Baker,2006-07 Why would hundreds of people get up at 5 am on a Saturday morning, drive 35 miles through a blizzard and wait for hours in front of a dilapidated old house-and be excited about being there? The answer is an estate sale-it is the thrill and excitement of going to an estate sale to search an old house for valuable antiques. And some estate sales are just packed with valuable antiques waiting to be discovered-old vases, old paintings, valuable coins, the list is endless. Estate sales are always fun and exciting to attend but more important estate sales can be very profitable. This book will show you how to have fun and make thousands of dollars at estate sales!!!

Making Money with Estate Sales Diehl Evans,2012-05-01 Why do you do estate sales? is a question we're often asked. Well, one answer is that estate sales are a good way to help people settle their estate problems. Another answer is that estate sales are a great way for folks to get rid of stuff they don't need anymore; and, by turning their stuff into cash, they can buy something else. Newlyweds tell us they have outfitted their houses or apartments with stuff from our estate sales. They say that buying things second-hand in this way helps them to stretch their budgets. A third answer is that estate sales are also like a treasure hunt -- you never know what you will find in the bottom of an old trunk or up in an attic. Under all of that dust on an oil painting could lurk a long-lost Van Gogh or a Rembrandt; it could be a real Blue Boy. Indeed, estates sales are all of the above, and more, whether they are small tag sales or large auctions. The thrill is always there. The thrill is always in the hunt, especially when you make a great deal. MAKING MONEY WITH ESTATE SALES will guide you through the ins and outs of estate sales, thereby allowing you to enjoy the thrill of the hunt and make great deals at the same time. We welcome all aspiring estate sales people who need a little help in growing into a larger business through using this book.

You will learn just about EVERYTHING from A to Z to easily start and maintain a money-making business and/or hobby. Just look inside and check out the table of contents and you will agree, this IS the COMPLETE guide! There are a lot of books on the market about how to have a garage sale and yes some about making money buying at them but many of these books can be limited in their information. There is just SO MUCH opportunity out there; Antiques, vintage stuff from the 70's and 80's, CD's, Book's and the list goes on. However, to succeed at this, having the right systems, information and tools is critically important. This book provides valuable insights into successfully mastering the world of these sales. First, how to find and negotiate the best price for objects of value and, second, how to easily resell those same objects on eBay and Amazon for a nice profit. Beginning with a section titled How to Use This Book, the author instructs his readers on how to maximize their efforts, how to discern what is worth buying (and, as importantly, what isn't). He also discusses many other very valuable perks to attending garage, yard and estate sales like finding high end clothes or even just general household items for your own or use which translates into a huge savings of money. This is also a great opportunity to start your own collection of antiques and collectibles which is both fun and an unbelievably good investment. Once the buyer has secured his or her bargains, the author walks the reader through an easy step-by-step system to resell those items for a great profit without spending a whole lot of time. Dan Blakely also helps his readers find their own personal niche. Using individual knowledge, the reader already possesses, to dominate those sales. For instance, let's say you know quite a bit about clothing, designer and vintage for example, well there are literally oodles of clothing to be had for next to nothing. Another niche that anyone can easily learn is how to buy books for next to nothing and re-sell them on Amazon. This alone can be a great profit center to supplement your income. This guide brims with nuts-and-bolts advice. For example, there is a chapter on how to organize your self without taking up too much room in your home and the middle of the book is devoted to instructing the reader on finding value in common items, such as DVDs, CDs. Dive into this can't-miss program for a steady second income or a fun new money-making hobby! Whatever you choose, buying at garage sales is a great opportunity!
