The Game of Euchre John William Keller,1887

Euchre Creek Homer Kizer,2012-06-29 A wide spot on a road that runs upstream, Euchre Creek is a community of connections that bind individuals together and binds them to the natural world from which they derive their sustenance. Euchre Creek is not a character study, nor about any particular character. Rather, it presents the failed incorporation of an outsider into a functioning community, another generation of that community, and its economic expansion. It examines the tensions necessary to suspend the concept of community. It rains most every day in Euchre Creek, as it truly did that winter before innocence bore a generation of mistrust.

Euchre for Complete Beginners Robert Ticker,2021-01-10 Euchre is an excellent social card game, simple in concept but with a high degree of subtlety in the play. To play Euchre, you need the following: Four players: Two teams, two players to a team.A standard deck of 52 cards: Take out the ace through the 9 in each suit, making a deck of 24 cards for the game.Each player receives five cards, and you play one card at a time; the player who lays the highest card in the suit of the first card played - unless someone contributes a trump, in which case it is whoever lays the highest trump card - collects all four cards together and stacks them in front of him, thus taking the trick.In Euchre, you win a hand and score points for taking the majority of the tricks in a hand, which means winning three or more of the five tricks available. You get more points if you take all five tricks. The first to a specified total of points, generally 10, wins the match.You play the game with partners, but under special circumstances, one member of a partnership can elect to go solo, if he thinks that going alone is worthwhile.Get your copy today by scrolling up and clicking Buy Now to get your copy today

The Laws and Practice of the Game of Euchre: As Adopted by the Washington, D. C., Euchre Club (Classic Reprint) Charles Henry Wharton Meehan,2017-10-20 Excerpt from The Laws and Practice of the Game of Euchre: As Adopted by the Washington, D. C., Euchre Club N O sedentary game is more popular, or so generally played. For amusement in domestic circles, throughout the wide spread eminent demesne of the United States, as Euchre - the Queen of all card-games; and but few, we regret to say it, possess less printed authoritative reference for consultation. Hence difficulties, doubts, differences of opinion, and local customs of play, exercise an irksome influence even among skillful players, and solely for the want of some proper compendium of the laws and of the correct practice of the game. To supply this deficiency, in a humble way, the ensuing pages, sanctioned by very noble and approved good masters, are tenderly tendered.
