Driven Kevin Cook,2008-08-21 An inside look at the creation of the new breed of superstar golfers Golf keeps looking for the next phenom who will take over the game the way Tiger Woods did in the mid-nineties. But in all likelihood this young golfer will not be discovered but created in a gated three-hundred-acre complex in Florida called the David Leadbetter Golf Academy. Here exists a fierce training ground, where ultra-high-tech cameras provide cutting-edge swing analysis and young players spend almost every waking hour on the driving range. In *Driven*, award-winning journalist Kevin Cook shows how the game has evolved from a sport of paunchy men to one populated with muscular youngsters blasting tape-measure drives. A vivid snapshot of a rapidly changing game, *Driven* is a riveting look at the making of golf 's next generation.

Drive Bob Harig,2024-03-26 Bob Harig's latest deep-dive into Tiger Woods' thrilling career, as seen through his iconic 2019 Masters comeback and win. In April of 1997, the world of golf was forever changed. At the age of 21, a young Tiger Woods won the most prestigious golf tournament in the world, the Masters, by a record of 12 strokes. Woods became the youngest golfer ever to win the Masters and the first African or Asian-American player to win a major. History had been made - and would continue to be made over the next 15 years. Woods transformed the game, turning golf geeks into keen observers, casual golf fans into ardent followers and even indifferent sports fans into curiosity mavens. He will undoubtedly be known for the raw numbers: 82 PGA Tour titles, 15 major championships, and according to Forbes, a billionaire who amassed more than \$110-million in official PGA Tour earnings. Woods has proven to be a complicated figure through his decades in the spotlight. Plagued by marital scandal, a DUI arrest, and severe back injuries that resulted in what even he believed would be a career-ending spinal fusion surgery in 2017, Woods' career finally seemed to be coming to an end. That all changed through 2018 and into 2019 as Woods returned slowly from the surgery. In 2019, on the same course where he won for the first time in 1997, Tiger Woods made history once again, winning the Masters one final time. The 2019 Masters brought together all the qualities that ultimately make up someone who has been an enduring figure for 30 years. In this captivating and emotional portrait of one of the most famous figures in sports, Bob Harig brings readers the true story of the grit and perseverance of Tiger Woods in the final years of his career. *Drive* will show that Woods' true legacy is one of resolve and redemption.

Driving Myself Crazy Jessica Maxwell,2001-02-27 Adventure writer Jessica Maxwell loves a challenge and decided to tackle golf the way she had tackled skiing and fly-fishing, two demanding sports she took up in her early thirties after a life as a confirmed non-jockette. Surely golf couldn't be that much more difficult?could it? In this irreverent memoir we have a front-row seat as Jessica struggles to learn golf's etiquette, traditions, and complex rules—from her first comical attempts to coax practice balls out of a golf ball machine, to just hitting the damn ball, to acquiring her own set of Nancy Lopez clubs! Among her coaches are Peter Croker, a revolutionary Australian teaching pro, Cindy Swift Jones, his partner and putting guru, and Al Mundle, the Harvey Penick of the Northwest, as well as seventy-eight-year-old American women's golf legend Peggy Kirk Bell and the queen of golf herself, Nancy Lopez. A willful celebration of what one golf coach called the atrocious first year, *Driving Myself Crazy* is an often hilarious, always inspiring tale of one woman's obsession with proving to herself that golf—played right—is a beautiful game ... at least for that moment.

Terroir of Golf Taba Dale,2023-04-01 In 2016, I had my heart set on playing golf at two places in particular-Shiskine (Isle of Arran) and Machrie. Bounding around both of these golfing gems and many places in between, I discovered parallels between creating a unique wine (one which we savor when we drink), and that of a unique golf experience that we drink in while playing a course. As with a fine wine, it is equally intoxicating when a superb golf course delivers a powerful connection with nature. And so, while meandering around the dunes of The Machrie, all the elements coalesced for me into a single phrase: Terroir of Golf. I borrowed from the world of wine; terroir (French from the word terre, or land) refers to the specific environment where a particular wine is produced. The concept of terroir, as it relates to a crop of grapes, starts with the physical habitat-the soil, climate and the topography. This epiphany occurred to me while on Islay, much better known for whisky than it is for golf, thus I'm loosely borrowing from the world of whisky-making too. I rather doubt that even the most sophisticated distilleries would use the word terroir to describe how they craft whisky (or whiskey in Ireland). Perhaps there is a Scottish word for the importance of the ground and the grain that goes into the making of uisge beatha (or uisce in Irish Gaelic) which translates into water of life. It was the Irish monks of the early Middle Ages who used the Latin translation of aqua vitae to describe distilled alcohol. But that discussion requires a red, white or brown liquid, poured into a lovely crystal glass, with or without a stem, to be properly and luxuriously explored at great length. Taba Dale

Playing Through Jim Moriarty,2016-10-01 The game of golf has been witness to dramatic change since the early 1980s. Technology has relegated polished wooden drivers and wound balls covered with balata to the dustbin of history. The world's great courses have been stretched unfathomable lengths to counter the game's modern champions and the distances they hit the ball. In the end, though, it still comes down to the players. Jim Moriarty has focused his attention on the glory, sacrifice, success, and despair of these champions. In *Playing Through*, he captures the essence of this most recent, most transformative chapter in golf's long history. He writes of the last great rivalry: Jack Nicklaus versus Tom Watson; the rise of the European juggernaut with Seve Ballesteros and Nick Faldo; the Ryder Cup spectacles of 1999 and 2012 and the romance of team golf; the tragic loss of Payne Stewart and Ballesteros, both gone too soon; the emergence of the Australians, South Africans, South Americans, and Pacific Rim players in the Presidents u and the man who ruled golf, Tiger Woods. Golf may have changed in the last thirty-five years, but Moriarty's words show that no matter how far the ball flies, it still pits players against themselves, the elements, and their opponents to remain the game we all know and love.
