side. The always funny, frank, and down-to-earth medium—whether she's talking to her family, the local butcher, or the souls of those who've passed on—began communicating with Spirit at the age of four, but didn't fully accept her gift until she was thirty-three years old. She had a good life as a busy wife and working mom, but also suffered from chronic anxiety that, as it turned out, came from ignoring her abilities. Once Theresa began channeling, she realized that she felt much better after delivering a message from Spirit and releasing that energy. Since then she's used her extraordinary gift to help people heal from the loss of their loved ones. Theresa feels that it's her purpose to make us all aware that there is more to life than what we see here in the physical world. She wants you to know that your deceased loved ones are safe and at peace, and that they're now with you in a different way—watching over you, loving you, and assisting you from the Other Side. She also wants you to realize that the unexplainable things you sense and feel from these souls are real, and that it's healthy and essential to acknowledge them. *There's More to Life Than This* lends insight on how Theresa's mediumship works, what happens to your soul when you die, what Spirit says Heaven is like, what the deceased want you to know, the importance of living a positive life, and the many roles that your family, friends, angels, guides, souls of faith, and God play here and in the afterlife. It also explores how to safely connect with Spirit, so that you can recognize when your loved ones are reaching out. Through Theresa's personal story, compelling anecdotes, and fascinating client readings, she teaches us about how she communicates with Spirit and helps us to understand and appreciate the important lessons and touching messages that we're meant to embrace every day.

Enid Jeep Collins,2021-04-09 This is the story of Enid Collins, the famed handbag designer of the 1940s, 50s and 60s. The setting is Spring Valley Ranch, the 400 acres of rugged but beautiful land that she and husband Frederic Collins bought sight unseen in order to pursue a dream of ranching - a dream that wasn't to be. Instead, out of their need to survive, they did what they knew how to do, they made things. In many ways, their remote and rugged lives were far from ours today. In other ways, they were not that different. They succeeded, they struggled, they lived. We begin as spectators watching from a distance but through this story we are beckoned closer - to see what they saw and, indeed, read their journaled thoughts. Through this human story you are invited to examine your own life, to question. You are invited to a place of deeper meaning and purpose.

You Must Remember This Joyce Carol Oates, 1998-11-01 From Joyce Carol Oates, the bestselling author of *We Were the Mulvaney*, comes an epic family novel about the division between the permissible and the forbidden, between ordinary life and the secret places of the heart. Set in an industrial, working-class town in upstate New York, *You Must Remember This* is the story of the Stevicks: two parents trapped in a frustrating marriage; their idealistic, ambitious son, and fifteen-year-old Enid Maria, who becomes caught up in a secret sexual relationship with her uncle Felix, a professional boxer twice her age. A true and empathetic tale that merges love and violence, it is also a brilliant re-creation of a decade that worshiped conformity, one that tells of lives that break every convention in the search for meaning and fulfillment.
