Discount Shopping Express KnowIt Express, Shelly Ross, 2016-02-05 Get on the EXPRESS for Discount Shopping Know How to Find Discount, Get Coupons, and Save Money Shopping Online and Offline Want to save money while shopping? Of course you do! Why? Because nobody likes to find their wallet or purse flat-out empty from all the joy or necessity of shopping...nor suffer the consequence of endlessly swiping the PLASTIC to the max on whatever they can get their hands on then waiting for the wrath of the credit card bill to drop on their doorstep only to regret with buyer's remorse, and now swimming in debt and hanging at the mercy of creditors. Finding bargains and deals may seem obvious - head to Google and click Search or go through the stack of mails and newspapers hoping to grab some coupons - but there is far more to the process than people realize. Also, still think getting the best bang for your bucks are exclusive at the big major retailers? Think again! That's the perception they create for you to shop there in the first place. When stuffs are perceived to be on sale, you just have to buy it, right? But are they really on sale? Because there are other secret underground mom-and-pop-like shops where less people know about that offer better outrageous deals. In order to save money shopping, you need to do what others don't do and look where others don't look...because whenever there is word of a goldmine, it will be over before anybody else has the chance to pick up a shovel. You need to approach discount shopping and bargain hunting from a different angle like how pro shoppers do.

By taking the Discount Shopping Express, your destination includes: - How to find discount online and offline with advanced shopping strategies - How to get coupons the way nobody else is doing and very few know about. - How to determine and decide on the best place to buy whatever you're looking for. - How to save money shopping like savvy shoppers do with insider shopping tips. - How to handle impulsive compulsive shopaholic behavior and break the habit. - Also, personalized hands-on exercises and applications to put everything into action on discount shopping. ...and much more. Start saving and sniffing out bargains now. Hack the shopping process to always get the best deal!

Strategic Retail Management and Brand Management
Doris Berger-Grabner,2021-10-25 The retail industry and associated business models have gone

through a significant phase of disruption. The rapid emergence of new technologies, digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector. Key contextual or external trends will affect and shape the retail landscape in the years to come. Therefore, it seems important to prepare for this situation and be ready with a head start in terms of knowledge. This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments. It deals with key trends, in particular new patterns of personal consumption, evolving geopolitical dynamics, technological advancements and structural industry shifts. Moreover, it explains why it is so important that retailers use these trends, adapt their retail strategies and tactics, create strong brands and come up with innovative, new ways of doing business. Today we are living in a challenging time for retail. This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications.

Consumer Behaviour Robert East,Jaywant Singh,Malcolm Wright,Marc Vanhuele,2021-09-29 'A serious, thoughtful consumer behaviour text that focuses on substance rather than what's fashionable in academic circles.' Professor Byron Sharp, Ehrenberg-Bass Institute, University of South Australia 'A thought-provoking text that challenges readers to consider consumer behaviour in new and refreshing ways and reflect on routine behaviours that occupy so much of daily life – buying brands, patronising stores, watching adverts, making recommendations.' Professor Mark Uncles, Deputy Dean, Australian School of Business, University of New South Wales Written by respected marketing academics, this popular textbook extends beyond a basic psychological approach to Consumer Behaviour by providing a more empirical understanding of the subject, helping students grasp marketing applications at both individual and market levels. The fourth edition maintains a strong focus on research, particularly quantitative methods, helping higher-level students develop analytical and evidence-based thinking for success in scholarly and industry-

based marketing research. The textbook contains new examples, exercises and research findings, along with recent advancements in the digital environment. Suitable for upper undergraduate and postgraduate students taking courses in consumer behaviour, as well as doctoral candidates with a focus on consumer behaviour. Robert East is Emeritus Professor at Kingston University London, UK. Jaywant Singh is Professor of Marketing at Southampton Business School, University of Southampton, UK. Malcolm Wright is Professor of Marketing at Massey University, New Zealand. Marc Vanhuele is Professor of Marketing at HEC Paris, France.
