**English for Everyone: Level 1: Beginner, Course Book** DK,2016-06-28 Our Course Book (Level 1) is a great reference guide to introduce English for beginners including key language skills, grammar, and vocabulary. Ideal for English test preparations or ESL lesson plans, the Course Book uses visual teaching methods to introduce the English language, reinforced through a variety of exercises and examples when used alongside our Practice Book (Level 1). From introducing yourself and talking about your home, city, and hobbies to expanding your vocabulary and understanding grammar rules, this is a completely comprehensive introduction to learning English. Whether you are looking for ESL teaching materials, or a structured program for adults to learn English as a second language, the English for Everyone Course Books provide:

- Sample language examples: New language topics are introduced in context using clear, illustrated, and color-coded explanations
- Supporting audio: Extensive English-speaking audio materials integrated into every unit, giving vital oral and listening practice. (All supplementary audio is available on the DK English for Everyone website and IOS/Android App).
- Sentence formation guides: Visual break downs of English grammar, showing learners how to recreate even complex English sentences
- Visual English vocabulary cues: Lists of useful English words and common phrases with visual aids are available throughout the book
- Personalized learning: Write-on lines encourage ESL learners to write their own prompts and translations where needed to help customize English language learning

The English for Everyone Level 1 resources cover the skills and topics required for all major global English-language exams and reference frameworks including:

- CEFR: A1
- TOEFL (test paper): 0-250
- TOEFL (computer-based test): 0-30
- TOEFL (online test): 0-10
- IELTS: 0-2.5
- TOEIC: 0-200

English for Everyone is a series of guides and practice books that supports English learning for adults from a beginner level, to intermediate, and advanced practical English. Offering an easy-to-follow format that offers guidance for both teaching English as a second or foreign language, and a self-study approach with resources available to improve English speaking, reading, and writing.

*The Ornament of the World* Maria Rosa Menocal,2009-11-29 This classic bestseller — the inspiration for the PBS series — is an illuminating and even inspiring portrait of medieval Spain that explores the golden age when Muslims, Jews, and Christians lived together in an atmosphere of tolerance (Los Angeles Times). This enthralling history, widely hailed as a revelation of a lost golden age, brings to vivid life the rich and thriving culture of medieval Spain, where for more than seven centuries Muslims, Jews, and Christians lived together in an atmosphere of tolerance, and where literature, science, and the arts flourished. It is no exaggeration to say that what we presumptuously call 'Western' culture is owed in large measure to the Andalusian enlightenment...This book partly restores a world we have lost. —Christopher Hitchens, *The Nation*

**Business English** Andrea B. Geffner,2016-09-01 This updated edition provides clear, concise instruction on every form of business writing, from traditional business letters, reports, and memos to email and other electronic communications. The author emphasizes that effective business English begins with mastering grammar and sentence structure, and presents a brush-up review of grammar and correct English usage. She also advises on achieving an appropriate business style that conveys the writer's message succinctly without resorting to stilted, overly formal language or meaningless jargon. This book is perfect for the modern businessman since it's been updated for today's web-based world. Includes excellent examples of model business letters, resumes, employment letters, interoffice memos, news releases, and business reports. Additional features include exercises with answers and essential advice for job interviews.

**Promoting the Educational Success of Children and Youth Learning English** National Academies of Sciences, Engineering, and Medicine,Health and Medicine Division,Division of Behavioral and Social Sciences and Education,Board on Science Education,Board on Children, Youth, and Families,Committee on Fostering School Success for English Learners: Toward New Directions in Policy, Practice, and Research,2017-08-25 Educating dual language learners (DLLs) and English learners (ELs) effectively is a national challenge with consequences both for individuals and for American society. Despite their linguistic, cognitive, and social potential, many ELs—who account for more than 9 percent of enrollment in grades K-12 in U.S. schools—are struggling to meet the requirements for academic success, and their prospects for success in postsecondary education and in the workforce are jeopardized as a result. Promoting the Educational Success of Children and Youth Learning English: Promising Futures examines how evidence based on research relevant to the development of DLLs/ELs from birth to age 21 can inform education and health policies and related practices that can result in better educational outcomes. This report makes recommendations for policy, practice, and research and data collection focused on addressing the challenges in caring for and educating DLLs/ELs from birth to grade 12.

*The Drama Book* Alice Savage,2019-04-22 Everything you need to get dramatic in the classroom

This easy-to-use, comprehensive teacher-resource book has lesson plans and practical activities that integrate theater into language learning. Plus ten original scripts so you can put the activities into action immediately! Drama and play scripts can be used to teach pronunciation, pragmatics, and other communication skills, as well as provide grammar and vocabulary practice! Conveniently organized into two parts, Part 1 includes pragmatics mini-lessons, community builders, drama games, and pronunciation activities. There are also lesson plans for producing a play (either fully-staged or as Reader's Theater), as well as guidelines and activities for writing plays to use with (or without students,) and suggestions for integrating academic content. You'll even find rubrics and evaluation schemes for giving notes and feedback. Part 2 includes 10 original monologues and scripts of varying lengths that can be photocopied and used in the classroom. Specifically designed to feature everyday language and high frequency social interactions, these scenes and sketches follow engaging plot arcs in which characters face obstacles and strive to achieve objectives. With a foreword by Ken Wilson, this book is a must-have for anyone interested in using the performing arts to help students become more confident and fluent speakers.
