Warriors 3 George R. R. Martin, Gardner Dozois, 2016-01-26 From George R. R. Martin's Introduction to *Warriors*: People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. *All Quiet on the Western Front*, *From Here to Eternity*, and *The Red Badge of Courage* have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing—a story about a warrior. Some chose to write in the genre they're best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat. The stories in the third mass market volume of this book are: Introduction: *Stories of the Spinner Rack*, by George R. R. Martin *The Triumph*, by Robin Hobb *Soldierin'*, by Joe R. Lansdale *Clean Slate*, by Lawrence Sanders *The Girls from Avenger*, by Carrie Vaughn *The Pit*, by James Rollins *My Name is Legion*, by David Morrell *The Custom of the Army*, by

Diana Gabaldon Many of these writers are bestsellers. All of them are storytellers of the highest quality. Together they make a volume of unforgettable reading. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Because of certain circumstances, she has no choice but to stay in the palace. But to protect her heart and those she loves, she's determined to find ways to resist the powerful prince and his secrets. Prince Keltor tro el Vallen is heir to the Kelderan throne and must put duty above all else. Social connections, especially those with love involved, are dangerous. So when the only female who ever treated him as a man instead of a prince comes storming back into his life, it takes everything Keltor has to keep his distance and resist the lively, straightforward woman. Otherwise, he might start to wish for what he can't have. As Keltor and Azalyn start to realize that they fit better together now than in the past, they face a bigger problem. Namely, if a prince marries a commoner, there could be war. Can they find a way to recapture their love and start over? Or, will Keltor's duty to Keldera trump all?

With my world in turmoil, my spirit mate crashed into my life when I needed her the most. She was not of Valose but a stranger from another world. Newly awakened, my ancillary heart beats for one reason only--to keep her safe. Now I must protect her from old enemies as well as new yet what came with her posed a unique danger that can't be fought with swords. There was nothing I wouldn't do for her. Unfortunately, what she wanted the most would tear apart my very soul. Lily I thought the abduction had been bad enough, but the crash-landing had nearly killed me. Stranded on an alien world, all I wanted was to find a way to get myself and the other girls home. When the solution presented itself in the

form of a kilt-wearing, hopeless romantic with serious muscles, sexy elf ears, and the belief that soul mates truly existed...Well, I was no longer in a huge rush to leave. Note: A glossary of Valosian terms has been added, and the italics removed from alien words.
