Keith S. Folse, April Muchmore-Vokoun, Elena Vestri Solomon

Selected Essays Virginia Woolf, 2008-02-14 'A good essay must draw its curtain round us, but it must be a curtain that shuts us in, not out.' According to Virginia Woolf, the goal of the essay 'is simply that it should give pleasure...It should lay us under a spell with its first word, and we should only wake, refreshed, with its last.' One of the best practitioners of the art she analysed so rewardingly, Woolf displayed her essay-writing skills across a wide range of subjects, with all the craftsmanship, substance, and rich allure of her novels. This selection brings together thirty of her best essays, including the famous 'Mr Bennett and Mrs Brown', a clarion call for modern fiction. She discusses the arts of writing and of reading, and the particular role and reputation of women writers. She writes movingly about her father and the art of biography, and of the London scene in the early decades of the twentieth century. Overall, these pieces are as indispensable to an understanding of this great writer as they are enchanting in their own right.

**ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

**Why I Write** George Orwell, 2021-01-01 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

*101 Essays* DiAnn Gilbertson, 2021-09-13 In her second compilation of published writing, Brianna Wiest explores pursuing purpose over passion, embracing negative thinking, seeing the wisdom in daily routine, and becoming aware of the cognitive biases that are creating the way you see your life. This book contains never before seen pieces as well as some of Brianna's most popular essays, all of which just might leave you thinking: this idea changed my life.

The Well of Loneliness Radclyffe Hall, 2015-04-23 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

**The Essential Guide to Writing History Essays** Katherine Pickering Antonova, 2020-01-09 The

Essential Guide to Writing History Essays is a step-by-step guide to the typical assignments of any undergraduate or master's-level history program in North America. Effective writing is a process of discovery, achieved through the continual act of making choices--what to include or exclude, how to order elements, and which style to choose--each according to the author's goals and the intended audience. The book integrates reading and specialized vocabulary with writing and revision and addresses the evolving nature of digital media while teaching the terms and logic of traditional sources and the reasons for citation as well as the styles. This approach to writing not only helps students produce an effective final product and build from writing simple, short essays to completing a full research thesis, it also teaches students why and how an essay is effective, empowering them to approach new writing challenges with the freedom to find their own voice.

**The Glorious American Essay** Phillip Lopate, 2021-10-19 A monumental, canon-defining anthology of three centuries of American essays, from Cotton Mather and Benjamin Franklin to David Foster Wallace and Zadie Smith—selected by acclaimed essayist Phillip Lopate Not only an education but a joy. This is a book for the ages. —Rivka Galchen, author of *Atmospheric Disturbances* The essay form is an especially democratic one, and many of the essays Phillip Lopate has gathered here address themselves—sometimes critically—to American values. We see the Puritans, the Founding Fathers and Mothers, and the stars of the American Renaissance struggle to establish a national culture. A grand tradition of nature writing runs from Audubon, Thoreau, and John Muir to Rachel Carson and Annie Dillard. Marginalized groups use the essay to assert or to complicate notions of identity. Lopate has cast his net wide, embracing critical, personal, political, philosophical, literary, polemical, autobiographical, and humorous essays. Americans by birth as well as immigrants appear here, famous essayists alongside writers more celebrated for fiction or poetry. The result is a dazzling overview of the riches of the American essay.

Graduate Admissions Essays, Fourth Edition Donald Asher, 2012-07-24 The fully updated fourth edition of the go-to guide for crafting winning essays for any type of graduate program or scholarship, including PhD, master's, MBA, MD, JD, postdocs, DDS, DVM, Rhodes, Marshall, Fulbright--you name it. Based on thousands of interviews with successful grad students and graduate admissions officers, *Graduate Admissions Essays* deconstructs and demystifies the ever-challenging and seemingly more impersonal application process for getting into graduate and scholarship programs. The book presents 50 sample essays in a comprehensive range of subjects, detailed strategies that have proven successful for some of the most notoriously competitive graduate programs in the country, as well as sample letters of recommendation, essays for residencies and fellowships, and postgrad applications.

**Crystal Clear** Jaya Saxena, 2020-12-29 From amethyst to obsidian, *Basic Witches* author Jaya Saxena explores the multi-faceted meanings and history behind eleven popular crystals in this relatable personal essay collection. Highly prized for their beauty, crystals can take the shape of jewelry, household objects, and an array of self-care products. But it's the ideas they stand for that draw people to their raw forms. Like astrology, tarot, and modern witchcraft, crystals help practitioners understand themselves and the wider world around them. In this collection of sharply observed essays, Jaya Saxena reflects on—and challenges—the ideas associated with eleven popular stones, including unconditional love (rose quartz), happiness and success (citrine), balance (amethyst), self-care (black tourmaline), purity (pearl), imposter syndrome (pyrite), toxic positivity (carnelian), change (opals), traditional concepts of marriage (diamonds), presentation versus identity (obsidian), and death (amber). The result is a deeply personal book with universal appeal, exploring how we assign meaning and power to crystals in order to give meaning and power to our lives.

**Figuring the Word** Johanna Drucker, 1998 introduction by Charles Bernstein. Essays by Johanna Drucker.

The Oxford Book of Latin American Essays Ilan Stavans, 1997 An intriguing collection of more than 70 Latin American essays, some never before translated into English, gives us the whole spectrum of concerns that have animated some of the greatest writers of our time--from Andres Bello, Pablo Neruda, and Alfonso Reyes to Carlos Fuentes, Gabriel Garcia Marquez, and Rosario Ferre--an assembly confident, ingenious, aware.

*Where I Live* Tennessee Williams, 1978 Tennessee Williams' witty, engaging, and elegant essays are now available in a revised and much expanded edition.

*The Essays* Michel de Montaigne, 1994-05-03 A survey of one of the giants of Renaissance thought, *The Essays: A Selection* collects some of Michel de Montaigne's most startling and original works, translated from the French and edited with an introduction and notes by M.A. Screech in Penguin Classics. To overcome a crisis of melancholy after the death of his father, Montaigne withdrew to his country estates and began to write, and in the highly original essays that resulted he discussed themes such as fathers and children, conscience and cowardice, coaches and cannibals, and, above all, himself. On *Some Lines of Virgil* opens out into a frank discussion of sexuality and makes a revolutionary case for the equality of the sexes. In *On Experience* he superbly propounds his thoughts on the right way to live, while other essays touch on issues of an age struggling with religious and intellectual strife, with France torn apart by civil war. These diverse subjects are united by Montaigne's distinctive voice - that of a tolerant man, sceptical, humane, often humorous and utterly honest in his pursuit of the truth. M.A. Screech's distinguished translation fully retains the light-hearted and inquiring nature of the essays. In his introduction, he examines Montaigne's life and times, and the remarkable self-portrait that emerges from his works. Michel de Montaigne (1533-1586) studied law and spent a number of years working as a counsellor before devoting his life to reading, writing and reflection. If you enjoyed *The Essays: A Selection*, you might like Francis Bacon's *The Essays*, also available in Penguin Classics.

**The Cool Side of My Pillow** Bruce Campbell, 2021-03-15 *The Cool Side of My Pillow* is a collection of essays by actor, cult icon and New York Times bestselling author Bruce Campbell, sharing some of his experiences and observations outside of the entertainment industry. In Campbell's own words, What's it about? Mostly, things that matter to me, like putting in the effort, being honest and not treating the environment like it's the enemy. Is it self-help? I hope not, but you will find musings about fame, mysterious carvings, UFOs and my general disdain of loud noises. Is it political? If it is, I'll refund your money. There are no conspiracy theories in *The Cool Side of my Pillow*, just snarky humor and a sincere desire for us all to find peace on earth.

**The Oxford Book of Essays** John Gross, 2008 The essay is one of the richest of literary forms. Its most obvious characteristics are freedom, informality, and the personal touch--though it can also find room for poetry, satire, fantasy, and sustained argument. All these qualities, and many others, are on display in *The Oxford Book of Essays*. The most wide-ranging collection of its kind to appear for many years, it includes 140 essays by 120 writers: classics, curiosities, meditations, diversions, old favorites, recent examples that deserve to be better known. A particularly welcome feature is the amount of space allotted to American essayists, from Benjamin Franklin to John Updike and beyond. This is an anthology that opens with wise words about the nature of truth, and closes with a consideration of the novels of Judith Krantz. Some of the other topics discussed in its pages are anger, pleasure, Gandhi, Beau Brummell, wasps, party-going, gangsters, plumbers, Beethoven, potato crisps, the importance of being the right size, and the demolition of

Westminster Abbey. It contains some of the most eloquent writing in English, and some of the most entertaining.

**College Essay Essentials** Ethan Sawyer, 2016-07-01 Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

**Feel Free** Zadie Smith, 2018-02-06 Winner of the 2018 National Book Critics Circle Award for Criticism A New York Times Notable Book From Zadie Smith, one of the most beloved authors of her generation, a new collection of essays Since she burst spectacularly into view with her debut novel almost two decades ago, Zadie Smith has established herself not just as one of the world's preeminent fiction writers, but also a brilliant and singular essayist. She contributes regularly to The New Yorker and the New York Review of Books on a range of subjects, and each piece of hers is a literary event in its own right. Arranged into five sections--In the World, In the Audience, In the Gallery, On the Bookshelf, and Feel Free--this new collection poses questions we immediately recognize. What is The Social Network--and Facebook itself--really about? It's a cruel portrait of us: 500 million sentient people entrapped in the recent careless thoughts of a Harvard sophomore. Why do we love libraries? Well-run libraries are filled with people because what a good library offers cannot be easily found elsewhere: an indoor public space in which you do not have to buy anything in order to stay. What will we tell our granddaughters about our collective failure to address global warming? So I might say to her, look: the thing you have to appreciate is that we'd just been through a century of relativism and deconstruction, in which we were informed that most of our fondest-held principles were either uncertain or simple wishful thinking, and in many areas of our lives we had already been asked to accept that nothing is essential and everything changes--and this had taken the fight out of us somewhat. Gathering in one place for the first time previously unpublished work, as well as already classic essays, such as, Joy, and, Find Your Beach, Feel Free offers a survey of important recent events in culture and politics, as well as Smith's own life. Equally at home in the world of good books and bad politics, Brooklyn-born rappers and the work of Swiss novelists, she is by turns wry, heartfelt, indignant, and incisive--and never any less than perfect company. This is literary journalism at its zenith. Zadie Smith's new book, Grand Union, is on sale 10/8/2019.

**Great Essays** Keith S. Folse, April Muchmore-Vokoun, Elena Vestri Solomon, 2003-07-30 Book gives instruction and extensive practical exercises and activities in essay writing at the high-intermediate to advanced level. Provides instruction in several rhetorical styles and exercises that offer practice in both working with the writing process and developing a final written product.

**Ralph Ellison; a Collection of Critical Essays** John Hersey, 1974 Annie was lonely. Taffy, her golden-haired cat, had disappeared. Life in the woods was empty, and Annie could not find anyone to be her

friend. Outside, the snow was deep and the winter seemed endless. A moose and a bear and even a wildcat are not as friendly or as soft or as cuddlesome as Taffy. A story within a story forms as the intricate borders subtly foreshadow the main plot of Taffy's return at the end of the winter.

### **A Professor's Guide to Writing Essays** Neumann,2016-11-03

**Margery Kempe** Sandra J. McEntire,2019-07-05 Originally published in 1992, Margery Kempe looks at one of the most appealing mystics and pilgrims of 15th-century England. The book looks at Margery Kempe, and her book *The Book of Margery Kempe*, thought to be the first vernacular autobiography in medieval Britain. Original essays in the book examines Kempe's spirituality, cultural context, and the autobiography itself, *The Book of Margery Kempe*. The essays in the book represent detail literary analysis on Kempe and the critical history of her words.

### **Enjoying the Melody of Appearance: An Psychological Symphony within Essays**

In a world consumed by screens and the ceaseless chatter of instantaneous connection, the melodic elegance and mental symphony developed by the prepared term often disappear into the back ground, eclipsed by the constant noise and disturbances that permeate our lives. However, located within the pages of **Essays** a stunning literary value brimming with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that interesting masterpiece conducts viewers on a mental trip, skillfully unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths of this poignant review, we shall investigate the book is main harmonies, analyze their enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

## Essays Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another

reliable platform for downloading Essays free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Essays free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Essays free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Essays. In conclusion, the internet offers numerous platforms

and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Essays any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Essays Books

1. Where can I buy Essays books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Essays book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Essays books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Essays audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Essays books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
