My Worst Investment Ever Andrew Stotz, Only a fool learns from his own mistakes. The wise man learns from the mistakes of others. - Otto von Bismarck This short book started when I asked a few friends what their worst investment was. What I did not expect was that each of them had such a vivid story to tell. Heck, even my 79-year-old mom responded with a very specific story. The truth is that in the world of finance we are always talking about our winners, about the story of our returns. Bât, we so rarely talk about failures. This is a book about investing failures. You may relate to one of these stories, or have lived one of them, but most importantly, I want you to learn from them.

The Total Money Makeover Dave Ramsey,2009-12-29 The success stories speak for themselves in this book from money maestro Dave Ramsey. Instead of promising the normal dose of quick fixes, Ramsey offers a bold, no-nonsense approach to money matters, providing not only the how-to but also a grounded and uplifting hope for getting out of debt and achieving total financial health. Ramsey debunks the many myths of money (exposing the

dangers of cash advance, rent-to-own, debt consolidation) and attacks the illusions and downright deceptions of the American dream, which encourages nothing but overspending and massive amounts of debt. Don't even consider keeping up with the Joneses, Ramsey declares in his typically candid style. They're broke! The Total Money Makeover isn't theory. It works every single time. It works because it is simple. It works because it gets to the heart of the money problems: you. This 3rd edition of The Total Money Makeover includes a fresh cover design, all new personal success stories, and naysayers, and more.
