Snipercraft John Simpson, 2013-11-01 For more than three decades, John Simpson has been teaching sniping to military and police civilian shooters. As a staff instructor for Snipercraft and the Director of Precision Rifle Programs for Richland Group's James River Training System, as well as a former adjunct instructor for sniping at both the Smith & Wesson and SigArms academies, Simpson observed over and over that many of the shooters who show up for sniping school lack the marksmanship fundamentals that are essential for success as a professional sniper. Simpson wrote Snipercraft for shooters who want to solidify their marksmanship fundamentals in preparation for attending sniper school or a sniping course. In plain, nontechnical language, it lays the foundation for making a hit every time with your rifle on a four-inch-diameter cranial target when the target is not cooperating with you. It's impossible to learn how to shoot well by simply reading a book, but you can definitely learn to make precision rifle shots with the help of what's in this book. Its target audience is tactical shooters—not target shooters—who are preparing to take their rifle marksmanship to a new level.

American Sniper (Enhanced Edition) Chris Kyle,Scott McEwen,Jim DeFelice,2012-01-03 NOW A BLOCKBUSTER MOTION PICTURE DIRECTED BY CLINT EASTWOOD—NOMINATED FOR SIX ACADEMY AWARDS, INCLUDING BEST PICTURE This

special enhanced edition features more than 10 exclusive videos with Chris Kyle and an additional 15 images and descriptions of the weapons used by the armed forces in their fight against terrorism overseas. From 1999 to 2009, U.S. Navy Seal Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time. Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.

Now it's a deadly race as both the Pakistanis and the Americans search for Rickman's accomplices and the information they are slowly leaking to the world.
