Mark Steyvers

Extreme Fishing Robson Green,2013-05-23 Actor and passionate fisherman Robson Green is on a mission to discover the weird, the wonderful and the way-off-limits that the angling world has to offer. Working alongside some of the finest in their field, his exhilarating adventure series Extreme Fishing with Robson Green takes him to the greatest fishing destinations ever seen; chasing the most elusive and terrifying creatures on the planet, learning new tricks, hearing old stories and eating pretty much everything he catches. From ice fishing in Siberia, mining eggs on the side of an active volcano in Papua New Guinea and struggling with the Mekong Giant Catfish in Thailand, to surviving a Force 10 hurricane on a Canadian trawler, catching a thirty-pound King Salmon in Patagonia and dancing the Salsa in Havana, this is an extraordinary modern-day fishing odyssey with tales of victory, defeat, struggle and joy. Complete with exclusive off-camera capers, top locations and best and worst catches, this laugh-out-loud adventure is jam-packed full of facts, fishing tips and, most importantly, fun.

Extreme Fishing Henry Gilbey,John Bailey,2005-09 While some anglers never stray far from home, some travel worldwide in their quest for a more challenging fishing experience. Part of fishing's unique attraction is the ability to visit and fish in different places. Consider standing waist deep in the Amazon and punching it out with a 50lb peacock bass, or catching a cod in the depths of winter with gales sweeping in from the Atlantic and rain pouring down in sheets. There are extremes of location - isolated lakes and wild rivers - extreme species of fish to try the patience of even experienced anglers, and extremes of climate. Extreme Fishing brings together over 25 of the most challenging fishing locations in the world, with useful information on equipment, stunning photography and expert commentary. The book is divided into three main sections: Extreme Fishers covering the dangerous locations people fish in, the rare and enormous fish they search for and the extreme waters they wade into; Extreme Freshwater, which includes Amazonian adventures and fighting with the most savage freshwater fish on earth (Tiger Fish) in the Congo; and Extreme Saltwater featuring extreme shore-based fishing, beach fishing for sharks and angling for big game species such as blue-fin tuna. A follow-on from the highly successful Extreme Golf (which has printed over 20,000 copies in USA, Australia, UK and Germany), Extreme Fishing will prove an amusing and informative, and entirely unique, guide to what is mistakenly seen as a sedate pastime.
