The Management of Quality in Construction J.L. Ashford,2002-11-01 The quality of a product or service is a measure of its ability to satisfy customer requirements. This satisfaction can be assured by the operation of a quality system which will ensure that specified requirements are met consistently and economically. The Management of Quality in Construction provides the reader with a knowledge of the principles of quality management and an understanding of how they may successfully be applied in the particular circumstances of the construction industry. The areas covered range from an historical review of traditional methods of assuring quality in the industry and how contractual arrangements have evolved, to an interpretation of quality system standards in the context of construction. Examples are given which highlight specific areas, and specialist chapters on organization structures and the techniques of quality auditing are included.

**The Indianology of California** Alexander Smith Taylor,1860

Dew in the Morning Chinodya, Shimmer,2019-02-10 Dew in the Morning was written when the author, Shimmer Chinodya, was eighteen. The intensity of childhood memory is sharp and immediate. Godi, the young boy whose life we experience as he grows up, perceives more than he understands. The ambivalence or instability of the text lies at the juncture between the felt experience of the child, and the rational, interpretative, analysis of the adult. A Bildungsroman, Chinodya captures the centrality of land in the national consciousness: its beauty, its rhythms, its seasons and its fertility. But he does not romanticise the hardships: the droughts, poor harvests, over-crowding – particularly as a result of the inflow of resettled people – and the tensions over land and between peoples as they struggle to survive. Good humour, strict morality, hard work, and mutual support can be undermined by corrupt practice, or tainted by traditional ceremonies that are as frightening as they are powerful, and raise essential questions of belief and validity. Dew in the Morning, is a tender, evocative novel of growing up, but in it we see the seeds of many issues which Chinodya will dwell on in his later novels: familial tensions, the taut interplay of tradition and modernity, ancestral beliefs and Christianity.
