Slow Knitting Hannah Thiessen,2017-10-10 "Thiessen has done her research, and talked to people who truly have insight into the process of making both yarn and clothing." --Modern Daily Knitting Like the "slow food" movement, Slow Knitting encourages knitters to step back, pare down,

and celebrate the craftsmanship of their work. In five chapters centered around the tenets of slow knitting—sourcing carefully, making thoughtfully, thinking environmentally, experimenting fearlessly, and exploring openly—Hannah Thiessen challenges knitters of all skill levels to view their practice in a new way. Each chapter contains explorations of fiber types; profiles of well-known yarn types, makers, and yarn suppliers; and garment patterns inspired by the featured fibers. With contributions from knitting superstars Norah Gaughan, Bristol Ivy, and many others, *Slow Knitting* proposes an approach to knitting that is both minimalist and all-encompassing, and emphasizes what makes knitting a meditation, a passion, and a unique necessity. “Promotes the concept of ‘slow knitting’ which discards the pressure to produce prolifically and instead, revolves around the idea that thoughtfully produced yarn will result in better projects for you-the crafter.” —MarthaStewart.com

My Crochet Doll Isabelle Kessedjian, 2013-12-12 Make adorable crochet dolls with over fifty unique patterns for clothes and accessories. With a range of clothing and accessory patterns, dress up your doll for home and abroad, from basic underwear and shoes to dresses, dungarees, sweaters, coats, and hats. As well as wardrobe essentials, you can create accessories to match each outfit, including a teddy for bedtime, a bucket for the beach, cakes for the kitchen, and even a penguin for the North Pole! There's a range of dressing-up costumes, with an adorable bear suit and a fun superhero mask and cape. The cute mini suitcase pattern is the perfect for storing all of your dolls belongings and it doubles up as a bed too! Be aware that crochet terms in the United States are different from those in the U.K. This can be confusing as the same terms are used to refer to different stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with "sc" in them can be identified as American patterns.

Knitting Out of Africa Marianne Isager, 2013-04-15 Beautiful and historic African carpets, baskets, and other textiles provide the design inspiration for these 16 sophisticated knitted cardigans, pullovers, and sweater vests. Intended for seasoned knitters, these projects use domino, double knitting, entrelac, intarsia, and stranded two-color techniques worked in fingering-weight yarns. The Shoowa Vest, the African Domino Pullover, and the Arrowheads Cropped Pullover show off fancy stitching, while other designs feature colors borrowed from the mud-dried fabrics of Mali, the block patterns of Ghana, or motifs from Nigeria, Sierra Leone, Zaire, and Zimbabwe. African animals decorate the Giraffe Vest and Zebra Cardigan, and elsewhere leaping antelope and birds in flight are used in repeating patterns. Full instructions and charted patterns for at least two adult sizes are provided for

each design and high-quality photographs of the finished pieces showcase these classic additions to any wardrobe.
