The Sociology of Sports-Talk Radio Robert L. Kerr, 2017-09-20 The Sociology of Sports-Talk Radio is the latest sports-media scholarship from the author of How Postmodernism Explains Football and Football Explains Postmodernism, winner of the 2017 Outstanding Book Award from the National Communication Association's Communication and Sport Division. The book provides a descriptive analysis of the social interaction transpiring in what the author has conceptualized as the "the hyper-mediated marketplace of sports narratives." It examines the social structures and processes that make sports-talk radio such a vibrant societal milieu, and seeks to identify the essential sociological dynamics that make all that endless chatter so vital to listeners. A qualitative, descriptive analytical focus on this remarkable platform—where people come together to interact insistently, colorfully, and often with stunning ferocity—highlights key processes by which human communicators construct meaning.

Pinball Perry Lefko, 2010-04-13 In 2004, Michael Pinball Clemons became the first black coach in the history of the CFL to hoist the Grey Cup in victory, the culmination of an experience that began when he came to Canada in 1989 as an unheralded American football player deemed too small to make it in the National Football League. Not only did Clemons make it big—literally and figuratively—in the Canadian Football League in a career that spanned 11½ seasons, but he cultivated a reputation as an enduring Canadian figure. In between dazzling people with his on-field exploits that resulted in winning the Most Valuable Player in the Canadian Football League in 1990, he became a Most Valuable Person off the field, too, giving generously of his time to charity and causes. His motivational speaking abilities at countless events have wowed his listeners. And throughout this period, Clemons began to realize that he wanted to make Canada his full-time home, embracing the country that, in turn, has embraced him. The book will focus on how it all came to be and how Mike Clemons' special qualities contributed to making him an enduring Canadian personality, well known beyond the city of Toronto where he became the most popular athlete. It will describe his tremendous natural leadership skills and important inspirational messages to Canadians.

Soulsunami Leonard Sweet, 2009-10-14 Road rage, animal rights, cyberporn, crystal healing, doctor-assisted suicide – everywhere we look, the signs all tell us we're living in a post-Christian culture. Or are we? Leonard Sweet -- cultural historian, preacher, futurist, creatologist, and preeminent thinker -- firmly believes we live today in a pre-Christian society, fraught with challenges, dangers, critical choices, and above all, tremendous potential for the church. The outcome will depend on our response to today's flood of religious pluralism that threatens to sweep us away. What will we do? Deny the reality of the incoming surge? Hunker in the bunker, hermetically sealing ourselves in an increasingly out-of-touch church counterculture? Or will we boldly hoist our sails, and -- looking to God for guidance and strength -- move with confidence and purpose over the waves. SoulTsunami is a fascinating, even mind-numbing look at the implications of our changing world for the church in the 21st century. With uncanny wisdom and trademark wit, Leonard Sweet explores ten key futuribles (precision guesses that fall short of predictions), expanding on and relating topics ranging from the reentry of theism and spiritual longing in contemporary society, to the impact of modern technology, to the global renaissance, to models for the church to reach people caught in the cultural maelstrom. Here are eye-opening perspectives on the church from within and from without – from its surrounding society. Lively, well-written, and provocative, SoulTsunami is a clarion call for Christians to remove their tunnel-vision glasses and take a good look at the swelling postmodern flood. It also is a voice of encouragement, affirming the church in its role as God's lifeboat. And it is a passionate, prophetic guide, pointing the way to reach a world swept out to sea.

I'm Fascinated by Sacrifice Flies Tim Kurkjian,2016-05-03 The New York Times Bestseller! In the aftermath of the Steroid Era that stained the game of baseball, at a time when so many players are so rich and therefore have a sense of entitlement that they haven't earned, ESPN baseball commentator Tim Kurkjian shows readers how to love the game more than ever, with incredible insight and stories that are hilarious, heartbreaking, and revealing. From what Pete Rose was doing in the batting cage a few minutes after getting out of prison, to why everyone strikes out these days and why no one seems to care, *I'm Fascinated By Sacrifice Flies* will surprise even longtime baseball fans. Tim explains the fear factor in the game, and what it feels like to get hit by a pitch; Adam LaRoche wanted to throw up in the batter's box. He examines the game's superstitions: Eliot Johnson's choice of bubble gum, a poker chip in Sean Burnett's back pocket. He unearths the unwritten rules of the game, takes readers inside ESPN, and reveals how Tony Gwynn made baseball so much more fun to watch. And, of course, Tim will explain to readers why he is fascinated by sacrifice flies.
