Did you know it doesn't matter how much you make if you're spending more than you have you will always be in debt. Making more money isn't the answer to accumulating wealth. It's spending the money you do have wisely. That's why budgeting is such an effective tool because you see where you're money is going. You'll be able to turn the tide around for your finances and watch the money flow to you like a magnet. It doesn't have to be a complicated journey either. Also how the purchase/payment was made with cash or credit. At the end of the week or month (really just quick peek) see how many boxes are checked off as Want. Those are the expenses that you can start to cut back on or eliminate. This can also be done with the Need expenses. Profit First Mike Michalowicz,2017-02-21 Author of cult

classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.
