44 EZ Solutions to Stretch and Conserve Your Dollar Jerry LePre,2009-12-10 This guide will give those looking for financial security the knowledge they need to manage their money effectively. Whether the goal is to own a home, create a retirement plan, or just get out of debt, financial freedom is within reach with this economic guide. Written in easy-to-understand language, this resource includes valuable tips and inventive tricks to save money and develop better spending habits. Seven building-block strategies pave the way to a secure future for you and your family. Minor lifestyle adjustments can generate unexpected amounts of savings. Jerry LePre introduces seven simple strategies that will lead you to maximum financial protection with a minimum of difficulty or unease. He shows how to save on insurance premiums, utility bills, gasoline costs, and grocery expenses. By taking the money saved from these modifications and investing it, the return can be used for the next big expense. Not only does LePre provide excellent information on how to save money, he also gives numerous examples of what to do with the savings. Selecting the right plan of action includes choosing financial institutions that provide the most opportunities for you. With a simple and effective outline, the author explains the ins and outs of credit unions and banks, gives suggestions for how to invest for the greatest return, and get the best tax breaks. Timeless advice shows that there is never a bad time to be money-conscious, because the more you plan, the brighter your future.

**E-Z French** Christopher Kendris, Theodore Kendris, 2010-09-01 Known for many years as Barron's Easy Way Series, the new editions of these popular self-teaching titles are now Barron's E-Z Series. Brand-new cover designs reflect all new page layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever—charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons. Meanwhile, the quality of the books' contents remains at least as high as ever. Barron's E-Z books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college-101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements—and for some courses, as main textbooks. E-Z books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barron's E-Z French instructs students with little or no prior knowledge of the language in informal conversational French. They'll find true-to-life dialogues with translations, skill-building exercises, useful verb conjugation charts, explanations of grammatical terms, and many more language-learning features. Illustrations supplement the text and capture much of the spirit of contemporary France.
