Clone Two Patti Larsen, 2012-10-03 (Young adult post-apocalyptic series) Journey "I've never agreed with Chime's need to pander to the Crawlers." Ande leans past me to look out the window. I follow his gaze, the glow from the two bulbs casting some light over the dark and lonely station outside. "It's time we were independent. The Crawlers are spooky and untrustworthy, say one thing, mean another." He turns his head, face very close to mine. "They steal kids sometimes, never own up to their promises." Ande takes a step back, smile returning. "We can just hope there aren't any Crawlers out there." He waves beyond him, up the tracks. Before I get a chance to agree, Chime reappears, slamming her way through the sliding door. "Last stop," she growls at me. "Everybody off." Trio and her friends have escaped the remains of Los Angeles and the horrible Crawlers intent on her capture, finally on their way to New York. But the train they ride offers more threats than comfort, both from the uncertain track stretching out before them to the infighting and open dislike from train boss Chime and her crew. Trio has no choice, her heart and soul pushing her across the country, toward a task she can't remember and a damaged clone who will call her sister.

*The Superhero's Clone (action-adventure superheroes)* Lucas Flint, 2021-08-20 After learning about the disappearance of his mentor, Mecha Knight, Kevin Jason (Bolt) allies with a powerful yet aloof superhero to find him, although their conflicting personalities and methods make for teeth-clenched teamwork. There is far more to Mecha Knight's disappearance than meets the eye, however, and soon Bolt finds himself surrounded on all sides by many of his old foes, back to exact their revenge on him. Things become even more complicated with the return of a long-lost family member, forcing Bolt to move quickly and decisively if he is going to not only find Mecha Knight but survive. All of that pales in

comparison to the secret of the mysterious Project Revival, a secret that threatens to destroy the entire superhuman community unless Bolt can stop it. If he can stop it, that is.

*Don't Clone a Snowflake* Rebecca Goudreault, 2018-05-07 One day I had a special delivery from heaven. I became the mother of a baby boy with bright blue eyes and blonde hair. Joey just happened to have Down Syndrome, a heart defect and health issues. This story is a recap of only fifteen months with my special gift. I refer to Joey, as my special snowflake throughout this book. What may have seemed to be a tragedy, turned out to be the very opposite. The challenges came with many blessings as I experienced the wraparound presence and love of my Savior Jesus Christ. This is my testimony about a little snowflake that lives in my heart forever. My experiences with my special delivery brought me into a closer walk with my heavenly Father. I would do over in a heartbeat. My prayer is that this story will give others hope, build faith, and experience the love of God for themselves. Mark 8:36 For what will it profit a man if he gains the whole world, and loses his own soul? Matthew 16:26 (The Living Bible) What profit is there, if you gain the whole world - and lose eternal life?
