How to Escape from a Leper Colony Tiphonie Yanique, 2012-08-07 An enthralling debut collection from a singular Caribbean voice For a leper, many things are impossible, and many other things are easily done. Babalao Chuck said he could fly to the other side of the island and peek at the nuns bathing. And when a man with no hands claims that he can fly, you listen. The inhabitants of an island walk into the sea. A man passes a jail cell's window, shouldering a wooden cross. And in the international shop of coffins, a story repeats itself, pointing toward an inevitable tragedy. If the facts of these stories are sometimes fantastical, the situations they describe are complex and all too real. Lyrical, lush, and haunting, the prose shimmers in this nuanced debut, set mostly in the U.S. Virgin Islands. Part oral history, part postcolonial narrative, *How to Escape from a Leper Colony* is ultimately a loving portrait of a wholly unique place. Like Gabriel García Márquez, Edwidge Danticat, and Maryse Condé before her, Tiphonie Yanique has crafted a book that is heartbreaking, hilarious, magical, and mesmerizing. An unforgettable collection.

Escape from Germany Kurt F. Jensen, 2019-10-01 Pete Anderson, the only Canadian officer to escape from a World War I POW camp and other adventures in the Russian revolution Pete Anderson was a genuine Canadian hero. Canadians generally agree that heroes are celebrated less in their culture than in some others. This treatment of heroes does little to recognize and value the many ordinary men and women who went before to attain extraordinary achievements. Pete Anderson, whom this book is about, was such a person. He didn't change the world. But he did make a significant difference. In typical Canadian fashion, he didn't view himself as a hero. Before going to war in 1914, Anderson had been an early pioneer in Edmonton, Alberta, where he had been a successful, rich, and respected businessman. He was a middle-aged man when he fought in the First World War. Shortly after arriving in France, he was captured by the enemy, on his birthday. In a daring escape, he was able to breach the defences of the prisoner of war camp in which he was held and to return to Britain, after an eventful transit through much of Germany. He, and others, thought that he might have been the first Canadian to have escaped from the Germans. He was not. A fellow Albertan, Cpl. Ernest Atherton of the 10th Battalion, probably escaped slightly earlier. However, Anderson was not only the first Canadian officer to successfully escape, he was also the only Canadian officer to escape during the First World War (many others made the attempt but were recaptured). Towards the end of the war, Anderson volunteered to fight in northern Russia, first against the Germans and then as part of an Allied attempt to overthrow the Bolshevik revolution of 1917. When he returned from his wars, he had earned two Distinguished Service Orders (DSO Bar), a senior honour awarded for exemplary service under enemy fire.

ESCAPE FROM SHANGRI-LA Elsa M. Spencer, 2013-08 Kelsang and Dukar Kaiser, my sister Elsa. Kel sang, Du what and Kaiser, I said, trying to remember the very unusual-sounding name, though the contrast with the obviously German family name had me puzzled, when the attractive young couple left. Our next-door neighbors are Tibetan by birth, German Swiss through adoption. Their life stories, although short, read like a movie plot, my sister Gloria explained. I met the beautiful Kelsang and Dukar Kaiser again a few months later when my husband and I visited my sister. We barely

made it to Bhutan in 1959. Eventually my family settled in Dharamsala, India, practically next door to the Dalai Lama, Kelsang offered. Two years later in 1961, my family was also forced to flee the country, Dukar contributed. In my ignorance of genetic code, I found Dukar more Tibetan looking. He impressed all of us with his vast knowledge on many subjects, which he expressed with an articulate command of the English language. Although his persona could have been viewed as reserved, he was both gregarious and sociable. Why don't you ask them if you could write their life stories, Elsa? I think they would like it, Gloria suggested. They did, and I spent the next few days interviewing them. The story unfolded slowly, though only partially, due to their tender age: they were five and seven years old when they fled Tibet with their family as political refugees. The moments they never forgot were the fear and the horrors of what they saw, the constant hunger, and the weariness of the long journey. After many months of research and three moves, military transfer, from the Atlantic to the Pacific coasts and back to the Atlantic, I was able to put together a story based on the personal tragedy and triumph of these two youngsters.

The Silent Escape Through the Nights of the Kurdish Regions Dana Berzinjy,2013-02-13 It was very difficult time for the Kurds, because Kurdish people began a revolution against the Iraqi government. The Kurdistan leadership under Mustafa Barzani took arms struggle against the government, due the government denied the Kurdish rights such as autonomy. The Iraqi government attacked the Kurdish cities, towns and villages in Iraqi Kurdistan. The Kurds existed thousands of years before the arrival of the Arabs in the Middle East. In July 1963 the Iraqi troops brutally attacked the innocent Kurdish civilians. My father was a police officer at the local police station in Sulaimaniyah, and he knew that the Iraqi Military would attack our city and the other provinces of Kurdistan. My dad told us to be ready to leave the city and go to the town of Berzinje, we all left except my dad and then to the village of Wenderene. Then my father arrived too, and said the military imprisoned, and killed, so many innocent people including teenagers. We had two big photos of Mustafa Barzani and Mam Jalal Talabani, my father tried to break the photos, but he cut his fingers while doing that. The son of our landlord was killed without any legitimate reason; his parents buried him in the house. My aunties friend Kak Fars helped us a lot in the village. My grandfather had a donkey in order to get him to the vineyard in Berzinje. My dad asked us to go to the village of Wenderene and take some foods and blankets. We tried our best in order to hide from the Iraqi (National Guards), these troops were sent from Baghdad the capital of Iraq.

Escape From Kathmandu Kim Stanley Robinson,2000-06-03 Kim Stanley Robinson's *Escape From Kathmandu* is a light-hearted fantasy tribute to the world of extreme mountain climbing follows the adventures of two American expatriates living in Nepal. Living in the city of Kathmandu in the Kingdom of Nepal are dozens of American and British expatriates who are in love with the Himalayas. George Fergusson is one of them--he works as a trek guide for Take You Higher, Ltd., leading groups of tourists into the back country and occasionally assisting on serious climbs. George Freds Fredericks is another--a tall, easy-going American who converted to Buddhism while in college. He visited Nepal one year and never went home. The

adventures started when George and Freds got together over the capture of a Yeti--an abominable snowman--by a scientific expedition. The thought of such a wild and mysterious creature in captivity--in prison--was too much for them to bear. And in freeing the Yeti, a great partnership was born. George and Freds will go on to greater heights as they explore the mysteries of Nepal, from Shangri-La to Kathmandu's governmental bureaucracy.

Escape from Java John J. Domagalski,2022-03-24 The harrowing, triumphant true story of an antiquated light cruiser and its crew suddenly under fire in the Pacific as WWII erupted: "An engrossing tale." —Naval Historical Foundation The old light cruiser Marblehead was living out her final years of naval service as a member of the United States Asiatic Fleet in 1941. The small group of mostly antiquated ships based in the Philippines sailed the waters of East Asia to show the American flag in places like China, Hong Kong, Japan, and Singapore. Then the sudden eruption of World War II in the Pacific put the warship on the front lines of the conflict as Imperial Japan unleashed a series of devastating attacks across the region. On the morning of February 4, 1942, the warship was surprised by Japanese planes northeast of Java. Two large bombs slammed into Marblehead, causing fires and casualties and knocking out her steering gear. A third bomb exploded close by underwater. The near miss ripped a large gash into her hull, allowing a torrent of water to rush inside the ship. *Escape from Java* takes us throughout the ship as the story unfolds—next to gunners toiling to keep their guns firing, with medical staff tending to the wounded, and alongside damage control sailors working in flooded compartments. The Japanese confidently radioed that they had sunk the ship—but through courage, sacrifice, and superhuman effort, Marblehead would set out on a harrowing 13,000-mile journey back to the US . . . "An engrossing tale of an obsolescent ship's survival amid great odds set against the brutal early fighting of the Pacific War. This book will appeal to a wide audience not only as high wartime adventure but simply as a story of gritty perseverance when the odds are heavily against." —Naval Historical Foundation
