Escape from the Dead Joshua A. Brown,2017-01-18 The world is at war, but from the depths of space comes a huge asteroid on a direct course for the earth. The nations at war work together quickly on a plan to destroy it, but rogue forces jump the gun, and the danger becomes a catastrophe as the broken up asteroid rains debris upon the earth. The asteroids, and the disasters they cause, send the death toll into the billions, but the nightmare is just beginning. The dead begin to awaken, seeking to feed on human flesh. Amidst this chaos, Jake and Mick Scott- military fighter pilots- seek to reunite with their friends, who are also soldiers returning home. Once they have met, they will seek some kind of safety. Ash Welles, meanwhile, is looking to take back her sister Dana from the clutches of their murderous father. But the best laid plans sometimes go to ruin, and soon, the group is on the run. Finding shelter, along with others, they may have found some kind of safety. But as they soon find out, time is running out, and all there is left to do is to escape from the dead.

Escape of the Living Dead John Russo,2006-09-05 It is 1971, and it's been three years since the blood soaked night that the dead rose from their graves, attacking and devouring the living. Now, the legacy of that horrific and unexplained event is about to be unleashed once again upon an unsuspecting world. But this time, there may be no escape for those in the terrifying clutches of the cannibalistic living dead! Hidden within the concrete walls of a secret medical research lab, someone has been studying the last remaining undead remnants of the marauding zombie army. Unleashed by the untimely intervention of a group of road weary bikers looking for an easy score, the walking dead renew their gut ripping campaign of terror. As each member of a rural community dies in the grotesque feeding frenzy of the zombies, so does the nightmare army grow as half-eaten victims rise up to join the ranks of the undead. Can anything possibly contain the contagion being spread by the escape of the living dead?

The Hungry Dead John Russo,2013 Midnight-First, they captured small animals. Then, they moved on to bigger prey. Now the backwoods family that slays together stays together for one last midnight snack: a pair of unsuspecting travellers whose ritual torture and sacrifice will only intensify the demonic clan's cravings...for more. Yeah, they're dead...they're all messed up. Escape Of The Living Dead - In an isolated roadside diner, a desperate group of strangers barricade themselves against a ravenous horde of undead customers who crave something more than the early bird special. They want flesh. Human flesh. With a side order of brains and stomach-turning terror.

To Escape the Dead Stephen Charlick,2016-06-09 For five years the Dead and their savage hunger have been a plague upon humanity. Just what caused every fresh corpse to shake off their dark oblivion within minutes of their last breath, no one knew, but one thing was certain they always came back and they always burned with a new and deadly compulsion to feast upon the living. So when Liz awoke from a fitful sleep to the sounds of screaming, she knew once again she would have to fight to keep those she loved alive. With Charlie, an ex-soldier, and the others of their group by her side she at least knew she stood a chance to keep her sister, Anne, safe. But just how many more chances would they have left? How many more safe havens would collapse into scenes of terror filled carnage, sending them fleeing for their lives and would they ever truly find a sanctuary from the Dead, a sanctuary they could call home?

Death Sentence Alexander Gordon Smith,2011-08-02 Alex's second attempt to break out of Furnace Penetentiary has failed. This time his punishment will be much worse than before. Because in the hidden, bloodstained laboratories beneath the prison, he will be made into a monster. As the warden pumps something evil into his veins--a sinisterly dark nectar--Alex becomes what he most fears . . . a superhuman minion of Furnace. How can he escape when the darkness is inside him? How can he lead the way to freedom if he is lost to himself?

Now, the untimely intervention of unwitting authorities sets free the dea to walk among the living once more. Can anything possibly stop this new, gut-ripping tide of carnage? Or become one of them yourself. Whether or not you live through the night depends solely on the choices you make. One bad decision could get you killed. With any luck, you just might find the One Way Out and... Escape from Zombie Island.

Death March Escape Jack J. Hersch,2018-10-30 “Blending elements of memoir, history, and biography,” the son of a Holocaust survivor “portrays the horrifying reality of the . . . concentration camps” (Midwest Book Review). In June 1944, the Nazis locked eighteen-year-old Dave Hersch into a railroad boxcar and shipped him from his hometown of Dej, Hungary, to Mauthausen Concentration Camp, the harshest, cruelest camp in the Reich. After ten months in the granite mines of Mauthausen’s nearby sub-camp, Gusen, he weighed less than 80lbs, nothing but skin and bones. Somehow surviving the relentless horrors of these two brutal camps, as Allied forces drew near Dave was forced to join a death march to Gunskirchen Concentration Camp, over thirty miles away. Soon after the start of the march, and more dead than alive, Dave summoned a burst of energy he did not know he had and escaped. Quickly recaptured, he managed to avoid being killed by the guards. Put on another death march a few days later, he achieved the impossible: he escaped again. Using only his father’s words for guidance, Jack Hersch takes us along as he flies to Europe to learn the secrets his father never told of his time in the camps. Beginning in the verdant hills of his father’s Hungarian hometown, we accompany Jack’s every step as he describes the unimaginable: what his father must have seen and felt while struggling to survive in the most abominable places on earth. “This deeply personal and extremely informative portrait of a man of indomitable will to live, as Hersch emphasizes, reminds us of why we must never forget nor trivialize the full, shocking truth about the Holocaust.”—Booklist
