Strategic Sport Communication Paul M. Pedersen,Pamela C. Laucella,Edward (Ted) M. Kian,Andrea N. Geurin,2024-04-10 Sport continues to experience unprecedented popularity, with growth driven by the evolving ways in which sport teams, athletes, and media communicate with their audiences and fan bases. In turn, the dynamic world of sport communication offers burgeoning career opportunities for students skilled in communication and passionate about sport. No other college text explains the nuances of the field more effectively than Strategic Sport Communication. Now in its fourth edition, the text blends theory and research with practical approaches and current examples to provide students with a comprehensive examination of all aspects of sport communication. The text boasts an unparalleled authorship team of international sport communication scholars, educators, and practitioners and aligns with the Common Professional Component topics outlined by the Commission on Sport Management Accreditation (COSMA). The updated edition features a two-part structure. The opening chapters present the history of the field, career opportunities available to aspiring sport communicators, and an examination of the intersection between sport communication and today's sociological and cultural issues, such as gender and sexuality, race and ethnicity, and nationalism. Part II is dedicated to the Strategic Sport Communication Model (SSCM), bridging theory and practice by detailing the three main components of sport communication: personal and organizational aspects of sport communication, mediated communication in sport, and sport communication services and support systems. Mass media and their shifting and converging roles in the sport communication space are explored, while special attention is given to digital sport media, including Internet usage in sport and the Model for Online Sport Communication (MOSC), espousing seven central aspects of sport websites. The text is rounded out by chapters focusing on integrated marketing communication, including advertising, sponsorships, athlete endorsements, and data analytics; public relations and crisis communications; and sport communication research. Additional updates and new features of the fourth edition include the following: The suite of instructor ancillaries and student resources is the most comprehensive of any sport communication text. These resources are delivered in HKPropel, with case studies and Issues in Sport Communication activities and questions assignable to students within this platform. The Digital, Mobile, and Social Media in Sport chapter has been updated to address the latest technological advancements, such as mobile devices, social media, influencers, streaming services and video, virtual reality, and augmented reality. New case studies, job listings, and sport communicator profiles are included in each chapter, providing examples of sport communication in action and highlighting key players in the industry and career opportunities for students. Strategic Sport Communication, Fourth Edition, presents a comprehensive examination of the evolving field of sport communication and prepares students for an exciting and fulfilling career in this burgeoning field. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.

Sports-talk Radio in America John Mark Dempsey,2006 Sports-Talk Radio in America looks at major-, medium-, and small-market stations across the United States that feature an all-sports format, with a focus on the unique personalities and programming strategies that make each station successful. Broadcasters, journalists, and academics provide insight on how and why this media phenomenon has become an important influence of American culture, examining the guy talk broadcasting approach, the traditional sports-emphasis approach, HSOs (hot sports opinions), localism in broadcasting, how sports talk radio builds communities of listeners, and how reckless, on-air comments can actually build ratings.

Relationship Marketing in Sports Andre Buhler,Gerd Nufer,2012-07-26 Relationship marketing is an important issue in every business. Knowing the customers and establishing, maintaining and enhancing long-term customer relationships is a key component of long-term business success. Considering that sport is such big business today, it is surprising that this crucial approach to marketing has yet to be fully recognised either in literature or in the sports business itself. Relationship Marketing in Sports aims to fill this void by discussing and reformulating the principles of relationship marketing and by demonstrating how relationship marketing can be successfully applied in practice within a sports context. Written by a unique author team of academic and practitioner experience, the book provides the reader with: the first book to apply the principles of relationship marketing specifically to a sports context case studies from around the world to provide a uniquely global approach applicable worldwide strong pedagogical features including learning outcomes, overviews, discussion questions, glossary, guided reading and web links practical advice for professional, semi-professional and non-professional sporting organisations a companion website providing web links, case studies and PowerPoint slides for lecturers. Relationship Marketing in Sports is crucial reading for both students and professionals alike and marks a turning point in the marketing of sports.

Sociology of Sport George Harvey Sage,D. Stanley Eitzen,Becky Beal,Matthew Atencio,2022-10 Now in its twelfth edition, *Sociology of Sport* offers a compact yet comprehensive and integrated perspective on sport in North American society. Bringing a unique viewpoint to the subject, George H. Sage, D. Stanley Eitzen, Becky Beal, and Matthew Atencio analyze and, in turn, demythologize sport. This method promotes an understanding of how a sociological perspective differs from commonsense perceptions about sport and society, helping students to understand sport in a new way--

Global Media Giants Benjamin Birkinbine,Rodrigo Gomez,Janet Wasko,2016-07-01 *Global Media Giants* takes an in-depth look at how media corporate power works globally, regionally, and nationally, investigating the ways in which the largest and most powerful media corporations in the world wield power. Case studies examine not only some of the largest media corporations (News Corp., The Microsoft Corporation) in terms of revenues, but also media corporations that hold considerable power within national, regional, or geolinguistic contexts (Televisa, The Bertelsmann Group, Sony Corporation). Each chapter approaches a different corporation through the lens of economy, politics, and culture, giving students and scholars a thoughtful and data-driven guide with which to interrogate contemporary media industry power.
