Love and Sex Stories Marcial Villarroel S,2018-12-14 It is presented as a set of playful narratives, composed of additional stories and interlaced temporarily. Completely impregnated with intense libidinosity, which magnetizes when reading them by the explicit sexuality, through the descriptions in each line, loaded with erotic insinuation

and sensuality. The stories unfold revealing the intimate life as the true feelings of each of the characters. With events that are developed in an agile way around the young central character, from insecurity to confidence with the first seduction of love. With unexpected sexual situations that are given later, without preventing the intertwining of the lives of the characters, with a strong charge of erotic sexuality. Allowing us to see the interior and secrets that surround them all. An irreverent way to write about love and sex. More visual and modern. For an audience with criteria more than trained, but with a lot of imagination.

Angela's Famous Sexual Adventures Volume One Angela Goodnight, Peter Stone, 2014-09-22 Angela Goodnight and Peter Stone have collected in a single volume, thirty-nine true stories of love, romance, sex and lovemaking. They were teenage lovers in the sixties, but were separated by circumstances, beyond their control. They didn't find each other again until forty-five years later. This collection of stories tells of their sexual adventures during that period and which they decided to write after they found each other again and married. As they lived their separate lives through their late teens, twenties, thirties, forties and fifties they encountered all sorts of sexual and relationship problems which they have recounted in their stories. Many of these stories are romantic, humorous, emotional and filled with love. Most are also sexually explicit and this book is strictly for over eighteens. The authors claim writing their stories has made them extremely horny - they hope you will get the same result from reading them!

Whole Lesbian Sex Stories Felice Newman, 2013-01-21 Confessions of an Erotica Reader I love lesbian sex. I love talking about sex. I love mentally undressing the sexy women in my life. I love planning what I'm going to do when my partner gets home. I love having sex, curling my hand inside my partner and feeling the intensity of her pleasure. I love her hand curled inside me, the experience of utterly losing control. I love it all. Outside of actual fucking, my favorite kinky activity is reading erotic stories. I love crawling inside another person's imagination. What hot situation will she dream up? Who are the characters, where in the story will they come together, and what will they do once they get there? I'm a voyeur. By reading erotica I get to "watch" hot women having sex. Sometimes an erotic story presents me with new ideas, and sometimes an erotic stories causes me to revisit an erotic scenario or activity I hadn't entertained recently. You might say that reading erotica keeps me fresh. No surprise, since I am a founding publisher of Cleis Press, which has published thousands of them. As a sex educator and sex coach, I deploy erotica as the secret tool for women who feel stuck or emptied of desire. Read sex stories, indulge your fetish, get your kink on, discover your heat, I say. Since publication of *The Whole Lesbian Sex Book: A Passionate Guide for All of Us*, I have heard from many, many women, grateful to have a sex guide written just for us—and packed with information and suggestions, and, as one woman wrote, "inspiration, affirmation, and illumination." Think of *Whole Lesbian Sex Stories* as the companion volume to *The Whole Lesbian Sex Book*. Here are my favorite graphic depictions of lesbian sex—stories of urgent sex, kinky sex, vanilla sex, self-pleasuring sex, cross-dressing sex, public sex, butch/femme sex, voyeuristic sex, BDSM, edgy sex, passionate, dirty sex. It's all here.
