Introduction to Executive Protection Dale L June ,Elijah Shaw ,2021-08-29 Since its original publication in 1998, Introduction to Executive Protection has been considered the bible of the executive security industry. Now in its 4th edition, this new volume, conceived and developed by Dale L. June, drawing from his experiences in the United States Secret Service, law enforcement & the private sector, has been reworked and revised with new content, chapters, and input with over 60% new material. Much more than simply an introduction, this book is a powerful learning tool, with the author now joined by Elijah

Shaw, one of the foremost experts in working globally with celebrities and other high net-worth VIP's. The authors include real world examples of bodyguards working with politicians and religious figures, and dealing with everything from stalking to assassination attempts. This volume further digs into the tactics and the mindset necessary for protectors to mitigate the risk of it happening to their clients. Packed with tips for successfully navigating the corporate, celebrity & dignitary sectors, the reader will find in-depth discussions on a variety of topics, ranging from setting up estate security plans, to working in and around private jets. The world is changing daily, and as both an educational and resource tool, this book is sure to provide new outlooks for both the experienced and the newcomer alike. ** What the Industry is Saying about the New Edition ** A comprehensive look at executive protection, the profession, and methods of practice. This 4th edition is worth the read. Monica Duperon Rodriguez Sr. Manager, Global Corporate Security and Risk Management (Executive Protection & Solutions) LinkedIn It is important we don't forget the basic principals & foundations. This book is a great reminder. Charles Randolph LTC (RET) President, International Protective Security Board (IPSB) Dale and Elijah have forgotten more about the business of Protective Services than most will ever learn. Mark 'SIX' James Author, Defensive Handgun II This is absolutely one of the top books I point to for people who are interested in getting into the profession. The Fine Art of Executive Protection A. Hunsicker, 2007-12 The number of incidents and crimes carried out by terrorists and criminals, such as physical threats, violent attacks, assassinations, kidnapping and hostage situations are increasing by the minute worldwide. Each incident is a constant and ever demanding challenge to the law enforcement and the personal security professionals in particular. A detailed, but understandable manual for the Executive Protection Officer is a priority and the answer to those challenging situations. The Fine Art of Executive Protection is a detailed, but understandable manual for the Executive Protection Officer providing answers to those challenging situations. Information about every aspect of executive protection is not only an important part of the professional's training curriculum, but plays also a vital role for the client, who seeks protection. This manual will provide a clear view of all aspects not only for the professional, but also for prospect clients. To make sure of this all available training and study material, individual case studies and real scenarios combined with professional experience served as a foundation for this specialist's manual. The Fine Art of Executive Protection in its comprehensive and straight- forward form will guide the reader through the diversity of disciplines and skills, which are essential for any professional of the executive protection and private security sector. This book provides detailed information and knowledge, necessary and indispensable not only for the novice, but also for the experienced executive protection professional. It provides the clear knowledge and a thorough understanding of the characteristics, diversity and demands of this profession. It contains all the essential ingredients, necessary for an effective protection planning and successful service, demanded by any executive protection specialist. Providing all the tools, techniques and applications needed for this specific job, it also shall motivate some talents, which may need to be developed further and to face not only today's protection needs, but also those of the future. The book not only contains detailed professional information for the person seeking a post in the glamorous world of the executive protection- business but also provides all the information necessary for those under threat and in need of close protection and a secure environment. A protection- seeking client will find detailed information about Executive Protection and Physical Security. Executive or Personal Protection, was once considered a service only and exclusive for the rich, famous and a few selected government officials. But recent events and an increase in violence, quickly transformed Executive Protection into a sought after service- commodity worldwide. Keeping

this in mind, any part of this guide is therefore easily adaptable and adjusted to any region or country in the world. However, one must carefully consider and act within the local laws to assure a successful protection service.

The Executive Protection Professional's Manual Philip Holder, Donna Lea Hawley, 1997-09-02 The Executive Protection Professional's Manual not only explains what it takes to be an executive protection professional but provides other valuable information as well, including tips on defensive tactics, bomb searches, searching for bugging devices, firearms training, defensive and evasive driving, and advance reconnaissance. This unique book also discusses important career information, such as how to select the area of executive protection in which you would like to work, how-much money you should make, the interview, and stories from real-life experiences of an EPP.

Advanced Skills in Executive Protection A. Hunsicker, 2010 Any professional actively engaged in the executive protection field, novice or veteran, whether in a team or as team leader, must train for, and be able to pinpoint, even the most unexpected security concerns. The continuation of *The Fine Art of Executive Protection - Handbook for the Executive Protection Officer* (2007), *Advanced Skills in Executive Protection* contains carefully selected and illustrated material for the executive protection and security enforcement professional. All available training and study material, individual case studies, and real scenarios, combined with professional experience, serve as the foundation for this specialist's manual. For the client, as a prospective principal, it provides important details that will assure lifesaving protection. Comprehensive, detailed, and straightforward, *Advanced Skills in Executive Protection* is the only book to offer an in-depth look into the operational aspects of executive protection. It guides the reader through a diversity of advanced disciplines and skills and contains all the necessary ingredients for effective protection planning. Information about every aspect of executive protection is not only an important part of the professional's ongoing training curriculum, but is also crucial for the client who seeks this professional protection, to face not only today's protection needs, but also those of the future. Personnel Protection: Executive Worksite Security Jerome Miller, Radford Jones, 2013-08-26 In *Personnel Protection: Executive Worksite Security*, presenters Jerome Miller and Radford Jones discuss the potential security risks to executives while at the office and en route to the office. This seven-minute presentation of narrated slides includes recommendations for controlling access to areas of particular concern, such as installing fencing, monitoring the premises using a closed-circuit television (CCTV) system, conducting visitor screening, and installing bullet-resistant glass doors and duress alarms. This presentation is one of 11 modules in the *Personnel Protection* presentation series, which is designed for companies considering an executive security program or for companies with an executive security program already in place. Each presentation in the series is narrated by Jerome Miller, formerly a commander in the Detroit Police Department and senior manager of international and special security operations at Chrysler Corporation, and Radford Jones, formerly manager of global security and fire protection at Ford Motor Company after 20 years with the U.S. Secret Service. Other topics in this series include advance procedures; the executive threat assessment profile; the selection of executive security personnel; kidnapping issues and guidelines; security procedures for residences; aircraft and vehicle operations; and executive compensation issues, including IRS requirements. *Personnel Protection: Executive Worksite Security* is a part of Elsevier's *Security Executive Council Risk Management Portfolio*, a collection of real world solutions and how-to guidelines that equip executives, practitioners, and

educators with proven information for successful security and risk management programs. The seven-minute, visual PowerPoint presentation with audio narration format is excellent for group learning Introduces the security risks that should be avoided when the executive is at the worksite or during travel to and from the worksite Includes best practices and protective measures for the effective mitigation of executive security risks

Executive Protection - The Next Level Richard Hardaker,2017-12-12 Close Protection (CP) is renowned for its excellence in providing top level protection to many levels of society. The fact that CP is being used in the first place means that there is a real risk to the person being protected. Providing the right calibre of individual or team is necessary to ensure that the correct concentric level(s) of security is measurable to the threat. This book is aimed at those who aspire to be managers, team leaders or supervisors with the responsibility of recruitment and selection of a team. Having a CP licence is merely the first step...

Introduction to Executive Protection, Third Edition Dale L. June,2015-10-23 At a time when personal security risks are on the rise internationally, Introduction to Executive Protection, Third Edition takes readers beyond the wizard's curtain of fear, unawareness, and surprise to give them the tools to sharpen or renew their skills so those they are tasked with protecting remain safe. This third edition of a bestseller goes beyond the basics which were at the heart of the first and second editions. Though it still covers those basics, it goes further by exploring and discussing the lessons learned in the history of assassination—from ancient times to the present. Examining the psychological, philosophical, professional, and training aspects of close personal protection, this edition represents the latest thinking on executive protection in light of increased personal security risks worldwide. It discusses both residential and business security and also covers the first response for natural events such as common medical emergencies. Using his experience from the U. S. Secret Service, the private sector, and his private training, the author includes real-world examples of political and religious assassination attempts. He also provides practical advice on close personal protection of VIPs, celebrities, and business executives. Filled with illustrations that demonstrate the various protection methods in action, Introduction to Executive Protection, Third Edition is much more than an introduction. It is a powerful learning tool in the art of close personal protection. It offers insights and considerations that both the novice and practiced veteran will find invaluable in their quest to ensure personal protection.

Personnel Protection: Residential Security Jerome Miller,Radford Jones,2014-06-09 Personnel Protection: Residential Security is a video presentation. Length: 10 minutes. Executive protection doesn't end when the executive leaves the office. In Personnel Protection: Residential Security, presenters Jerome Miller and Radford Jones discuss the components of a residential security system. Topics in this 10-minute video presentation of narrated slides include home security and fire alarm systems, safe rooms, personalizing the security program to involve the executive and his or her family, and special considerations for when the residence is a large, wooded, or walled estate. The presenters emphasize the rings of security concept, with each ring designed to detect or deter an attacker. This presentation is one of 11 modules in the Personnel Protection presentation series, which is designed for companies considering an executive security program or for companies with an executive security program already in place. Other topics in this series include: concepts of executive security; advance procedures; the executive threat assessment profile; kidnapping issues and guidelines; security personnel; security procedures for worksite, aircraft, and vehicle operations; and executive compensation issues, including IRS requirements. The Personnel Protection presentation series is a part of Elsevier's Security Executive Council Risk Management Portfolio, a collection of real world solutions and how-to guidelines that equip executives, practitioners, and educators with proven information for successful security and risk management programs. The 10-minute, visual PowerPoint presentation with audio

narration format is excellent for group learning Covers the minimum protective measures for the executive's home, plus the added features that can bring residential security to the next level Discusses how to personalize the residential security program to better involve the executive and his or her family members

The Bodyguard Blueprint Lenny Bogdanos,2019-05-25 Are you ready to put other people to work? With this book, we will address the business end of things to be an executive protection entrepreneur and the mind-set you will need to succeed as a person in business. In my first book, The Bodyguard Myth, we looked at the skill set and mind-set you need to be successful as an individual Certified Protection Operator® (CPO). Then we worked on building those skills. In The Bodyguard Blueprint, we will look at the skill set and mind-set of a CEO, the person running a successful executive protection business. We will start by examining the general mind-set and then get down to brass tacks. I will introduce some concepts early on and then expand on them later in more detail.

Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Exec Protec : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
